Who Cares Christopher Howard, 2023 The first comprehensive map of the social safety net public and private in the United States Societies are often judged by how they treat their most vulnerable members the poor and near poor In the United States this responsibility belongs not only to governments but also to charities businesses individuals and family members Their combined efforts generate a social safety net In Who Cares Christopher Howard offers the first comprehensive map of the US social safety net He chronicles how different parts of American society talk about poverty related needs And he shows what Americans do to provide basic levels of income food housing medical care and daily care Although the US social safety net is extensive major gaps remain particularly impacting Blacks Hispanics and individuals who are not employed full time Drawing heavily upon evidence from the years right before the Covid 19 pandemic Howard demonstrates that these problems persist even when the economy seems healthy Who Cares concludes with an initial assessment of how the social safety net performed during the pandemic

Open House of Family, Friends, Food, Piano Lessons and the Search for a Room of My Own Patricia J. Williams, 2004 Publisher Description , *Work-Family Challenges for Low-Income Parents and Their Children* Ann C. Crouter, Alan Booth, 2014-04-04 The area of work and family is a hot topic in the social sciences and appeals to scholars in a wide range of disciplines There are few edited volumes in this area however and this may be the only one that focuses on low income families a particularly important group in this era of welfare to work policy Interdisciplinary in nature the volume brings together contributors from the fields of psychology social work sociology demography economics human development and family studies and public policy It presents important work family topics from the point of view of low income families at a time in history when welfare to work programs have become standard Divided into four parts each section addresses a different aspect of the topic consisting of a big picture lead essay which is followed by three papers that critique extend and supplement the final paper Many of the chapters address important social policy issues giving the volume an applied focus which will make it of interest to many groups Serving to

organize the volume these issues and others have been encapsulated into four sets of anchor questions How has the availability content and stability of the jobs available for the working poor changed in recent decades How do work circumstances for low income families vary as a function of gender family structure race ethnicity and geography What implications do these changes have for the widening inequality between the haves and have nots What features of work timing matter for families What do we know about the impacts of shift work long hours seasonal work and temporary work on employees their family relationships and their children s development How are the child care needs of low income families being met What challenges do these families face with regard to child care and how can child care services be strengthened to support parents and to enhance child development How are the challenges of managing work and family experienced by low income men and women The primary audience for the book is academicians and their students policy specialists and people charged with developing and evaluating family focused programs The volume will be appropriate for classroom use in upper level undergraduate courses and graduate courses in the fields of family sociology demography human development and family studies women s studies labor studies and social work [Family Table Service](#) , **Investigating Family, Food, and Housing Themes in Social Studies** Cynthia Williams Resor, 2017-10-08 Investigating Family Food and Housing Themes in Social Studies asks students to critically examine their own culture by contrasting it with the daily lives of average people in the past What people ate where people lived and the functions of families are examined and contrasted to subjective cultural ideals prescribing what families food and housing ought to have been The relationship between housing food and family and social class status and gender are emphasized Each chapter includes essential questions to focus student inquiry historical overviews focused on changes in family food and housing from the pre industrial era through its transformation during the Industrial Revolution and into the twentieth century learning activities and primary source documents and images This unique approach to teaching history and social studies supports thematic instruction culturally responsive teaching place based education and literacy in the elementary middle or secondary classrooms **Library of Congress Subject Headings** Library of Congress, 2007 *Home Cooking with Kate McDermott* Kate McDermott, 2018-10-16 Satisfying mainly one dish meals from the author of Art of the Pie When she isn t making pie Kate McDermott has people to feed From roasted chicken and veggies for Sunday supper to batches of hearty soup to reheat when there s no time to cook this practical cookbook focuses on staple recipes for people who aren t looking for a part time job in the kitchen Using ingredients that can be found in any supermarket and techniques that every home cook needs McDermott shares tasty and repeatable meals for friends and family Her healthy affordable and delicious recipes include Pie Cottage Scones How to Roast a Chicken Snowy Day Lentil Soup Tiny Chocolate Chippers Like those in Art of the Pie these recipes are accompanied by moving stories from anecdotes of single motherhood to building a home in the foothills of the Olympic mountains Andrew Scrivani s stunning photographs appear throughout [Library of Congress Subject Headings](#) Library of

Gender, Family and Work in Naples Victoria A. Goddard, 2020-08-18 Breaking new ground in Mediterranean anthropology this book rejects the discipline's traditional focus on honour and shame in small face to face communities and suggests instead that gender and sexuality interact with material processes in the constitution of personal and social identities In this ethnographic account of the labour market in Naples the author shows how cultural definitions of gender can be used to investigate broad social processes Scarce stable employment in the area means that household members are forced to diversify their economic activities in order to survive Petty entrepreneurship is an option which is almost exclusively available to men Women who are either unable or unwilling to obtain factory work are generally confined to the status of outworkers The author emphasises that individual choices cannot be attributed solely to economic opportunities but that concepts of selfhood gender identity and the symbolic value of female sexuality are also important
