Footprints of the Horse. [In Verse.] By "Eos.", 1865 *Divine Footprints* William P. Payne, 2025-03-12 Is there a unifying key that enables Christians to interpret the Bible and see the guiding hand of God in history Professor William Payne says there is He calls it the missional hermeneutic It is a grand design Design implies a designer Others call it the mission of God Always and forever God is pursuing his plan Payne contends that the Scriptures and human history show God's purposes illuminate his unfolding plan and point to his end goal This book unpacks the missional hermeneutic and teaches readers how to apply it to Bible interpretation and historical analysis For example his lengthy chapter on Acts masterfully uncovers how God and the heavenly powers interacted as the church took the gospel from Jerusalem to the heart of the Roman Empire per God's directions Other chapters show how God messages history and works through it to accomplish his will Payne calls it seeing God's footprints In short this book shows you how to grasp the big picture and align yourself with God's work

Feminist Biblical Studies in the Twentieth Century Elisabeth Schüssler Fiorenza, 2014-06-26 Chart the development of feminist approaches and theories of interpretation during the period when women first joined the ranks of biblical scholars This collection of essays on feminist biblical studies in the twentieth century seeks to explore four areas of inquiry demanding further investigation In the first section articles chart the beginnings and developments of feminist biblical studies as a conversation among feminists around the world The second section introduces reviews and discusses the hermeneutic religious spaces created by feminist biblical studies The third segment discusses academic methods of reading and interpretation that dismantle androcentric language and kyriarchal authority The fourth section returns to the first with work that transgresses academic boundaries in order to exemplify the transforming inspiring and institutionalizing feminist work that has been and is being done to change religious mindsets of domination and to enable women to engage in critical readings of the Bible Features Essays examine the rupture or break in the malestream reception history of the Bible Exploration of the term feminism in different social cultural and theoretical religious locations Authors from around the world present research and future directions for research challenging the next generation of feminist interpreters **Reflections**

Great Questions God Asks Kathy Call, 2017-11-30 The Bible is full of questions asked by God of his people Each of these questions challenge us to struggle with some nagging issue or problem inside us that simply refuses to go away God's great questions probe the deepest issues of our lives questions of identity of adequacy of balance of assurance of mercy of renewal of perspective of ultimate hope of perception As the characters in the Bible of whom these questions were first asked wrestle with their answers we as readers of this book find ourselves wrestling with

the same questions in our lives bringing us face to face with ourselves and with God himself **Catalogue of the Young Men's Mercantile Library Association, of Cincinnati** Young Men's Mercantile Library Association (Cincinnati, Ohio), 1869

Forthcoming Books Rose Arny, 2001-06 *The Monastic Footprint in Post-Reformation Movements* Kenneth C. Carveley, 2022-04-19 This book examines the influence of the monastic tradition beyond the Reformation Where the built monastic environment had been dissolved desire for the spiritual benefits of monastic living still echoed within theological and spiritual writing of the seventeenth and eighteenth centuries as a virtual exegetical template The volume considers how the writings of monastic authors were appropriated in post Reformation movements by those seeking a more fervent spiritual life and how the concept of an internal cloister of monastic ascetic spirituality influenced several Anglican writers during the Restoration There is a careful examination of the monastic influence upon the Wesleys and the foundation and rise of Methodism Drawing on a range of primary sources the book will be of particular interest to scholars of monastic and Methodist history and to those engaged in researching ecclesiology and in ecumenical dialogues *A Seasonal Footprint* Lucille L Turfrey, 2023-08-18 My journey has been of global proportions The sometimes spectacular sometimes sombre often times splendid at times spiritual most times satisfying brings perspective to the distinctive scenes each season displays Each holds its own colours A viewing of the ever changing landscape emphasises the where the what and the when But when the traveller pauses to reflect upon an exploration an event the deeper meanings of life may surface in the how and the why of personal experience A journey becomes a pilgrimage when one's life goal is placed in the knapsack This book offers a personal reflection on a journey that is still on track to ultimate reality Rome's Red Footprints in the Alps; Or, The Woes of the Waldenses in 1686 and 1689. spreading over the surrounding fields And as the fierce evil grows ever stronger can the Doctor and Ace prevent it from engulfing the entire world Featuring the Seventh Doctor and Ace this adventure takes place between the TV stories The Curse of Fenric and Survival The IVP Women's Bible Commentary Catherine Clark Kroeger, Mary J. Evans, 2002 This commentary edited by Catherine Clark Kroeger and Mary Evans is an attempt to answer the question What happens when we look at Scripture through women's eyes New and helpful insights from an international team of scholars show how Scripture is relevant to women and men alike making it a wonderful complement to other commentaries
