the United States or to sell a pair of elevator shoes to one of Hollywood's shortest celebrities or to shine the shoes of a Derby-hatted father of a future President of the United States. It is not a remarkable achievement to reflect to recall or to have memories that are treasured. But to tell them with literary aplomb to recall the events that happened nearly seventy-five years ago with utmost clarity is definitely an admirable achievement and should be cherished not only by the kin who follow Mr. Humber but by those who might like to imitate what he has monumentally achieved in *Dad's Best Memories and Recollections*. **Best Dad Ever!** Omi Kech, 2019-05-15. She was sure if she found it, she could cure her father of alcoholism and make everyone happy. Judy finds the liberating key to his present imprisonment, but she cannot turn the lock until she revisits and reveals the shameful secret carefully and faithfully guarded for decades. While doing so, she confronts her fears and emotional wounds carved within a dysfunctional family. That is not enough, though, to rescue him, for the two are now ensnared by an unfamiliar adversary: nursing home neglect and abuse that Judy must battle every day for her defenseless
