McCoy, 2025-05-30 Trip Harvey isn't looking for love. He's built a solid life in the valley working as a doctor, keeping old friendships strong and watching his buddies settle into happy relationships of their own. He's happy for them. But after a painful divorce, he's not interested in going down that road again. Shelley never planned to stay. She's been on the move since leaving behind a high-pressure legal career, chasing freedom and simplicity wherever she can find it. Her job at Trip's practice was supposed to be a temporary stop, nothing more. And yet something about the valley and the quiet steadiness of the man she works for kept her there longer than she meant to. It started as friendship. Long hours at work, easy conversation, evenings that lingered. Neither of them was looking for more, but more found them anyway. And when danger comes far too close to home, they both realize what's really at stake. Not just their safety, but the irreplaceable connection they've come to rely on. She wasn't supposed to stay. He wasn't supposed to fall. But some people walk into your life by chance and stay because they're the one thing you never knew you were missing.

With family honor and devotion propelling her across to an unknown world, Lena soon finds herself stepping into this strange world where people are judged by the color of their skin and treated like animals. Aghast at what she sees in her new home, Lena seeks to find goodness in where God has led her to be. Lena meets Karl Muller on her journey to her brother's farm, and he introduces her to the ideas of senatorial candidate Abraham Lincoln, showing her that his presidency could change things for the better. The more time she spends with Karl, the more she finds herself longing to be a part of his world, but loyalty to her brother is keeping her from pursuing what her heart longs for the most: to be loved and cherished. After tragedy strikes, Lena finds herself finally at the crossroads and must make a decision that will affect her future and her family's future forever.

[Ed - For Love and Hope](#) Marguerite Nardone Gruen,2017-11-17 For decades Ed Meehan was the most popular singer songwriter on the planet Every woman thought his songs were written for them alone But it wasn t just women who were drawn to his music His words reached everyone in one way or another There was something special about him that people picked up on and no one knew what it was With one exception Chase Martin of the Band 4 More like a brother than a friend Chase alone knew that when Ed was just a young man he had fallen in love with an older woman who survived a terminal illness just long enough for them to find each other fall in love and be married Chase Martin and his bandmates as well as their wives and children had adopted Ed as one of their own With them he knew the joys and comforts of family but his heart would always belong to his late wife With her on the other side waiting for him Ed and Chase were the only ones who knew about the pact the couple had made to meet again in their next lives His adopted family knew love They were practically the embodiment of it having a very special connection to one another that Ed laughingly referred to as spooky It was only after

decades had passed that their family would be asked to put that connection to good use reuniting their beloved friend with his long lost love the woman for whom all his songs were truly written But was such a thing even possible Leukaemia - My Marathon for Love Richard Woolley,2011-02-02 I have a five inch scar on my chest right hand side pointing towards my heart I look at it every day and it tells me who I am If you are looking at this book wondering what its about allow me to tell you Its about one mans experience of leukaemia and all the fun and games that go with it It is more broadly a book about life and a book about death But greater still this is a love story A story about how true love cannot be destroyed by things as trivial as cancer and death Some that remember me may do so in terms of my disease That is to say it will be the first thing they think of when they think of me and that I was taken so young But the leukaemia that took me was not the defining force in my life nor was it the strongest That will always be love and if I do say so myself how we managed to get it so right in the brevity of our time together **The Doctor, &c** Robert Southey,1872 Exclusive Love from the Ghost Husband Nan Zhu,2019-11-07 He accidentally provoked His Majesty the King of Hell and upon seeing the overweeningly arrogant Lord of the Underworld he thought that his future life would turn into an idol of the domineering CEO falling in love with him
