guilty and sentenced to life imprisonment The only white man convicted during the infamous Rivonia trial he played a historic role in the struggle for justice in South Africa In this remarkable autobiography Goldberg discusses growing up acutely aware of the injustice permeating his homeland He joined the South African Communist Party and helped found the Congress of Democrats It was his role as an officer in the armed underground wing of the African National Congress ANC however that led to his life sentence the outcome of which was a staggering twenty two years behind bars While he was incarcerated the racist dogma of apartheid imposed complete separation from his black comrades and colleagues a segregation that denied him both the companionship and the counsel of his fellow accused Recounted with humor and humility Goldberg s story not only provides a sweeping overview of life in South Africa both during and after apartheid but also illuminates the experiences of the activists and oppressors whose fates were bound together     **The Jewish Year Book** ,1999     **Landmarks in**

**German Poetry** Peter Hutchinson,2000 This volume identifies twelve major poems in the history of German literature and places them firmly in their literary historical context These landmarks are in three categories either they are simply great achievements or they represent turning points after which poets had to address their genre in different ways or they are works which embody the major characteristics of a particular period Although not conceived as such the volume may be seen to provide an outline history of German poetry from the Middle Ages to post 1945 The contributors drawn from the Universities of Cambridge and Oxford are all specialists in the particular field they address     Encyclopaedia of Propaganda Robert Cole,2022-03-24 The Encyclopedia of Propaganda examines all aspects of propaganda through history and is organized in an A to Z format The set defines the arenas in which propaganda is used such as politics war advertising and media pinpoints the political systems in which it is used such as Nazism Communism and McCarthyism and describes notable progenitors of propaganda and their works including Hitler and Mein Kampf Machiavelli and The Prince Sun Tzu and The Art of War and Plato and The Republic The Encyclopedia of Propaganda also examines noteworthy individuals who have employed propaganda to further their own agenda including Walt Disney Fidel Castro Jane Fonda the Rev Jerry Falwell Saddam Hussein Rush Limbaugh and Eleanor Roosevelt Organizations which have utilized propaganda in a systematic fashion are also included among them the Black Panther Party the Sandinista National Liberation Front and the People for Ethical Treatment of Animals This well organized easy to use reference should be a valuable research tool for students of world history politics and literature     English Fiction and Drama of the Great War, 1918-39 John Onions,1990-03-26

*The British National Bibliography* Arthur James Wells, 2001      Britain and the Spanish Anti-Franco Opposition D. Dunthorn, 2000-10-06 After fascism's defeat in 1945 Britain did not cooperate with Franco's Spanish opponents to end his dictatorship. This study demonstrates how divisions in the Spanish opposition were one factor but argues that Britain's strategic and commercial interests in Spain also acted as a disincentive. Only when international pressure for sanctions threatened Iberian stability in 1947 did the British government turn to the Spanish opposition. With the advent of the Cold War however the opposition became irrelevant to British needs and Franco's survival was guaranteed.

Here is a rich treasury compiled from over 2,500 years of Jewish writings from the Talmud, the Mishnah, the Zohar and the Bible through excerpts from Rashi, Maimonides, the Baal Shem Tov as well as Spinoza, Disraeli, Herzl, Freud, Einstein and many others. For more than forty years Dr. Joseph L. Baron, the eminent Jewish scholar, gathered material for this work, mining all the great treasures of classic Jewish literature. The result is this magnificent volume, a classic in its own time. Classified according to subject, the quotations are indexed by topic and author.
