For God And The Bible:

God Has a Plan for You! Robert D Prescott-Ezickson, 2001 I read the Bible but I don't get anything out of it I want to know what the Bible says but I need a guide to understand it I just don't have time to read the whole Bible but I want to know its message for me If any of these statements describe you or your parishioners then this is the book for you Arranged in 52 weekly sessions God Has A Plan For You provides an easy to follow structure for a one year plan to read through the entire Bible It offers a broad overview of the message of scripture as well as practical applications to daily Christian living Each chapter includes a clear explanation of the biblical text and its meaning for today And study questions and thought provokers help readers to deepen their understanding The unique format makes this an excellent resource for a preaching series Sunday school lessons or a group Bible study as well as for personal Bible reading Wherever you are in your spiritual journey this book can help you reach your spiritual goals by fostering a clear understanding of the Bible's message and God's plan for you God Has A Plan For You celebrates the message of the Bible from Genesis to Revelation This approach helps make all of the written word not just the more familiar favorite passages the basis of a life lived in obedience to God and his kingdom agenda for the church Dr Prescott Ezickson wisely avoids secondary issues and dubious interpretations consistently focusing on the central message of salvation as it is found from the beginning to the end of the scriptures Readers whether from the laity or the clergy will come away from this volume with a new appreciation of the fundamental message of the Bible Robert T Coote Associate Director Overseas Ministries Study Center New Haven Connecticut Robert D Prescott Ezickson is senior pastor of First Baptist Church in Meriden Connecticut and an adjunct professor of religion at Central Connecticut State University A graduate of Southern Baptist Theological Seminary in Louisville Kentucky Prescott Ezickson has previously pastored churches in Indiana New Jersey and Connecticut He has served as president of the Minister's Council for American Baptist Churches of Connecticut moderator of the South Central Association and president of the Meriden Clergy Association

Great Is His Faithfulness Tammera S. Moore, 2004-11-02 I started a project to assemble a collection of my poetry but as I began to assemble this collection I realized that there was more to tell Because I am a spirit filled Christian my love for God is reflected in most of my works Some of my works come from my fantasies and illusions of how life and love should be and some come from the people that I have been privileged to know and call my friends My poetry is a gift from God given to me through the people places and circumstances that make up my life God puts the inspiration in my life and puts the words in my heart I just put it down on paper So I decided to include stories about some of the poems and what inspired them As I started adding these stories it was clear that I was sharing the testimony of how God has worked in me and through me I wanted to provide the reader with scriptures that support my testimony So I added Bible study topics with room provided for taking notes A note about the Study Topics included in the book As a new Christian I was always hungry to learn more about God about His word and His will for my life I found that a study edition bible was an invaluable resource for me to learn more

and grow in my faith and in my understanding The study Bible that I have includes almost 300 different thematic articles for study I chose only a few topics that I believed to be relevant for inclusion in this book I referenced my study Bible for information for chapters verses to reference and for quotes but the study topics included here are written to express my understanding of the Bibles teaching to express my opinion and my beliefs Since I am not a theologian or educated in the seminary I did ask my own Pastor to review these study topics for accuracy and completeness For any of my readers who dont already have that personal relationship with God these bible study topics are a starting point for learning more about His awesome love for us all Just as they have been a starting point for me in my infancy as a Christian This is by no means all there is to know or learn as Christians we should always be hungry to learn more about Gods word and His will for us Because none of us can ever know everything there is to know about God we should continually seek knowledge of His will for us It is my sincere hope that this collection of works will move and inspire But most of all I pray that it will bring others to salvation in Christ

Wilderness as Metaphor for God in the Hebrew Bible Robert Miller II OFS,2021-09-22 The ancient Israelite authors of the Hebrew Bible were not philosophers so what they could not say about God in logical terms they expressed through

metaphor and imagery To present God in His most impenetrable otherness the image they chose was the desert The desert was Ancient Israel's southern frontier an unknown region that was always elsewhere from that elsewhere God has come God came from the South Hab 3:3 God when you marched from the desert Ps 68:8 from his southland mountain slopes Deut 33:2 Robert Miller explores this imagery shedding light on what the biblical authors meant by associating God with deserts to the south of Israel and Judah Biblical authors knew of its climate flora and fauna and understood this magnificent desert landscape as a fascinating place of literary paradox This divine desert was far from lifeless its plants and animals were tenacious bizarre fierce even supernatural The spiritual importance of the desert in a biblical context begins with the physical elements whose impact cognitive science can elucidate Travellers and naturalists of the past two millennia have experienced this and other wildernesses and their testimonies provide a window into Israel's experience of the desert A prime focus is the existential experience encountered Confronting the desert's enigmatic wildness its melding of the known and unknown leads naturally to spiritual experience The book's panoramic view of biblical spirituality of the desert is illustrated by the ways spiritual writers from Biblical Times to the Desert Fathers to German Mysticism have employed the images therefrom Revelation and renewal are just two of many themes Folklore of the Ancient Near East and indeed elsewhere that deals with the desert wilderness archetype has been explored via Jungian psychology Goethean Science enunciative linguistics and Hebrew philology These philosophies contribute to this exploration of the Hebrew Bible's desert metaphor for God
