Defense Spending And Economic Growth James E. Payne,2019-03-13 This book examines the impact defense spending has on economic growth While defense spending was not deliberately invented as a fiscal policy instrument its importance in the composition of overall government spending and thus in determining employment is now easily recognized In light of the collapse of the Soviet Union and the consequent reduction in the threat to the security of the United States maintaining defense spending at the old level seems indefensible The media has concentrated on the so called peace dividend However as soon as the federal government is faced with defense cuts it realizes the macroeconomic ramifications of such a step Based on studies included in this volume we examine the effects of defense spending on economic growth and investigate how the changed world political climate is likely to alter the importance and pattern of defense spending both for developed and developing countries *Economic Development in the Third World* Michael P. Todaro,1977 Textbook on economic development in developing countries discusses underdevelopment in the third world and problems of poverty unemployment income distribution and relevant economic theory and stresses interdependence of the world economy as regards food energy natural resources technology etc Diagrams glossary of terminology graphs references and statistical tables *Third World Military Expenditure* Robert D. McKinlay,2016-10-06 The twin objectives of this book are to identity

the determinants and to explore the implications of Third World military expenditure Beginning with a descriptive profile of Third World military expenditure the study uses cross national and longitudinal data to explore the determinants and implications across a range of issues areas On the basis of this analysis the book concludes with an empirical theory of military expenditure and a critical appraisal of the general implications Third-World Military Expenditure and Arms Production Robert E Looney, 1988-08-31
