Economic Expansion In The Byzantine Empire 900 1200:

Economic Expansion in the Byzantine Empire (900-1200) Alan Harvey, 1992 *Historical Dictionary of Byzantium* John H. Rosser, 2012 The Byzantine Empire dates back to Constantine the Great the first Christian ruler of the Roman Empire who in 330 AD moved the imperial capital from Rome to a port city in modern day Turkey which he then renamed Constantinople in his honor From its founding the Byzantine Empire was a major anchor of east west trade and culture art architecture and the economy all prospered in the newly Christian empire As Byzantium moved into the middle and late period Greek became the official language of both church and state and the Empire's cultural and religious influence extended well beyond its boundaries In the mid 15th century the Ottoman Turks put an end to 1 100 years of Byzantine history by capturing Constantinople but the Empire's legacy in art culture and religion endured long after its fall In this revised and updated second edition of the *Historical Dictionary of Byzantium* author John H Rosser introduces both the general reader and the researcher to the history of the Byzantine Empire This comprehensive dictionary includes detailed alphabetical entries on key figures ideas places and themes related to Byzantine art history and religion and the second edition contains numerous additional entries on broad topics such as transportation and gender which were less prominent in the previous edition An expanded introduction introduces the reader to Byzantium and a guide to further sources and suggested readings can be found in the extensive bibliography that follows the entries A basic chronology and various maps and illustrations are also included in the dictionary This book is an excellent access point for students researchers and anyone wanting to know more about Byzantium **The Byzantines** Averil Cameron, 2009-11-09 Winner of the 2006 John D Criticos Prize This book introduces the reader to the complex history ethnicity and identity of the Byzantines This volume brings Byzantium often misconstrued as a vanished successor to the classical world to the forefront of European history Deconstructs stereotypes surrounding Byzantium Beautifully illustrated with photographs and maps **The Oxford History of Byzantium** Cyril Mango, 2002-10-24 The Oxford History of Byzantium is the only history to provide in concise form detailed coverage of Byzantium from its Roman beginnings to the fall of Constantinople and assimilation into the Turkish Empire Lively essays and beautiful illustrations portray the emergence and development of a distinctive civilization covering the period from the fourth century to the mid fifteenth century The authors all working at the cutting edge of their particular fields outline the political history of the Byzantine state and bring to life the evolution of a colourful culture In AD 324 the Emperor Constantine the Great chose Byzantium an ancient Greek colony at the mouth of the Thracian Bosphorus as his imperial residence He renamed the place Constantinopolis nova Roma Constantinople the new Rome and the city modern Istanbul became the Eastern capital of the later Roman empire The new Rome outlived the old and Constantine's successors continued to regard themselves as the legitimate emperors of Rome just as their subjects called themselves Romaioi or Romans long after they had forgotten the Latin language In the sixteenth century Western humanists gave this eastern Roman empire ruled from

Constantinople the epithet Byzantine Against a backdrop of stories of emperors intrigues battles and bishops this Oxford History uncovers the hidden mechanisms economic social and demographic that underlay the history of events The authors explore everyday life in cities and villages manufacture and trade machinery of government the church as an instrument of state minorities education literary activity beliefs and superstitions monasticism iconoclasm the rise of Islam and the fusion with Western or Latin culture Byzantium linked the ancient and modern worlds shaping traditions and handing down to both Eastern and Western civilization a vibrant legacy

An Economic History of Medieval Europe Norman John Greville Pounds, 2014-06-06 A clear and readable account of the development of the European economy and its infrastructure from the second century to 1500 Professor Pounds provides a balanced view of the many controversies within the subject and he has a particular gift for bringing a human dimension to its technicalities He deals with continental Europe as a whole including an unusually rich treatment of Eastern Europe For this welcome new edition the first in twenty years text and bibliography have been reworked and updated throughout and the book redesigned and reset

Medieval Mount Athos between Wealth and Poverty, 2024-11-18 These collected studies dedicated to the Orthodox monastic center of Mount Athos during the Middle Ages paint a compelling picture of the Holy Mountain's monastic communities as economic actors Mount Athos rich archival holdings allow both for the minute scrutiny of economic activity and the tracing of long term trends Not only were Hagiorite monasteries major players on a local level but they were also embedded within trans Mediterranean networks of patronage The unique status of Mount Athos as a semi autonomous monastic polity also influenced attitudes towards landholding as well as wealth and poverty more generally Contributors are Tinatin Chronz Zachary Chitwood Stefan Eichert Martina Filosa Mihai D Grigore Michel Kaplan Vladimer Kekelia Kirill A Maksimovi Zisis Melissakis Nicholas Melvani Vanessa R de Obald a Daniel Oltean Nina Richards Kostis Smyrliis Apolon Tabuashvili and Alexander Watzinger

Social Change in Town and Country in Eleventh-century Byzantium James Howard-Johnston, 2020 The eleventh century saw both the heyday of Byzantium and its almost immediate subsequent decline following serious military defeats and heavy territorial losses The papers in this volume view the social order as a prime determinant of change tracking it through archaeological and documentary evidence to deepen our understanding of the period

The Occult Sciences in Byzantium Paul Magdalino, Maria V. Mavroudi, 2006 This volume represents the first attempt to examine occult sciences as a distinct category of Byzantine intellectual culture It is concerned with both the reality and the image of the occult sciences in Byzantium and seeks above all to represent them in their social and cultural context as a historical phenomenon The eleven essays demonstrate that Byzantium was not marginal to the scientific culture of the Middle Ages and that the occult sciences were not marginal to the learned culture of the medieval Byzantine world

The Oxford Handbook of Christian Monasticism Bernice M. Kaczynski, 2020-09-29 The Handbook takes as its subject the complex phenomenon of Christian monasticism It addresses for the first time in one volume the multiple strands of

Christian monastic practice Forty four essays consider historical and thematic aspects of the Catholic Eastern Orthodox Oriental Orthodox Protestant and Anglican traditions as well as contemporary new monasticism The essays in the book span a period of nearly two thousand years from late ancient times through the medieval and early modern eras on to the present day Taken together they offer not a narrative survey but rather a map of the vast terrain The intention of the Handbook is to provide a balance of some essential historical coverage with a representative sample of current thinking on monasticism It presents the work of both academic and monastic authors and the essays are best understood as a series of loosely linked episodes forming a long chain of enquiry and allowing for various points of view The authors are a diverse and international group who bring a wide range of critical perspectives to bear on pertinent themes and issues They indicate developing trends in their areas of specialisation The individual contributions and the volume as a whole set out an agenda for the future direction of monastic studies In today s world where there is increasing interest in all world monasticisms where scholars are adopting more capacious global approaches to their investigations and where monks and nuns are casting a fresh eye on their ancient traditions this publication is especially timely

The Empress Theophano Adelbert Davids,2002-08-15 The Byzantine princess Theophano who came to the West in 972 to marry the Ottonian emperor Otto II died as empress of the Ottonian Empire in Nijmegen in 991 In commemoration of this event a group of distinguished scholars met in 1991 at the castle of Hernen in the Netherlands with the aim of discussing various issues and aspects of Theophano s background in Byzantium her life in the West and her impact on society at the turn of the first millennium This volume brings together in carefully edited form a group of the papers and proceedings from 1991 Each contribution helps to place Theophano in a broad cultural and historical context The historical intellectual and artistic background of her age are described and there are essays on her education her surroundings and on the image of noble women in the middle ages

Constantinople and its Hinterland Cyril Mango,Gilbert Dagron,2016-12-05 From its foundation the city of Constantinople dominated the Byzantine world It was the seat of the emperor the centre of government and church the focus of commerce and culture by far the greatest urban centre its needs in terms of supplies and defense imposed their own logic on the development of the empire Byzantine Constantinople has traditionally been treated in terms of the walled city and its immediate suburbs In this volume containing 25 papers delivered at the 27th Spring Symposium of Byzantine Studies held at Oxford in 1993 the perspective has been enlarged to encompass a wider geographical setting that of the city s European and Asiatic hinterland Within this framework a variety of interconnected topics have been addressed ranging from the bare necessities of life and defence to manufacture and export communications between the capital and its hinterland culture and artistic manifestations and the role of the sacred
