

Economic And Social Policy In Israel The First Generation

Daniel Judah Elazar, Shmuel Sandler

Economic And Social Policy In Israel The First Generation:

Economic and Social Policy in Israel Moshe Sanbar,1990 *Fertility Policy in Israel* Jacqueline

Portugese,1998-08-30 An examination with feminist perspective of Israel s fertility practices and policies surrounding abortion family planning in vitro fertilization and the welfare state This book exposes the complex web of issues actors and power relations that shape the Israeli political agenda At the same time it contributes to ongoing feminist debates concerning the politics of reproduction and the role of the state in contributing to the oppression of women Israel s commitment to Zionist ideals and policies its ambiguous relationship with Jewish Orthodoxy and the intersection of the two at the level of gender relations have played a great role in determining the shape scope and direction of many government policies This book explores the relationship between these three ideological and institutional forces in the context of development of fertility policy In the process it touches upon various points of interest including the state s treatment of the Palestinian Arab minority and its relationship with the wider Palestinian national movement the power relations and political agenda underlying policy making in Israel the development of Israeli social and political identity and the use of gender to explain both the status of Israeli women and the overall unfolding of politics and policy making **War, Institutions, and Social**

Change in the Middle East Steven Heydemann,2000-12 A fresh look at the effects of war on state and society in the Middle East challenging traditional assumptions based on European experience The authors argue that war has destabilized Middle Eastern states and eroded national cohesion *Through the Lens of Israel* Joel S. Migdal,2012-02-01 Through the Lens of Israel illuminates Israeli history through the use of the author s unique state in society approach and at the same time refines develops and expands that approach The book provides a window for the formation of Israeli state and society during the twentieth century while using the Israeli experience to ask how social scientists can better investigate and understand other societies as well Three central themes of Israeli history are at the core of the analysis state formation society formation and the mutually constitutive roles of state and society By analyzing how Israel s state and society continually reconstruct one another Migdal addresses larger questions with resonance far beyond Israel How do particular societies and states end up with their distinctive character How are the rules that shape everyday behavior determined Who gains from these rules and who loses And how and when do these rules and patterns of privilege change **A Brief History of Israel** Bernard

Reich,2008 Narrates the complex tale of Israel s people and their modern state established thousands of years after the destruction of the old one against the backdrop of exile anti Semitism Zionism and the Holocaust *Yitzhak Rabin* L. Derfler,2014-01-16 A political and analytical biography this book examines Yitzhak Rabin s longtime leadership of the military and his political direction of the Jewish state as well as his efforts to secure a peace with Egypt and with the Palestinians

The Contradictions of Israeli Citizenship Guy Ben-Porat,Bryan Turner,2011-05-24 This book examines the nature of citizenship in Israel as pertaining to particular group demands and to the dynamics of political life in the public arena

Focusing on a wide range of social groups from the military through ethnic minorities religious groupings and the gay and lesbian community contributors explore different aspects of citizenship through the needs demands and struggles of minority groups to provide a comprehensive picture of the dynamics of Israeli citizenship and the dilemmas that emerge at the collective group and individual levels *Fundamentalist Islam and Israel* Raphael Israeli,1993 This book provides an in depth account and analysis of Islamic fundamentalism today and how it has an impact on Israel s relations with the Arab and Islamic worlds In light of recent events the book is important for the whole Western world which now confronts revivalist Islam both in the Middle East and Europe itself and even in such far flung fragments of European civilization as the United States and Australia This book should be of great help for the West in developing a proper understanding of and a strategy for dealing with this movement Co published with the Jerusalem Center for Public Affairs Between the Flag and the Banner Yael Yishai,2012-02-01 Because Israel has endured perennial armed conflict its national agenda places overriding importance on national security and family life At the same time Israel is a democracy that fosters equality for all its citizens Thus Israeli women are caught in a dilemma whether to show allegiance to the national cause or to raise the banner of feminism and focus on women s rights This book presents a broad perspective on the political life of Israeli women both Jewish and non Jewish It is the first book to explore Israeli women s political participation political identity and political organizations as well as public policy toward women Situating Israel in a comparative theoretical framework Yael Yishai focuses on the enduring tension between women s drive for power and their desire to belong and integrate from within

The Peace Business Markus Bouillon,2004-02-26 Markus Bouillon s book makes an important and original contribution to the literature on the Middle East peace process It is based on extensive and imaginative research and it is packed with new and fascinating material Bouillon places the behaviour of the elites under an uncompromising lens His work serves as a useful corrective to the conventional wisdom by highlighting the negative effects of the peace process for all but the elites in Israel Jordan and the Palestinian territories Avi Shlaim Oxford University The first full length authoritative account of the various dimensions of business in the context of Arab Israeli peace an empirically dense and nuanced analysis James Piscatori Oxford University *Historical Dictionary of Israel* Bernard Reich,David H. Goldberg,2008-04-25 Since its creation the State of Israel has been a magnet for attention A country beset by conflict in its region and faced with the need to integrate immigrants of disparate backgrounds into a modern and advanced state Israel has preoccupied observers scholars and journalists since its independence in 1948 Israel and its politics have been the subject of substantial and often highly partisan literature being hotly and vigorously debated both at home and abroad The second edition of the Historical Dictionary of Israel addresses the need in the literature on Israel for a comprehensive impartial information source about the various diplomatic and political personalities institutions organizations events concepts and documents that together define the political life of the Jewish state This is done through a chronology an introductory essay a bibliography and hundreds of cross

referenced dictionary entries on significant persons places events government institutions political parties and battles as well as entries on Israel s economy society and culture

How States Pay for Wars Rosella Cappella Zielinski,2016-07 Armies fight battles states fight wars To focus solely on armies is to neglect the broader story of victory and defeat Military power stems from an economic base and without wealth soldiers cannot be paid weapons cannot be procured and food cannot be bought War finance is among the most consequential decisions any state makes how a state finances a war affects not only its success on the battlefield but also its economic stability and its leadership tenure In *How States Pay for Wars* Rosella Cappella Zielinski clarifies several critical dynamics lying at the nexus of financial and military policy Cappella Zielinski has built a custom database on war funding over the past two centuries and she combines those data with qualitative analyses of Truman s financing of the Korean War Johnson s financing of the Vietnam War British financing of World War II and the Crimean War and Russian and Japanese financing of the Russo Japanese War She argues that leaders who attempt to maximize their power at home and state power abroad are in a constant balancing act as they try to win wars while remaining in office As a result of political risks they prefer war finance policies that meet the needs of the war effort within the constraints of the capacity of the state

Land Expropriation in Israel Yifat Holzman-Gazit,2016-04-22 Historically Israel s Supreme Court has failed to limit the state s powers of expropriation and to protect private property This book argues that the Court s land expropriation jurisprudence can only be understood against the political cultural and institutional context in which it was shaped Security and economic pressures the precarious status of the Court in the early years the pervading ethos of collectivism the cultural symbolism of public land ownership and the perceived strategic and demographic risks posed by the Israeli Arab population all contributed to the creation of a harsh and arguably undemocratic land expropriation legal philosophy This philosophy the book argues was applied by the Supreme Court to Arabs and Jews alike from the creation of the state in 1948 and until the 1980s The book concludes with an analysis of the constitutional change of 1992 and its impact on the legal treatment of property rights under Israeli law

Israel Gregory S. Mahler,2018-04-27 This title was first published in 2000 The International Library of Politics and Comparative Government brings together in one series the most significant journal articles to appear in the field of comparative politics in the last twenty five years It makes accessible to teachers researchers and students an extensive range of essays which provide an indispensable basis for understanding both the established conceptual terrain and the new ground being broken in the fast changing field of comparative political analysis A number of acknowledged experts have been invited to act as editors for the series They preface each volume with an introductory essay in which they review the basis for the selection of articles and suggest future directions of research and investigation in the subject area An invaluable resource for all those working in the field of comparative government and politics

Citizenship and the State in the Middle East Nils A. Butenshon,Uri Davis,Manuel Hassassian,2000-05-01 As a response to processes of globalization regional integration and ethnic conflicts the

study of citizenship has regained new interest among social scientists and legal experts This approach focuses on the relationship between the state and the people as individuals and collectivities citizens and non citizens both those living within or outside its borders Citizenship defines the terms of rights and obligations in a society regulates political participation and access to public goods and properties Together with its companion volume Gender and Citizenship in the Middle East this book represents the first systematic critical attempt to interpret the complex nature of Middle East politics from a citizenship perspective In addition the book provides both theoretical contributions and case studies and includes a significant section on Israel and Palestine

Military Expenditure and Economic Growth in the Middle East L.

Wahid,2009-09-29 This book investigates the role and the impacts of armies and military regimes in the Middle East It argues that one of the main causes of the slow and stagnated economic development in the region is high military expenditure perpetuated by strong grips of armies on the politics of the region

Israel at the Polls, 1992 Daniel Judah Elazar,Shmuel Sandler,1995 The results of the June 1992 Israeli elections at first indicated a normal transition of power from Likud to Labor in the tradition of Western democracies rather than an upset However one and one half years later there were signs of a major change Israel at the Polls 1992 looks at the parties election campaigns major institutions and analyzes the policies of the new government s first year Co published with the Jerusalem Center for Public Affairs

Constitutionalism Daniel Judah Elazar,1990 In Israel today there is increasingly vigorous support for the framing of a constitution At the same time there is almost no recognition that in forty years Israel has acquired an almost complete set of basic laws that form a constitution The aims of this volume are threefold to inform the Israeli public and the world as to what exists and consider what still is needed in the way of a constitution to enter constitutionalism firmly on the Israeli public agenda and to learn from the American experience The author shows that Israel s constitution is more than anything else a modern adaptation of an ancient constitution Contents Israel and Models of Modern Constitutionalism The Politics of Constitution Making in the United States and Israel Issues of Constitutional Design Civil Rights and Liberties Issues of Constitutional Design Interjurisdictional Relations The State of Constitutionalism in the United States and Israel Where Do We Go from Here R Co published with the Jerusalem Center for Public Affairs

The Sword's Other Edge Dan Reiter,2017-11-09 Military

effectiveness can only be fully understood by accounting for its political and military tradeoffs This book explains those tradeoffs

Israeli Politics in the 1990s Bernard Reich,Gershon Kieval,1991-11-30 What are the key factors that have transformed the Israeli political center and how will they shape Israel s role in the Middle East in the 1990s Well known experts join the editors Reich and Kieval in giving a unique picture of current and future trends in Israeli politics focusing on the movement of the Israeli body politic to the right of center and the growing hold of Likud They define future prospects taking into account foreign policy economic and demographic issues Academics policymakers and journalists will find this volume indispensable to understanding the critical role that Israel will play in the Middle East in the next decade and how

domestic politics in Israel will define that role This survey of political developments by eleven authorities is based on a study of the latest events on long reflection and on two conferences that brought together sixty of the most knowledgeable experts on the Middle East today drawn from the academic world and from various U S government departments and agencies This analysis of political trends assesses Likud s centrality in the governmental system the role of religious and settler movements the linkage of domestic politics to the question of Arab Israeli peace and the future of the West Bank and the Gaza Strip and demographic attitudinal and other factors that affect political leadership and decisionmaking The influx of Jewish immigration to Israel from the Soviet Union is viewed in terms of future implications as well A detailed bibliography is provided
