Economic Development Of China

Victor D. Lippit

Economic Development Of China:

China's Economic Development Chu-yuan Cheng, 2019-03-13 How has the government of the PRC transformed traditional economic institutions into a socialist central planning system What has been the impact of this transformation on China's economic growth What is the essence of the Chinese development model and how successfully has it functioned during the past three decades What are the prospects for t

The Economic Development of China Ryoshin Minami, trans Wenran Jiang, 2016-07-27 This book identifies that problems that China must face to develop its economy and elucidates the structural deficiencies which lay behind these problems Chinese economy compared with other economies in the world The book also analyzes China's present economic situation and where possible provides prescriptions for solving its problems by comparing it with the Japanese development experience

China's Economic Development Ming Lu, Zhao Chen, Yongqin Wang, Yan Zhang, Yuan Zhang, Changyuan Luo, 2013-01-01 Written by distinguished Chinese academics this book provides a unique and rare insight into the development of the modern Chinese economy The authors identify three major factors in the growth of the Chinese economy economic decentralization and political centralization the urban rural divide and relational society These are explored in depth via analyses of factors including urban and rural economic development and their political and social foundations industrial agglomeration transitions of public services and governmental responsibilities towards them and developmental imbalances and mechanisms It is illustrated that whilst contemporary China has obviously made great economic strides a wide variety of problems are accumulating over time The book concludes that following three decades of high economic growth China now faces great challenges for sustainable growth and the institutions of China's economy have reached a critical point Strategies for dealing with these challenges and requirements for the successful future development of China are thus prescribed This fascinating book will provide a stimulating read for scholars students and researchers in the fields of Asian studies economics and development

The Economic Development of China Victor D. Lippit, 2018-10-26 This book first published in 1987 studies the forces promoting underdevelopment in China prior to 1949 and the character of the development that has occurred since then It presents a unified perspective for grasping the development process as a whole for relating this to the class structure of China and for considering development in the context of Chinese efforts to carry out a transition to socialism

China's Economic Reform and Development during the 13th Five-Year Plan Period Gang Lin, Yiming Wang, Xiaohe Ma, Debu Gao, 2020-09-23 Five Year Plans have been a cornerstone of Chinese social and economic development initiatives since 1953 During the thirteenth of these periods between 2016 and 2020 the global economy has experienced instability after the financial crisis as well as political and economic reconfiguration Drawing on modern economic theory this book comprehensively discusses China's economic development in this crucial phase The book analyzes the international economic environment and asks how China's continued reform and opening up can fit with the new era of economic globalization It also presents the difficulties China faces in such

fields as urbanization the coordination of regional development and urban rural integration economic reform and the reform of factor markets and state owned enterprises The book outlines many medium term development rules along with key characteristics of China s economy helping international readers fully understand likely future trajectories for the Chinese economy

Economic Development in the Context of China C. Tisdell,1992-12-09 The author takes a fresh look at China s economic policies development strategies and economic experiences since 1978 General economic principles and analysis are applied in a comparative framework which provides useful insights for assessing China s economic strategies and its implication for other developing countries Among the topics discussed are market reforms new technology and technology transfer foreign direct investment regional development poverty and income inequality agricultural development industrial development enterprise management the tourism industry population policies and international issues raised by China s economic development

A New Economic Growth Engine for China Wing Thy Woo,2012 This volume is a report by leading international economic experts on China s economic priorities in the coming years From various aspects of the domestic and foreign situation China has now reached a critical juncture in its economic development Unless China is able to overcome the difficulties in undertaking further reforms in the next ten years China would be caught in the middle income trap and be unable to become a modern country The future course of China s economic development is also of great concern to the rest of the world because the socio political economic conditions in China will have significant impact on global economic prosperity and on global political harmony The book is a product of close collaboration between the School of Economics at Fudan University and the Earth Institute at Columbia University They cover a new paradigm for growth short term demand management institutional reforms for middle term growth and strengthening the fundamentals for long term growth

Macro-control and Economic Development in China Jiagui Chen,2016-09-01 This book together with *Economic Development and Reform Deepening in China* is a collection of papers written in recent years about maintaining economic growth managing inflation the relationship between growth and structural adjustment control of price growth maintaining stable economic development and other relevant aspects of macro control economic development and deepening reform Chinese government adopts many of the recommendations put forward by the book

Seeking Changes Yanhui Zhou,2016-01-12 This book is a collection of research papers by foreign scholars on the economic development of China and provides readers with insights into China s reforms of its economic system The topics covered include the road of China s economic development the mode of the country s economic growth the issue of poverty and environmental and food supply safety The book also analyzes the problems that China is facing currently and will possibly encounter in the future with suggestions on how China could continue on a healthy track of sustainable economic development and growth

China's Economic Rise and Its Global Impact Ken Moak,Miles W.N. Lee,2016-04-08 Through a thorough analysis of China s recent history and economic development process the authors of this book seek to explain the causes of China s economic

rise and its impact on the rest of the world *China's Economic Development Strategies: Transformation And Innovation* Rui Liu, 2020-04-28 China is a powerful engine of the global economy and the country's rise is undoubtedly the outcome of its protracted campaign of designing and implementing national development strategies since the founding of the People's Republic of China in 1949 This book reviews the transformation and innovation of China's economic development strategies especially Deng Xiaoping's Three Step strategy and Xi Jinping's internal and external strategies By introducing the concept of strategic paradigm it analyzes the theoretical basis of myriads of economic development strategies and predicts China's choice With the evolutionary process and the outstanding problems in national development planning as the main thread it discusses the improvement of the national planning system specifically of the national overall planning system the regional planning system the interplay and conflict between regional planning It also studies the reform of city county planning system major function oriented zones MFOZs and planning legislation and institutionalization It also attempts to put forward proposals to coordinate the interests of planning departments and make different types of planning at different administrative levels compatible China's Economic Development and Democratization Yanlai Wang, 2017-03-02 China's Economic Development and Democratization examines China's transformation from an institutional perspective It proposes an analytical framework comprising six macro institutional environments international ideological political economic constitutional and civil social to analyze the Chinese transition Through an institutional analysis of the ruling elite's policy institutionalization it tries to answer three main questions Will China's economic reforms lead to a meaningful political reform Will economic freedom lead to political freedom Will economic development lead to political democratization The major findings from the institutional analysis of the dynamic interactions between political actors and institutions suggest that China is moving closer towards democracy Students and scholars who are studying or conducting researches on the Chinese economy society or politics will find this book of particular interest **China's Economic Development** Cai Fang, 2022-10-20 Cai Fang is one of China's most distinguished economists This book elucidates the worldwide significance of China's economic development over the past 70 years from the perspectives of economic history and growth theory The Chinese economy has undergone an unprecedented period of growth and development since the reform and opening up in the late 1970s a process which the hallmarks of neoclassic economic theory have often proved inadequate to explain Examining the Chinese economy in the light of Chinese history and the development of the world economy as a whole the book charts the milestones and critical reforms of China's economic development providing insights into unique attributes as well as more generic patterns The discussion covers multiple hot topics in the field including the so called Great Divergence dual sector economic development real world experience of the reform and opening up rural reform urbanization economic reform poverty reduction the latter day slowdown of China's economic growth and China's role in and response to globalization global supply domination and other headwinds The book will be a must read for students scholars and general

readers interested in the Chinese economy economic development political economy and development economics

China's Economic Growth: Towards Sustainable Economic Development and Social Justice John

Joshua, 2016-12-02 This two volume book addresses the economic transformation occurring in China at present The author investigates China's domestic and international policies the impact of these policies on economic growth and their effect on the quality of life for the people of China In the first volume the author distinguishes between economic growth and sustainable economic development and discusses China's current and past economic policies towards growth Chapters also explore the structural transformation of China's economy and its increasingly consumer oriented nature The second volume looks more specifically at the result of domestic policies on the quality of life for people living in China The author examines the distribution of income the alleviation of poverty the Chinese education system and the environmental cost of economic growth These volumes will be of particular interest to researchers and scholars concerned with China's emerging economic power

Economic Development in Modern China Since 1949 Guan Quan, 2023-07-31 As the second volume of a two volume set on the Chinese economic history this book investigates Chinese economic development since 1949 uncovering the momentum unique models and general laws of economy in China From the perspective of development economics the two volume set studies the economic history and development of China since 1912 with a focus on the quantitative analysis of economic activities This volume describes the historical process and characteristics of the economy since 1949 then looks into the momentum and inner logic that underpin the economic development The former part covers issues of agriculture industry population and labor force urbanization and mobility income distribution and poverty and price changes The latter part includes analyses on the capital formation human resources technological progress institutions macro policies international trade and direct investment This title will interest scholars and students working on Chinese economic history the Chinese economy and modern Chinese society

Chinese Economic Development Yinxing Hong, Ninghua Sun, 2021-07-08 The book provides a meticulous analysis of economic development and concomitant problems in China since the late 1970s and advances suggestions on further economic modernisation and transition from both theoretical and practical angles Based on theories from development economics and solid empirical studies the authors two renowned Chinese economists provide a perceptive analysis of the Chinese development model in the post Mao era They shed light on questions that have perplexed many How can China sustain the rapid growth of the past 40 years Is there a unique China path to economic progress They argue compellingly that China's development model has to switch from a manufacturing driven one to a brand new approach centring on scientific and technical innovation and the integration of its existing economic structure into an increasingly complex global economy Such transformation will help overcome the middle income trap while addressing other institutional and economic challenges The book will appeal to students scholars and policymakers interested in the Chinese and global economies as well as transnational studies in the post COVID 19 world

General readers willing to obtain a grasp of Chinese economic development from the insider's perspective will also find it useful

Economic Development and Reform Deepening in China Jiagui Chen, 2016-09-13 This book together with Macro control and Economic Development in China is a collection of papers written in recent years about maintaining economic growth managing inflation the relationship between growth and structural adjustment control of price growth maintaining stable economic development and other relevant aspects of macro control economic development and deepening reform Chinese government adopts many of the recommendations put forward by the book

Thoughts on Economic Development in China Ma Ying, Ying Ma, Hans-Michael Trautwein, 2013 This book is about mutual influences of thinking about economic development in China and in the West from the 18th century until the present Its chapters are contributed by development economists and historians of thought from China and other parts of the world The book describes important stages in the evolution cross fertilization and contextual modification of ideas about economic order development and institutional change It illustrates how Western concepts and theories have been adopted and adapted to Chinese conditions in different waves of modernization from the late 19th century until the present and that this was and is no one way traffic The book describes how pre classical thinking in the West in particular French Physiocracy in mid 18th century was influenced by China as an ideal and a source of ideas at a time when China was the largest and most advanced economy in the world It discusses to what extent concepts of Western style economics in particular in the fields of development economics and institutional economics can be used to understand the rapid transitions and developments of the Chinese economy in recent decades and to what extent they might need to be modified in the light of new experiences and insights Against this background several contributions to the volume provide assessments of the current state of economic science and teaching in China in particular with regard to Chinese views on Western economics The book should be of interest to those who are interested in economic development and the history of economics in China

Demystifying China's Economy Development Fang Cai, 2015-06-02 This book explains why China's opening up policy can boost the rapid growth of its economy Based on concrete facts and economic logic it offers a brief introduction to the history of China's successful development which has unprecedentedly helped improve people's lives and community welfare over the past 30 years In light of the newly emerging problems the author assesses the different stages of China's economic development and new challenges illustrating how the country's sustainable growth could be achieved through further reforms so as to complete the transition from a middle income to high income country He moves on to discuss the lessons learned from China's experiences and summarizes their significance for other developing countries while also clarifying popular misconceptions such as the China Menace and Theory of China's Collapse Taking the logic of economic development as a basis and employing economic norm analysis methods the book describes China's economic miracle in plain but vivid language and attempts to enrich the economic development theory through China's experience

Sustaining China's Economic Growth in the Twenty-first Century

Economic Development Of China Introduction

In the digital age, access to information has become easier than ever before. The ability to download Economic Development Of China has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Economic Development Of China has opened up a world of possibilities. Downloading Economic Development Of China provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Economic Development Of China has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Economic Development Of China. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Economic Development Of China. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Economic Development Of China, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Economic Development Of China has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available

and embark on a journey of continuous learning and intellectual growth.
