Hayburner A Gail McCarthy Mystery:

Hayburner Laura Crum, 2003-02-14 Nothing calls more urgently for a vet than a burning barn full of penned animals Gail McCarthy has to push her way through the crowd around the Bishops barn repeating I m a veterinarian She s doing triage in her head which one is the most seriously hurt which one can wait until later It s later when all that she can do for the animals and their owners has been done that she begins to wonder how the fire started It s not unusual for improperly baled hay to cause a barn fire if it s baled too wet the interior begins to get hotter and hotter and the hay could catch fire But as one barn after another suffers a burn what started as a suspicion becomes a certainty the fires are being set Why By whom The owners of the first barn to be burned could be responsible but that implies insurance to be collected and they were underinsured A fellow vet who insists horses always be kept outdoors rather than in barns is open to suspicion because of his fanaticism The junior vet in Gail s practice is behaving very strangely while their boss is out of town Gail s own life keeps her busy a new tenant and very new lover lessons in breaking her new colt seeing twice as many ailing horses to cover for her boss s absence But the barn burnings continue and Gail cannot walk away from the task of finding and stopping whoever is behind them even though it could land her in the same peril as her animal charges

Chasing Cans Laura Crum, 2010-09-10 HORSE WRECK OR WAS IT MURDER Chasing Cans is rodeo slang for barrel racing a competition that can bring its winners fame and big bucks To Gail McCarthy a horse vet turned stay at home mom chasing cans also stands for the ambitious pursuit of empty career goals at the expense of personal and family tranquility While Gail is wrestling with this question in her own life she witnesses a mystifying riding accident that kills a neighbor a barrel racing trainer Then a mysterious series of seeming accidents occurs at the training establishment and Gail s detective friend Jeri asks for her help in understanding the people and activities involved The two women struggle to put the pieces of a puzzle together before someone else dies and for her trouble Gail nearly becomes the next victim Her horsemanship skills save her in a climax that pits her in a race against a desperate villain with a definite reason to want her silenced forever The tenth book in the beloved series about Gail

McCarthy is also a portrait of a woman making the challenging transition from her full time career as a horse vet to full time mother in a graceful and positive yet realistic way **Going, Gone** Laura Crum, 2010-04-28 Horse vet Gail McCarthy s life turns stranger than fiction when her old boyfriend Lonny Peterson is arrested for murder by none other than Gail s childhood friend Bret Boncantini now a sheriff s deputy in a Sierra foothills town Lonny is accused of the murder of two local livestock auctioneers one his girlfriend and the other her brother Both Gail and Bret are sure of Lonny s innocence and decide to investigate As they begin to turn up evidence and two more murders occur the trail leads to Gail s home on the Central California coast And as Gail closes in on the answer the ruthless murderer may decide she needs to be eliminated too **Going Gone** features all the elements that Laura Crum is known for fine writing about beautiful landscapes and authentic horse lore as well as an exciting mystery **Moonblind** Laura Crum, 2010-04-28 In this ninth book in the Gail McCarthy series about

the Santa Cruz vet Gail is pregnant and taking a leave of absence from her work as a horse vet Despite her intention to rest and prepare for her baby she is drawn into the odd situation surrounding her cousin Jenny who claims she is being stalked Jenny hints at nefarious dealings in her past as a racehorse trainer and accidents seem to happen with astonishing frequency at her thoroughbred farm As Jenny s only relative and friend Gail wants to support her cousin but can t sort out truth from fiction as she tries to discover who the stalker and eventual killer might be Jenny s ex husband her former lover his wife or an unscrupulous player on the racetrack scene As the accidents become more serious Gail s concern becomes desperate and personal leading her to a dark confrontation where she must use all her wits to survive With much accurate detail about horses this is a winning combination of a truly gripping story and a big life change for the popular protagonist Moonblind opens a reader s eyes Sometimes a mystery novel is more than simply Whodunit in Laura Crum s latest the Why of the act is equally compelling and the story s Where becomes more of a character than merely its setting Laurie R King author of Locked Rooms Crum s writing is lyrical her plotting is fresh and her characters come to life on the page I ll saddle up and ride along with Gail McCarthy any time Laurien Berenson author of Raining Cats and Dogs **Barnstorming** Laura Crum,2012-03-12 There are human predators in the hills Can Gail McCarthy discover who they are before she becomes the next victim Gail McCarthy has turned 50 and is considering resuming her career as a horse veterinarian Life interrupts her plans when she embarks on a solitary ride and finds a fellow equestrian shot dead Gail s friend Detective Jeri Ward heads up the investigation and Gail is drawn into the escalating chain of events when a second rider is murdered She must make sense of this threat to her beloved hills and trails or she may be the sniper s next victim If you haven t discovered Laura Crum yet please jump at any chance to catch up on the series The Gail McCarthy books are among my very favorite contemporary mysteries and Crum is for my money the successor to mystery giant Dick Francis Ron Miller Mystery A Celebration

Mystery Women, Volume Three (Revised) Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of
