Going the Distance Julianna Keyes, 2015-01-27 Olivia Clarke's fall from pretty perfect and popular happened in an instant. With her life in tatters, she impulsively accepts a teaching job in the small city of Lazhou, China. Three months in, she's ready to admit she made a huge mistake. She doesn't speak Mandarin; the teachers at her school refuse to include her in anything, and she spends her nights watching counterfeit DVDs in her twin bed. Alone. Jarek McLean is a loner. He's not looking for friends, and he's definitely not looking for love. The former army interrogator now works as a carpenter for a small construction company rebuilding a travel office in Lazhou. When he meets Olivia, he knows immediately she's too wholesome to be his type, but when he discovers the pretty kindergarten teacher is hiding a secret, his inquisitive side rears its nosy head and demands answers. Olivia isn't interested in a one-sided interrogation and makes her position clear: if Jarek wants to ask questions, he'll have to answer some too. Jarek's never let anyone in, not into his apartment, not into his life, certainly not into his heart. But the closer he gets to Olivia, the more he falls for her, and suddenly the man who doesn't do relationships finds himself in a most unexpected one. When he reluctantly admits that this could be love, he's faced with the most terrifying question of all: What the hell does he do now?

They Didn't Listen, They Didn't Know How Olwen Davies, 2013-09 They say don't judge a book by its cover, but it's human nature to instinctively do it. On this cover, I've placed a framed picture of my husband as he was in life, with the words "They didn't listen, they didn't know how" indicating from where he is, right now, he can see a bigger picture. I say framed because there is evidence indicating he was a diabetic, but in fact, he was suffering from something else. The back cover has a selection of photographs of him enjoying life against a background of honeycomb, with the inscription: "Life became too sweet for me. I invite you to read on with an open mind."
