

A person wearing a blue robe is shown from the chest up, looking upwards with their hands raised. They are in a dark, cavernous space with warm, orange and red lighting. The background features large, smooth rock formations. A semi-transparent black box with white text is centered over the image.

God's purpose for man is

Shakespeare through Letters David M. Bergeron,2020-10-14 In Shakespeare through Letters David M Bergeron
 analyzes the letters found within Shakespeare s comedies histories and tragedies arguing that the letters offer the principal
 intertextual element in the plays as text in their own right Bergeron posits that Shakespeare s theater itself exists at the

intersection of oral and textual culture which the letters also exhibit as they represent writing reading and interpretation in a way that audiences would be familiar with in contrast with the illustrious culture of kings queens and warriors This book demonstrates that the letters profound or perfunctory constitute texts that warrant interpretation even as they remain material stage props impacting narrative development revealing character and enhancing the play s tone Scholars of literature theater and history will find this book particularly useful
