Head Hunting In The Soloman Islands:

Headhunting In The Solomon Islands: Around The Coral Sea Caroline Mytinger, 2016-01-18 More than 80 years ago Caroline Mytinger a portrait artist and her childhood friend Margaret Warner set out by freighter from San Francisco with little more than 400 in their pocket and a tin of paints to their name Their objective was to paint portraits of the tribal people of Papua New Guinea and the Solomon Islands before the encroachment of modern European style culture changed their lives forever This gripping book tells of the two women s experiences whilst travelling through Melanesia between 1926 and 1930 *Headhunting in the Solomon Islands, Around the Coral Sea. Illustrated* ,1942 The Suppression of Head-hunting in the Western Solomon Islands James A. Boutilier, 1973

Headhunting in the Solomon Islands Around the Corl Sea Caroline Mytinger, 1942 **The Solomon Islands and Their Natives** Henry Brougham Guppy, 1887 **Wealth of the Solomons** Judith A. Bennett, 1987-05-01 Du site de l d The history of the Solomon Islands is in itself an intriguing story and Dr Bennett tells it more than well The depth and breadth of the work is impressive in at least two respects First it covers events in the Solomons from initial European contact in the middle 1500s to the country s emergence as an independent and sovereign state in 1978 Second all facets of colonial history are covered to name only a few the early contact period the whaling trade the development of plantations the nature of British colonial rule and missionization Considering the scope of this volume it represents a definitive history of the Solomon Islands and it will remain so for many years to come

Headhunting and the Body in Iron Age Europe Ian Armit, 2012-03-19 Across Iron Age Europe the human head carried symbolic associations with power fertility status gender and more Evidence for the removal curation and display of heads ranges from classical literary references to iconography and skeletal remains Traditionally this material has been associated with a Europe wide head cult and used to support the idea of a unified Celtic culture in prehistory This book demonstrates instead how headhunting and head veneration were practised across a range of diverse and fragmented Iron Age societies Using case studies from France Britain and elsewhere it explores the complex and subtle relationships between power religion warfare and violence in Iron Age Europe **Headhunting and Colonialism** R. Roque, 2010-01-22 An exploration of headhunting and the collection of heads for European museums in the context of colonial wars from the 1870s to the 1930s The book offers a new understanding of the mutually dependent interaction between indigenous peoples and colonial powers and how collected remains became regarded as objects of wider significance Head-hunting and Santa Ysabel, Solomon Islands, 1568-1901 K. B. Jackson, 1972 *The Pacific Islands* Moshe Rapaport, 1999 Forty five contributors offer information on the physical environment history culture population economy and living environment of the Pacific islands **Essays on Head Hunting in the Western Solomon Islands** Shankar Aswani, 2000 *The White Headhunter* Nigel Randell, 2013-08-22 Shanghaied in San Francisco in 1868 teenage Scots sailor Jack Renton then found himself on a voyage into the heart of darkness Escaping from his floating prison in an open whaleboat Renton drifted for 2000 miles only

to be washed up on the shores of a Pacific island shunned by 19th century mariners Malaita in the Solomon Islands There he was stripped of his clothes by headhunters and forced to go native to survive Initially a slave to their chief Kabou he eventually became the man s most trusted warrior and adviser Renton s own account of his eight year exile published after he was rescued remains the only authenticated account of a mental and physical ordeal that still haunts the imagination to this day It caused a sensation at the time though it is now clear that it airbrushed out most of the key events Researching the Renton legend Nigel Randell spent several years talking to the Malaitans and piecing together a very different account from Renton s sanitised version The ultimate irony is that a man so keen to conceal his crimes should have bequeathed their evidence a necklace of 60 human teeth to a collector who donated it to a national museum

Politics and State Building in Solomon Islands Sinclair Dinnen, Stewart Firth, 2008-05-01 **Politics and State Building in Solomon Islands** examines a crisis moment in recent Solomon Islands history Contributors examine what happened when unrest engulfed the capital of the small Melanesian country in the aftermath of the 2006 national elections and consider what these events show about the Solomon Islands political system the influence of Asian interests in business and politics and why the crisis is best understood in the context of the country s volatile blend of traditional and modern politics Until the disturbances of April 2006 and subsequent deterioration in bilateral relations between Australia and Solomon Islands under the Sogavare government experts had hailed the Regional Assistance Mission to Solomon Islands RAMSI as an unqualified success Some saw it as a model for cooperative intervention in failing states worldwide Following these developments success seems less certain and aspects of the RAMSI model appear flawed Using the case of Solomon Islands this book raises fundamental questions about the nature of cooperative intervention as a vehicle for state building asking whether it should be construed as a mainly technical endeavour or whether it is unavoidably a political undertaking with political consequences Providing a critical but balanced analysis **Politics and State Building in Solomon Islands** has important implications for the wider debate about international state building interventions in failed and failing states

Special Issue: Essays on Head-hunting in the Western Solomon Islands Shankar Aswani, 2000 **Melanesians and Missionaries** Darrell L. Whiteman, 2002-05-10 In **Melanesians and Missionaries** one of the best of the younger generation of missionary anthropologists demonstrates that a commitment to the missionary enterprise on the part of a solid scholar facilitates rather than hinders the anthropological study of a missionary topic This is better anthropology because Dr Whiteman is able to probe more deeply into his topic and demonstrates that he understands and appreciates both Melanesians and missionaries Charles H Kraft Professor of Anthropology School of World Mission Fuller Theological Seminary Pasadena *Solomon Islands Politics* Peter Larmour, 1983 **The History of Melanesian Society** William Halse Rivers Rivers, 1968 **The History of Melanesian Society** William Halse Rivers Rivers, 1914 **Jack London's Tales of Cannibals and Headhunters** Jack London, 2006 Jack London s **Tales of Cannibals and Headhunters** is set in the romantic and dangerous South Seas and illustrated with the

original artwork and several maps **Archaeology of Oceania** Ian Lilley, 2008-04-15 This book is a state of the art introduction to the archaeology of Oceania covering both Australia and the Pacific Islands The first text to provide integrated treatment of the archaeologies of Australia and the Pacific Islands Enables readers to form a coherent overview of cultural developments across the region as a whole Brings together contributions from some of the region s leading scholars Focuses on new discoveries conceptual innovations and postcolonial realpolitik Challenges conventional thinking on major regional and global issues in archaeology
