Being a teenager is a stressful and troubling time for many parents because they cannot get through to their child, and their child usually takes a path down the wrong lane of self-destruction. I too was one of those teenagers who had a troubled teenage life, and I was fortunate to turn it all around in a positive way. For every success story, there are thousands of parents who have horror stories of what they have been through.

with their teenage child This handbook will assist you in getting through to your child and understanding them in a better way so that you do not make the same mistakes that most parents make when they attempt to deal with their troubled teen
