Healing Anxiety And Depression The Revolutionary Brain Based Program That Allows You To See:

Motivating Marvin Steven Gray, 2004 *Motivating Marvin* is all about helping your youngster succeed in school. So many students today fail to achieve their best within the academic setting. In fact, you might say that we are in the middle of an educational underachievement epidemic. These young persons have the potential to do well, are academically capable, but time after time they fail to do so. Why? And what can we do? *Motivating Marvin* is designed for parents and teachers who have these underachievers in their homes or classrooms. Dr. Gray describes some of the most common pitfalls that play into academic underachievement and then offers parents proven strategies which can help motivate students to do their best in school. Dr. Gray covers everything from neuropsychologic factors to motivational carrots, personality, temperament, to parenting practices. He helps parents understand the dynamics being played out in their homes and equips them to assist youth in an academic dialogue with the reader, emphasizing practical solutions.

Healing the Addicted Brain Harold Urschel, 2009-04-01 New York Times Bestseller. New scientifically based approaches that recognize the biological basis of addiction have brought major advances in the treatment of addiction. Dr. Urschel is at the forefront of this treatment paradigm. Dr. Larry Hanselka, Psychologist, *The Proven Scientific Approach to Conquering Addiction and Defeating the Disease: Healing the Addicted Brain* is a breakthrough work that focuses on treating drug and alcohol addiction as a biological disease based on the Recovery Science program that has helped thousands of patients defeat their addictions over the past 10 years. It combines the best behavioral addiction treatments with the latest scientific research into brain functions, providing tools and strategies designed to overcome the biological factors that cause addictive behavior along with proven treatments and medications. Using this scientific approach, you will learn to conquer the physical factors that keep people tied to drug and alcohol addiction. The proven fact is addiction is not a moral failing or an issue of not having enough willpower. It is a disease of the brain that can and must be treated like other chronic medical illnesses such as diabetes, hypertension, or asthma in order to defeat the disease. This revolutionary program can triple the success rate of patients from 20-30% to 90%. There is hope. By understanding addiction and using 21st century breakthroughs, for the first time, drug and alcohol addiction can be and will be defeated.
