My Journey. My Story. Wendy Blaskovic, 2024-03-06 In today's world we are constantly juggling expectations and trying to manage the many pressures we feel around us We all have issues struggles and habits that we feel guilt or shame about We all have beliefs and expectations of ourselves and life that hold us back Society is also always pressuring us to look a certain way live a certain way and project happiness and joy through it all Essentially we are surrounded by expectation which can make just being alive a complex exhausting and daunting task For many of us we are following a path that doesn't quite fit right What if you could live every day feeling like you are exactly where you should be What does being authentic mean look and feel like to you What would it take for you to unravel yourself and discover who you really are It is this search for authentic living that so many of us seek but have trouble achieving Wendy Blaskovic struggled with the same thing She felt a separation between who she truly was and what she was being doing on the outside That disconnection manifested in many challenges along the way an eating disorder the abuse of drugs and alcohol self imposed isolation overworking The feeling of living the wrong life was what pushed her to discover who she truly was As a life long learner and educator herself Wendy only truly unravelled from an unsatisfying life while she was writing her master's thesis on the connection between living being and teaching authentically My Journey My Story is a rather unique approach to self discovery In this book she shares her thesis her journey to healing so that others may find the kernel within to nurture their own true selves Though self discovery is a solitary process this book helps to reassure you that you are not alone
