Douglas Sean O'Donnell,2021-08-26 The concept of faith holds a central position in New Testament and early Christian thought yet this concept has not received the careful attention it deserves in the Synoptic Gospels The present study offers a comprehensive analysis of faith as a key motif in the Gospel of Matthew where it plays a major role in communicating this Gospel s vision for how readers should respond to the person and message of Jesus The argument propounded is that Matthew s unique narrative portrayal of the Canaanite woman s faith 15 21 28 is used for pedagogical purposes namely that by comparing and contrasting her great faith with those characters expressing no faith and little faith Matthew uses Jesus s quantitative terms to teach on the nature of true faith She embodies Matthew s theological vision of

faith Even though she is a gentile outsider enemy she comprehends the universal scope and abundant blessings of Jesus s mission Moreover she acknowledges Jesus s messianic identity correctly perceiving him to be both David s royal heir and David s Lord Finally based on who she perceives Jesus to be and the purpose of his mission she demonstrates faith as trust manifested in action *An American Dictionary of the English Language* Noah Webster,1849 *Leaves of Healing* ,1924
