in Print, 1996 **A Long Walk, a Gradual Ascent** Nancy J. Thomas, 2019-12-05 *A Long Walk a Gradual Ascent* tells the one hundred year story of the development of the Friends Church INELA among the Aymara peoples of the Bolivian Andes. It stretches from the beginnings of the INELA on the shores of Lake Titicaca around 1915 until the present time 2017 along with the story of the Oregon Friends Mission that accompanied the church for seventy two years. Today the INELA spreads over fifteen districts with some two hundred congregations. The church is still predominately Aymara. The book considers the influence of history and culture on each phase of the church's development, exploring the complexity of planting a peace church such as the Quakers in a setting of so much conflict. The book also explores the missiological significance of the changing relationship between church and mission and wrestles with denominational emphases and how they impacted the expression of an indigenous Aymara church. **The Homiletic Review**, 1910 *Preacher and Homiletic Monthly*, 1910

Metropolitan Pulpit and Homiletic Monthly, 1910 **Homiletic Review**, 1910 **The Other Face of the Cross** Alan Bradley, 2024-11-14 *The Other Face of the Cross: The Forbidden Testament of Death on Calvary* by Barnabas. *The Other Face of the Cross* unveils a forbidden gospel that history tried in vain to keep buried. Based on the Apocryphal Testament known as the Gospel of Barnabas, this hidden gospel confronts one of the most controversial mysteries of early Christianity: the suggestion that it was Judas and not Jesus who was crucified. For centuries, this apocryphal Barnabas text was silenced, hidden among secret manuscripts, feared for the way it challenges the foundation of Christian faith. In this daring exploration, Alan Bradley delves into the lost gospels, revealing Barnabas's forbidden witness of a divine exchange on the cross. This ancient testament of a Christ follower describes how Judas Iscariot, betrayer and symbol of guilt, may have been sacrificed in place of Jesus, spared from the crucifixion. Locked away and suppressed for ages by those who sensed its disruptive power, the Gospel of Barnabas offers an alternative gospel that questions the divinity of Christ. As part of the biblical apocrypha, this apocryphal crucifixion account stirs up Christian controversies and reveals the shadowy side of apostle narratives often left out of mainstream accounts. A journey into ancient revelations and New Testament secrets, *The Other Face of the Cross* connects readers with the historical documents of early Christianity, unearthing hidden teachings and faith mysteries from an era when beliefs were fiercely contested. With ties to gnostic texts and other historical Christian texts, Bradley's account

invites the reader into a landscape of forbidden writings and spiritual teachings where divine prophecy spiritual formation and historical gospels converge Here between myth and lost truth the echoes of a religious mystery call daring readers to question the early church and the alternative gospel it sought to conceal *Star of the West* ,1928 **Christian Science Sentinel** ,1899
