Natural Healing as Conflict Resolution

Nicholson, Rebecca, 2020-10-16 Traditional methods for addressing conflict and healing have been largely replaced in elite settings by modern approaches Rather than old and new complementing one another bias is present New is widely perceived as better among elite institutions even when research indicates otherwise Within the realm of international development the need for cost effective sustainable and successful methods of healing must be explored Natural Healing as Conflict Resolution is an essential reference book that examines and addresses systemic bias towards natural healing methods and explores the mutually beneficial relationships of natural healing through human and non human life forms in the context of resolving conflict It illustrates not only the more obvious biological physiological benefits of complementary approaches but also the spiritual emotional and psychological benefits of integrating natural means of healing to resolve conflict As such the book acknowledges the effectiveness and articulates the benefits of traditional indigenous healing methods and how they can be used in complementary mutually beneficial ways with modern practices Highlighting emerging topics that include ecopsychology parapsychology and holistic medicine this book is ideal for conflict resolution practitioners psychologists

R. Sutter,2006-03 Terminally ill Disease isn't something you get Health is something you lose It seems almost absurd in its simplicity You were healthy once What happened Where do these diseases come from Are they just floating around in the ether somewhere randomly falling on an unsuspecting victim And there's so many of them now Fifty years ago Cancer was at one in two thousand Today it's one in three Back in 1971 President Nixon declared war on cancer Looks like the war on cancer went the same way as the war in Vietnam We lost Why I am Dr Kenneth R Sutter II I am a Chiropractor I am also a Vietnam Veteran I am also a liver cancer survivor And I'm here to tell you that all is not lost Yes the medical profession has lost the war on cancer They have officially been trying to cure it now for 35 years Not only haven't they cured it the incidence of cancer has skyrocketed I'd say that more than qualifies as a failed treatment regime Within this book you will discover why the medical profession failed and also why the Natural Healing profession succeeds in getting sick people well As you can see it's not a very big book The principles are simple and more importantly they work Get a good understanding of these principles apply them and see what happens I'm still here K R Sutter II DC Chiropractor Vietnam Veteran **Equine Lore Healthy Horses Holistically** Hetty Tapper,2014-04 The main purpose of this book is to show how we can all learn to help and heal our horses The aim is to bring healing back to where healing belongs with everybody Understanding behaviour and communication is important as they are expressions of energy and are crucial to learning to understand others In this book you will discover natural gentle and supportive therapies that work in harmony with the healing system to help restore and maintain health Healing will occur when we work with not against the forces of nature that exist within the body Animals are our teachers and very often they lead us on a path of discovery that we would not have embarked on without them in our lives This book will help our descendants and their horses towards a better understanding and a greater mutual respect between the species Take responsibility for your horse's health and wellbeing You will find that they will not only feel and look better they will achieve much more and avoid disease and ailments caused by lifestyle and bad diets Give your horses the happy healthy and
