McClure, 2007-01-02 John McClure s Preaching Words highlights the most important ideas in homiletics and preaching offering short explanations of these ideas what scholars of preaching are saying about them and how they can help in today s preaching Topics range from elements of the sermon introduction body and conclusion to aspects of delivery types of preaching in different Christian traditions and theories of preaching *The New Interpreter's® Handbook of Preaching* ,2010-11-01 The New Interpreter s Handbook of Preaching is a major reference tool for preaching with articles on every facet of Christian sermon preparation and delivery This resource is both scholarly and practical It focuses on the most distinctive feature and greatest strength of homiletics as a discipline It is rooted in interdisciplinary scholarship and it develops theory geared to practice Its theory arises out of the study of both excellent preaching past and present and actual sermon preparation and composition When theory and practice critique each other it is possible to produce guidelines that assist greater excellence and economy in preaching the gospel Excellence in standards is an area in which homiletics needs to grow and this project will be both a means to encourage and develop it A guiding question throughout will be Will it preach The answers will be offered in the sense that here is something that works well rather than here is something to try Preachers will turn to this resource with the expectation that they will find scholarly treatment of topics brief bibliographies of relevant key books and articles along with practical methodological suggestions for preachers to employ The contributors are homileticians preachers and writers in various disciplines who are committed to the pulpit through practice Strangers and Pilgrims on Earth Paul van Geest, Eduardus van der Borcht, 2011-11-25 The title Strangers and Pilgrims on Earth Hebrews 11 13 captures well the eschatological nature of the christology which has become so central in the theological enterprise of Prof dr Abraham van de Beek At the occasion of his sixty fifth birthday in October 2011 many of his former colleagues and students honour him in this Festschrift with a contribution to one of the themes that have been central to his theology christology theology of Israel eschatology theology of the church creation theology and freedom of religion The volume opens with an article providing an overview of his theological development one probing his deepest theological intentions and with an up to date bibliography Contributors include Martien Brinkman Johan Buitendag Jaesung Cha Pieter Coertzen Ernst Conradie Gerrit de Kruijf Bert de Leede Adelbert Denaux Gerard den Hertog Rene de Reuver Henk de Roest Andre Drost Szilveszter F sti Moln r Harm Goris Botond Gudor John Hesselink Jan Hoek Gerrit Immink Allan Janssen Tam s Juh sz Nico Koopman Daniel Migliore ChristIan Mostert Istv n P sztori Kup n Christoff Pauw Arjan Plaisier Ad Prosman Bernhard Reitsma Riemer Roukema Frank Sawyer Alan Sell Matthias Smalbrugge Gerrit Singgih Dirkie Smit Adrianus Cardinal Simonis Ferenc Sz cs Eep Talstra Wessel ten Boom Johann Theron Jacob van Beelen Henk van den Belt Gijsbert van den Brink Leon van den Broeke Eduardus Van der Borcht Kees van der Kooi Paul van Geest Sjaak van t Kruis Willem van Vlastuin Amie van Wyk Danie Veldsman Rian Venter Wim

Verboom Koos Vorster Nico Vorster Robert Vosloo Henk Vroom Paul Wells **What Not to Say** John C. Holbert, Alyce M. McKenzie, 2011-01-01 In this humorous guide John C Holbert and Alyce M McKenzie provide helpful and practical advice for avoiding the common mistakes that many preachers make in their sermons Useful for preachers students and teachers alike What Not to Say addresses how to use language about God how to use stories in preaching and what not to say and what to say in the beginning middle and end of sermons A companion video with preaching illustrations is available online at wjkbooks.com *Table Talk* Mike Graves, 2017-10-24 For nearly two thousand years followers of Jesus have gathered in churches to eat a meal called Communion in his memory In Table Talk Mike Graves claims if we could travel back to those earliest Christian gatherings we would realize we are not just two thousand years removed we are light years removed from how they ate when gathered because eating was why they gathered in the first place a kind of first century dinner party Four characteristics of their Communion practices would leap out at us traits that are scattered throughout the New Testament but that often go unnoticed how the meal was part of a full evening together promoting intimacy how it was a mostly inclusive affair everyone welcome at the table how it was typically festive more like a dinner party and how afterwards they enjoyed a lively conversation on a host of topics But Table Talk explores more than just Communion practices because a new way of doing church is happening around the world gatherings more horizontal than vertical For two thousand years Christians have oriented themselves toward God in the presence of others now a growing number of congregations part of the dinner church movement are orienting themselves toward each other in the presence of God This book tells their story and helps us rethink our own **Graceful Speech** Lucy Lind Hogan, 2006-01-01 In this introductory text Lucy Lind Hogan helps the reader understand the theological task of becoming a preacher the craft of writing the sermon and the importance of communicating the gospel in the present world In doing so she creates a book that is more holistic than any other homiletics text currently on the market Hogan begins with a theological rationale for preaching which serves as a basis for understanding the identity of the preacher She then explores the context for preaching showing how to interpret a scriptural text design a sermon and use illustrations and examples She also discusses preaching for special occasions the use of different technologies in preaching and the importance of delivery This book includes questions for reflection **Seeing and Showing the Unseen** Adam Szumorek, 2023-10-31 As humans we think in images and cannot do otherwise Thus metaphor and imagery often viewed as complex literary devices are in fact the very building blocks of human thought and essential components for understanding the nature of God Exploring how the God of Scripture reveals himself through metaphor and imagery Dr Adam Szumorek utilizes Cognitive Linguistics to help students teachers and preachers understand how meaning is communicated in Scripture and conceptualized within the human brain He provides a theological framework for applying Cognitive Linguistics in biblical exegesis demonstrating its value in aiding our understanding of biblical texts and in communicating that understanding to others through sermons that speak to people's minds hearts and imaginations

Both richly conceptual and deeply practical this book equips readers to communicate the unseen allowing others to taste touch and see the invisible yet incarnate God **The Caring Congregation** Karen Lampe,2011-09-01 Caring for the congregation is more than any one person can do even the pastor All persons eventually experience grief and loss crisis and suffering and many come to church for the first time as a result of needing help Using this four session study modeled after The United Methodist Church of the Resurrection in Leawood Kansas churches can form an effective team by addressing four key areas of congregational care prayer ministry support ministry hospital visitation and grief and death ministry Karen Lampe says congregational care should be modeled after the ministry of Jesus who offered compassion understanding healing and wholeness as a way of offering God s redemptive gift of grace Congregational care is one reason according to pastors Adam Hamilton and Karen Lampe that their church is successful in attracting and keeping new members In each richly illustrated session readers will find inspiration Bible connection skill building practical tips and resources including information about anointing helpful scriptures application forms suggested requirements and application for team member a volunteer leader covenant safety and self care contract and a counseling guide **Religious Involvement in Hearing Sermons** Theo Pleizier,2010 **The Witness of Preaching** Thomas G. Long,2005-01-01 This thorough revision of this classic text is even clearer and more helpful than the first edition Long has updated the language expanded the key chapter on biblical exegesis and has included more examples of sermon forms illustrations and conclusions *Professional Sexual Ethics* Patricia Beattie Jung,Darryl W. Stephens,2013-12-01 Sexual health is an essential part of maintaining professional relationships in ministry Focusing on implications for the practice of ministry this book engages all dimensions of theological education and academic disciplines Each chapter includes an analysis of common ministry situations discussion questions practical guidelines and resources for further study The volume is ideal for use in courses on professional ethics for ministry advanced leadership training and continuing education for clergy **The Third Room of Preaching** Marianne Gaarden,2017-09-29 In this cutting edge homiletical study Marianne Gaarden offers new perspectives for understanding how listeners create meaning when hearing a sermon Drawing on sociological psychological and other empirical research Gaarden presents the notion of the Third Room of Preaching the place where the preacher s words and the listener s prior experiences come together to create a surplus of meaning outside of both the preacher s intent and the listener s frame of reference The preacher cannot control the production of meaning but must surrender to the process giving up the role of creator of meaning in order to become a vessel and a tool for meaning s creation Gaarden s insights challenge conventional understandings of preaching and invite homileticians to reflect on the implications for the sermon as an act of communication The book includes an appendix that helps to facilitate the Third Room model in homiletics classes **The Touch of the Sacred** Gerrit Immink,2014-08-03 All over the world Christian communities meet on Sunday morning for worship But what really happens during a worship service How do worshipers participate in the service What does it mean to sing pray and

celebrate the Lord's Supper together What do worshipers do when they listen to a sermon In *The Touch of the Sacred* Gerrit Immink offers thoughtful theological reflection on the religious practice of worship services in the Protestant tradition He develops a theology of worship with a clear focus on the death and resurrection of Jesus Christ as he explores the meaning of worship the mystery of Christ the sacraments prayer and preaching Ultimately he says something dynamic happens when a church congregation speaks and acts it is touched by the sacred by a very encounter with the living God Practical Theology Richard R. Osmer, 2008-07-02 Every church congregation encounters challenging situations some the same the world over and others specific to each church Richard Osmer here seeks to teach congregational leaders including but not limited to clergy the requisite knowledge and skills to meet such situations with sensitivity and creativity Osmer develops a framework for practical theological interpretation in congregations by focusing on four key questions What is going on in a given context Why is this going on What ought to be going on and How might the leader shape the context to better embody Christian witness and mission The book is unique in its attention to interdisciplinary issues and the ways that theological reflection is grounded in the spirituality of leaders Useful accessible and lively with lots of specific examples and case studies Osmer's *Practical Theology* effectively equips congregational leaders to guide their communities with theological integrity

The Six Deadly Sins of Preaching Robert Stephen Reid, Lucy Lind Hogan, 2012 Don't give in to the vices of preaching what you didn't know there is such a thing Learn from these stories of failure and become a responsible preacher One Year to Better Preaching Daniel Overdorf, 2013-09-06 *One Year to Better Preaching* provides preachers with fifty two hands on exercises that sharpen their homiletical skills The book is designed particularly for those who preach each week and have been perhaps for some time to help them get out of the rut of the routine and infuse their preaching with new sparks of creativity fresh approaches to sermon preparation and design and sharpened verbal and nonverbal communication skills Novice preachers also will find the exercises useful in developing their preaching abilities Each chapter includes instructions for an exercise tools and suggestions needed for the exercise comments from preachers who completed it and recommended resources for further study The exercises address eight categories of homiletics Prayer and Preaching Bible Interpretation Understanding Listeners Sermon Construction Illustrations and Applications Word Crafting The Preaching Event Sermon Evaluation Readers can complete the exercises in the order presented which address different categories week to week or they can sharpen their skills in a particular category over a period of weeks by using the chart provided They might also work through the exercises in collaboration with other preachers *One Year to Better Preaching* will leave a preacher reinvigorated and better equipped to proclaim the Word of God skillfully passionately and effectively *Conversations with Barth on Preaching* Bishop William H. Willimon, 2010-09-01 One of today's greatest preacher theologians engages one of the twentieth century's greatest teacher theologians on the meaning of preaching Readers of William H Willimon's many books have long found there the influence of Karl Barth probably the most significant theologian of the twentieth century In this new book

Willimon explores that relationship explicitly by engaging Barth's work on the pitfalls and problems, glories and grandeur of preaching the Word of God. The Swiss theologian says the author expressed one of the highest theologies of preaching of any of the great theologians of the church. Yet too much of Barth's understanding of preaching lies buried in the Church Dogmatics and other sometimes obscure sources. Willimon brings this material to light, introducing the reader to Barth's thought not just on the meaning but the practice of preaching as well. **Sermon Listening** Enoch Šeba, 2021-06-30

Preaching is an integral part of every church service and its purpose has always been to edify, encourage and to emphasize the positive effects of coming together as a people of God. Yet there remains an inconsistency between the intended goals of preaching and the subjective perception of the listeners. In this homiletical study, Dr. Enoch Šeba provides fresh insight into the turn to the listener model and offers a theologically sustainable warrant, mandate for the transformation of the preaching practice through a stronger involvement of the congregation. While grounding the research in the experience of Croatian Baptists, Dr. Šeba highlights practical suggestions for both listeners and preachers that are transferrable across contexts. This important work reveals that preaching can and should be transformed into a truly congregational practice that will affirmatively affect the dynamics of ecclesial life. This book will spark conversations and induce small-scale changes on a variety of levels while bridging the gap between preachers and their listeners. **Best Advice** William J. Carl III, 2009-02-02

This book gathers a diverse group of leading pastors and preachers and asks them what is your best advice to colleagues in ministry about preaching and being a pastor. The responses are full of wisdom and practical advice, illuminating and helpful for all who are pastors and preachers. This book is a unique window into perspectives on ministry in the twenty-first century. It is an ideal book to give to one's pastor or a graduating seminarian. It is one pastors will turn to often for inspiration, insight and wisdom.
