Dupree,2008 Appointed by President Lincoln to command the Gulf Department in November 1862 Nathaniel Prentice Banks was given three assignments one of which was to occupy some point in Texas He was told that when he united his army with Grant s he would assume command of both Banks then had the opportunity to become the leading general in the West perhaps the most important general in the war But he squandered what successes he had never rendezvoused with Grant s army and ultimately orchestrated some of the greatest military blunders of the war Banks s faults as a general writes author Stephen A Dupree were legion The originality of Planting the Union Flag in Texas lies not just in the author s description of the battles and campaigns Banks led nor in his recognition of the character traits that underlay Banks s decisions Rather it lies in how Dupree synthesizes his studies of Banks s various actions during his tour of duty in and near Texas to help the reader understand them as a unified campaign He skillfully weaves together Banks s various attempts to gain Union control of Texas with his other activities and shines the light of Banks s character on the resulting events to help explain both their potential and their shortcomings In the end readers will have a holistic understanding of Banks s appalling failure to win Texas and may even be led to ask how the post Civil War era might have been different had he been successful This fine study will appeal to Civil War buffs and fans of military and Texas history *The Kirkus Service* ,1948 *Lafcadio Hearn: Japan's Great Interpreter* Louis Allen,Jean Wilson,2020-07-09 Extensive collection of excerpts exploring the psychological spiritual supernatural social aspects of Japan Including Lafcadio Hearn s Farewell and letters from 1894 to 1904 **The Writings of Lafcadio Hearn** Lafcadio Hearn,1922 *Lafcadio Hearn: American Writings (LOA #190)* Lafcadio Hearn,2018-08-14 Featuring a wide range of writings from Hearn s time in America this collection is a stunning showcase of the Greek Irish author s uniquely decadent literary flair and keen eye for

observation A translator of Flaubert and Gautier Lafcadio Hearn was the master of a gaudy and sometimes self consciously decadent literary style but he was also a tough minded and keenly observant reporter with an eye for the offbeat the sensual and occasionally the gruesome The writings of his American years collected in this Library of America volume on subjects as wide ranging as comparative folklore the history of musical instruments French literary avant gardes and New Orleans voodoo reveal an omnivorous curiosity and an always eclectic sensibility Some Chinese Ghosts 1887 a stylized retelling of ancient legends foreshadows Hearn s later fascination with Asian themes The exquisitely crafted novels Chita 1889 about the devastation wrought by a Louisiana hurricane and Youma 1890 about a slave rebellion in Martinique epitomize his writing at its most luxuriantly romantic alert to the interactions of diverse cultures and suffused with imagistic splendor His extraordinary travel book Two Years in the French West Indies 1890 presented here with the many illustrations from its first edition provides a richly impressionistic account of his long stay on Martinique and other Caribbean islands Also included are personal letters as well as more than a dozen examples of Hearn s journalism from the 1870s and 1880s depicting vividly a raucous African American nightclub on the Cincinnati waterfront an execution scenes of Mardi Gras and the New Orleans French Quarter an uncharted village of Filipino fishermen in a remote Louisiana bayou
