## He Could Be The One:

*The Prince* Vito Bruschini, 2015-03-10 Based on a true story *The Prince* is a complex informed and intelligent saga Kirkus Reviews about the web of love betrayal and murder that forged the most powerful criminal organization in history the Mafia In this remarkable novel author Vito Bruschini brilliantly evokes the charismatic figure of Prince Ferdinando Licata a wealthy Sicilian landowner who uses his personal power and charm to placate Sicilian peasants and fight off Mussolini's fascists As tensions rise in Italy during the 1930s with increasingly violent consequences Licata attracts many friends and even more enemies Eventually implicated in a grisly murder the prince flees to America where he ends up navigating a turf war between Irish and Italian gangs of the Lower East Side Violence explodes in unexpected ways as Licata gains dominance over New York with the help of a loyal townsman with blood ties to the prince who is forced to abandon his fiancée in Sicily The two men return to their native land at the height of World War II in an outrageously bold maneuver engineered by Licata and mobster Lucky Luciano Both the prince and his kinsman assist US naval intelligence during the invasion of Sicily and once they are back on their native soil they proceed to settle unfinished business with their enemies and unravel old secrets in a stunning and sinister finale Through a spellbinding story and unforgettable characters Bruschini depicts in visceral detail the dark intertwining roots of loyalty and betrayal poverty and privilege secrets and revelations that contributed to the rise of the Mafia in Sicily and America

**Know God. He could be You** Sanjeev Sareen, 2024-03-26 We are all on a spiritual journey The journey starts with I as various ego identifications and gets completed when we realize ourselves as we truly are There is a lot to our being that we are not privy to yet and have never realized so far Know yourself your real dimension It is said that whoever doesn't know the Self doesn't know anything but whoever knows the Self has already acquired knowledge about the depth of the universe This self realization will lead to God's realization And it has to happen one day maybe after a few hundred or thousands more incarnations riding the roller coaster of life through pains and pleasures etc Why not now The ignorance about the Self leads to the emotional roller coaster movement in life filled with pains and pleasures But a stage comes in everyone's life when after suffering in many incarnations a spiritual awakening is there and we start looking for spiritual direction We start looking for meaning and purpose in life Journey with me through the book about spirituality Book 1 to learn about the Self and find the purpose of life That will bring freedom from suffering and sorrow We will feel relieved once the confusion is removed The journey through this book can help us transform from a limited I to the infinite Self And we are already that But that is not all Knowing about Self and God is good and an evolved stage but we must realize it Book 2 will inspire us towards that goal We shall realize there that God is and can be known There is a step by step method to realize Him And for this we do not have to go anywhere but within ourselves Go within is what all Masters advocate for realizing the Truth and yet it is this message that is continuously overlooked This book will show us how through meditation we can manifest it The reading will be an aid to assist us on our spiritual journey to self realization Countless saints of all

times and religions have demonstrated that And we can do it too Remember what the Bible says First seek the kingdom of God The word used is seek and not know God must be realized not just known Then it says Seek the kingdom of God It does not say to seek God directly but the kingdom Now the question is where is the kingdom of God It is everywhere and the nearest place is our own existence our body Then the question may come is there a model or path Yes Yoga Yoga means actions that bring about the union of the Soul and the Spirit from which we descend It is the yoga of the subtle body a union of mind and body control with a focus on meditation and energetics Meditation is not what we commonly assume it to be Yoga meditation helps to bring about greater peace mental control and joy leading to awakening All saints who have ever found God practiced some form of meditation to rediscover the real Self No matter our faith or belief this is the scientific highway to the infinite for anyone who practices it This spiritual guidebook will surely demand sufficient attention and stretching of the mind in certain places to understand the subtle subject Remember practice is the key Learn to know the Yog sutra Yoga philosophy and Yoga meditation science and techniques Practice it and feel the effects yourself Immediate benefits will be felt in physical mental and spiritual health Dear ones conceive of God as the highest necessity of your lives Wait no more God and immortality are not myths but something to be realized It is all science *The Linda Wolfe Collection* Linda Wolfe, 2017-10-31 Five torn from the headlines true crime books from an Edgar Award nominated author and one of our best reporters John Leonard Linda Wolfe delves deep into the crimes that defy explanation and the twisted minds of those who commit them In these five books she combines masterful storytelling with brilliant psychological insight Wasted On an August night in 1986 Jennifer Levin left a Manhattan bar with Robert Chambers The next morning her strangled battered body was found in Central Park This New York Times Notable Book provides a fascinating horrifying and heart breaking account of the so called Preppie Murder the crime that shocked a city and a nation Ann Rule The Professor and the Prostitute The chilling case of a college professor who bludgeoned to death the prostitute he loved plus eight other true crimes including the bizarre story of the Marcus brothers twin gynecologists that inspired the David Cronenberg film Dead Ringers Double Life The riveting story of how the chief judge of the New York State Court of Appeals was brought down by his sexual obsession with a stunning socialite The Murder of Dr Chapman Wolfe skillfully weaves court transcripts love letters and period recollections into an edge of your seat historical thriller about a notorious crime of passion that rocked pre Civil War America Love Me to Death Wolfe embarks on a search for the serial killer who murdered her friend in this intriguing insider s look into the convoluted mind of a killer The Plain Dealer *The Essential Books of Mormons - Complete Collection* William Alexander Linn, John Taylor, Joseph Fielding Smith, Wilford Woodruff, James E.
