**Headhunting In The Solomon Islands: Around The Coral Sea** Caroline Mytinger, 2016-01-18 More than 80 years ago Caroline Mytinger a portrait artist and her childhood friend Margaret Warner set out by freighter from San Francisco with little more than 400 in their pocket and a tin of paints to their name Their objective was to paint portraits of the tribal people of Papua New Guinea and the Solomon Islands before the encroachment of modern European style culture changed their lives forever This gripping book tells of the two women s experiences whilst travelling through Melanesia between 1926 and 1930 **Headhunting in the Solomon Islands, Around the Coral Sea. Solomon Islands Around the Coral Sea Caroline Mytinger, 1942 **Headhunting in the Solomon Islands** CAROLINE MYTINGER, 2001 **Headhunting and the Body in Iron Age Europe** Ian Armit, 2012-03-19 This book examines the

widespread evidence for the removal curation and display of the human head in Iron Age Europe Headhunting and Colonialism R. Roque, 2010-01-22 An exploration of headhunting and the collection of heads for European museums in the context of colonial wars from the 1870s to the 1930s The book offers a new understanding of the mutually dependent interaction between indigenous peoples and colonial powers and how collected remains became regarded as objects of wider significance Wealth of the Solomons Judith A. Bennett, 1987-05-01 Du site de l d The history of the Solomon Islands is in

itself an intriguing story and Dr Bennett tells it more than well The depth and breadth of the work is impressive in at least two respects First it covers events in the Solomons from initial European contact in the middle 1500s to the country s emergence as an independent and sovereign state in 1978 Second all facets of colonial history are covered to name only a few the early contact period the whaling trade the development of plantations the nature of British colonial rule and missionization Considering the scope of this volume it represents a definitive history of the Solomon Islands and it will remain so for many years to come **Melanesians and Missionaries** Darrell L. Whiteman, 2002-05-10 In Melanesians and Missionaries one of the best of the younger generation of missionary anthropologists demonstrates that a commitment to the missionary enterprise on the part of a solid scholar facilitates rather than hinders the anthropological study of a missionary topic This is better anthropology because Dr Whiteman is able to probe more deeply into his topic and demonstrates that he understands and appreciates both Melanesians and missionaries Charles H Kraft Professor of Anthropology School of World Mission Fuller Theological Seminary Pasadena The Ambassador's Son Homer H. **The White Headhunter** Nigel Randell,2013-08-22 Shanghaied in San Francisco in 1868 teenage Scots sailor Jack Renton then found himself on a voyage into the heart of darkness Escaping from his floating prison in an open whaleboat Renton drifted for 2000 miles only to be washed up on the shores of a Pacific island shunned by 19th century mariners Malaita in the Solomon Islands There he was stripped of his clothes by headhunters and forced to go native to survive Initially a slave to their chief Kabou he eventually became the man s most trusted warrior and adviser Renton s own account of his eight year exile published after he was rescued remains the only authenticated account of a mental and physical ordeal that still haunts the imagination to this day It caused a sensation at the time though it is now clear that it airbrushed out most of the key events Researching the Renton legend Nigel Randell spent several years talking to the Malaitans and piecing together a very different account from Renton s sanitised version The ultimate irony is that a man so keen to conceal his crimes should have bequeathed their evidence a necklace of 60 human teeth to a collector who donated it to a national museum

*Risky Shores* George Behlmer,2018-07-17 In sparkling seamless prose Risky Shores offers fresh insights into the cultural encounters between the British and the Melanesians Dane Kennedy author of Decolonization Why did the so called Cannibal Isles of the Western Pacific fascinate Europeans for so long Spanning three centuries from Captain James Cook s death on a Hawaiian beach in 1779 to the end of World War II in 1945 this book
