for the likes of Led Zeppelin Paul McCartney Genesis Black Sabbath ELO and Yes In this authorised account with access to previously unpublished material and exclusive contributions from David Gilmour Jimmy Page Peter Gabriel Roger Waters Robert Plant and even Aubrey Powell himself Mark Blake goes behind the scenes of the Hipgnosis partnership to reveal the pioneering ambition and grand vision that led to their success as well as the clashing egos and artistic differences that undermined it The Hipgnosis story also offers hitherto untold insight into some of music's most legendary bands as viewed through the prism of the people who shaped their imagery and cultural legacy With the work of Hipgnosis continuing to be referenced reproduced and revered worldwide *Us and Them* serves as a celebration a cautionary tale and a compelling human drama exploring the vital intersection between art and music

**Twenty Football Towns** Steve Leach, 2020-08-06 In our world of global superstar footballers it's easy to forget the grassroots of a sport where loyalty to a hometown club is often rock solid and counts for everything Even as local communities come under threat football fandom still pulls us together But why is this What is the special magic that connects towns and teams For many of us the local club offers it all passion hope heartache drama And a sense of belonging The town where we grew up and all the places we've lived are the bedrock of our lives and memories of seeing the local team play are inextricably intertwined with our sense of place and identity Steve Leach spends a year visiting the twenty towns and clubs that are special to him He celebrates the distinctiveness of these places the fascinating differences between Lincoln and Leyton Barrow and Birmingham Macclesfield and Morecambe towns and teams that may not be glamorous but they are unique and more importantly they are home

*The Who's The Who Sell Out* John Dougan, 2006-09-15 Released in the U S in January 1968 The Who Sell Out was according to critic Dave Marsh a complete backfire the album sold well but not spectacularly and was

ultimately a nostalgic in joke Who but a pop intellectual could appreciate such a thing Further rarifying its in joke status was its unapologetic Englishness 13 tracks stitched together in a mock pirate radio broadcast without a DJ with cool anglocentric commercials to boot In the 36 years since its release Sell Out though still not the best selling release in The Who's catalog has been embraced by a growing number of fans who regard it as the band's best work one of the few recordings of the late 1960s that best represents the ambitious aesthetic possibilities of the concept album without becoming mired in a bog of smug self aggrandizing high art aspirations Sell Out powerfully and ecstatically articulates the nexus of pop music and pop culture As much as it is an expression of the band's expanding sonic palette Sell Out also functions as a critique of the rock and roll lifestyle Not the clichéd mantra of sex drugs and rock and roll but in the ways that commercial advertising fabricates a youth oriented cultural reality by hawking pimple cream deodorant food musical equipment etc and linking it with rock and roll In this sense Sell Out is a reflective work one that struggles with rock and roll as a cultural expression that aspires to aesthetic permanence while marketed as ephemera From this conflict emerges a pop art masterpiece
