The Recovery Handbook: Understanding Addictions and Evidenced-Based Treatment Practices Nicholas D. Young, Melissa A. Mumby, Jennifer A. Smolinski, 2020-10-06 Addiction is rapidly becoming one of the most significant challenges to mental health today According to the latest National Survey on Drug Use and Health NSDUH 2018 19 7 million Americans aged 12 and older battled a substance disorder alone in 2017 Additionally 8 5 million of those individuals also suffered from a mental health disorder with millions more suffering from a range of other addictive disorders and associated behaviors that interfere with physical social and emotional health These alarming statistics highlight the crucial need for mental health providers to be kept up to date with the latest research on the full range of addiction treatment and recovery The Recovery Handbook Understanding Addictions and Evidenced Based Treatment Practices provides a comprehensive examination of the various forms of addiction its physical and mental complexities and unlike other sources on addiction effective evidence based interventions that promote a healthy recovery Particular attention is given to the nature of addiction including environmental genetic and developmental factors with authors examining the short and long term effects of a variety of addictions such as drug alcohol gambling food sex shopping work and video gaming to name a few This book will serve as a valuable resource for counselors psychologists professors graduate students in the helping professions as well as families of addicts co workers and those suffering from addiction themselves

Healing Liturgies for the Seasons of Life Abigail Rian Evans, 2004-01-01 Are you looking for a new way to renew your worship respond to the needs of the church and community and connect with people in their passage of life both chronological and crisis This book offers a rich resource to you both as a tool for worship and also devotionally as you face the deepest questions of life Here you will find one way that the church can renew and rediscover its healing ministry Abigail Evans a leading specialist in bioethics and

health ministries explores how God's gift of healing is available during all seasons of a person's life and how the power of hope and healing are affirmed and redirected through liturgical services sacraments and rites This distinctive resource features specific healing liturgies for injury illness death separation retirement and a host of other major life events from a wide variety of religious traditions

Religion and Healing in America Linda L. Barnes, Susan Starr Sered, 2005

Americans have long been aware of the phenomenon loosely known as faith healing Such practices most often received attention when they came into conflict with biomedical practice During the 1990s however the American cultural landscape changed dramatically and religious healing became a commonplace feature of our society The essays in this book chart this new reality Insofar as healing traditions constitute the meeting ground or point of conflict between different groups argue the authors they provide a powerful lens through which to examine cultural changes at work Each of the papers offers a particular case study Many emphasize gender race ethnicity and class as key components of healing experiences
