Heal Yourself--Heal the World Deborah King,2017-10-10 Deborah King spiritual leader and New York

Times bestselling author of *Be Your Own Shaman* inspires and teaches her proven method of LifeForce Energy Healing in this definitive and accessible book that will forever change the way you connect to your energy. What's standing between you and the life you were meant to lead? The answer lies in your energy field and how you manage it. When our energy pathways are blocked by suppressed feelings, pain, and trauma, we weaken both our personal and universal energy fields, hindering our ability to live our best lives. LifeForce Energy has its origins in the living force that Hindus call prana, the Chinese call chi, and the Japanese call qi. This primal force is connected to your spirit as well as to your physical, emotional, and mental self. It is, in fact, the substance of spirit, what Master energy healer Deborah King calls LifeForce energy. Now, using the simple techniques and powerful teachings in *Heal Yourself, Heal the World*, you can finally clear past trauma from your energy field, connect with authentic emotions, and clear, charge, and re-balance your chakras. Within *Heal Yourself, Heal the World*, you will be able to explore the origins and benefits of energy healing, as well as learn self-healing practices and techniques, moving you from basic concepts to hands-on learning to ultimately whole world healing.

Your Creator Matrix Cathleen

Beerkens, 2024-04-29 As human beings, we are beginning to wake up to our inner multidimensional power and our ability to consciously co-create our lives. However, with this power comes the responsibility to master the creation process so that we can be who we were designed to be while here on Earth. *Your Creator Matrix* is the interconnected framework that links your mind, body, and spirit on all levels—physical, mental, emotional, and spiritual—with the Unified Field. When we master our stories, the deeply held narratives and beliefs that influence all of our choices and creations, and learn how to digest our life experiences in new ways, we gain the power to choose new future timelines and manifest the wellness, abundance, and love we truly desire. In this thought-provoking book, researcher and integrative health coach Cathleen Beerkens shows us how quantum physics and the new sciences of epigenetics, glycobiology, and nutrigenetics can support us to create optimal cellular health, digest and assimilate our old storylines, nourish ourselves at all levels for optimal wellness, and begin to operate fully as the Creator in our lives for the good of all.
