Health Care Job Explosion High Growth Health Care Careers And Job Locator 3rd Edition:

Health Care Job Explosion! Dennis V. Damp, 2006 Health Care Job Explosion offers a distinct advantage over other books of this type. It is two books in one: a comprehensive Career Guide plus a dynamic Job Finder. First, it presents comprehensive health care occupational descriptions and then provides resources to locate job announcements, job hotlines, job fairs, placement services, directories, associations, and job-related books. This dual format permits comparisons between specialties and offers insight into qualifications, cross-training potential, and pay. You can easily locate occupations with similar skills and required training. Opportunities abound for all levels of education, from a high school diploma to Doctorate Degrees. Each occupational description lists required education and/or on-the-job training. This book presents detailed information for all major occupations, including Occupational descriptions, Required training and education, Advancement opportunities, Related occupations, Qualifications, Required certifications/licenses, Job outlook, Earnings/average salary, interviews with health care workers. Visit this book's companion web site at <http://healthcarejobs.org> for book updates and additional information.

The Book of U.S. Government Jobs Dennis V. Damp, 2008 Discusses the nature of government jobs, civil service hiring procedures, types of jobs available, examinations, the application form, working abroad, and provisions for people with disabilities.

Introduction to the Health Professions Peggy Stanfield, Yiu H. Hui, 2002 The fourth edition of this comprehensive text reflects the many important changes that have taken place in the health professions. Health care reform, alterations in educational and legal requirements, and current social, ethical, and political issues are all thoroughly discussed in relation to the health professions. Written specifically for students majoring in a health or health-related discipline, *Introduction to the Health Professions* is ideally suited for students in one- or two-year programs who plan to become health care workers. In addition to outlining more than 75 careers in health, this text also touches on nearly every major facet of the field, from the evolution of medicine to payment for health care services. Book jacket.
