## **Health Care Services Racial And Ethnic Minorities And Underserved Populations Patient And Provider Perspectives:**

*Health Care Services, Racial and Ethnic Minorities and Underserved Populations* Jennie Jacobs Kronenfeld, 2005-10-05 Discusses the overall issue of health care disparities and underserved populations This book focuses on issues that relate to gender and provides papers on some other specific examples of underserved populations those with mental health concerns those with concerns related to emotional well being the elderly population and sex workers **Impact of Demographics**

**on Health and Healthcare** Jennie Jacobs Kronenfeld, 2010-09-30 Focuses on differences in health and health care as linked to important social factors This title includes six articles looking at racial disparities on a variety of topics such as knowledge of hepatitis C Virus health services received and patients experiences in seeking health care use of CAM services and more

**Social Determinants, Health Disparities and Linkages to Health and Health Care** Jennie Jacobs Kronenfeld, 2013-09-23 This volume looks at the key links between social determinants health disparities and health and health care There is a particular focus on macro level systems and micro level issues including the examination of issues for patients carers and providers of care **Women's Health in Canada** Marina Morrow, Olena Hankivsky, Colleen Varcoe, 2022-01-27 Women's Health in Canada considers the challenges relating to the conceptualization of women's health While emphasizing the importance of taking an intersectional approach to women's healthcare this book also focuses on the social and structural determinants at play This revised and updated second edition brings together a collection of new chapters and contributors who collectively shed light on the problems and risks involved in perceiving women's healthcare using a strictly gender or sex based lens Contributors foreground an understanding of power as it is mediated through a range of social relations based on gender race culture ethnicity sexuality ability class and geography and the ways in which privilege and oppression intersect to shape health and system responses to health This new edition includes updates on what is currently known about women's health nationally and internationally and situates the chapters in the current Canadian health care and policy context Scholarship is foregrounded in new developments in gender and intersectional health research and policy Collectively this volume explores the important histories and contemporary realities in women's health experiences *International Perspectives and Experiences Enhancing Access to Healthcare*, 2025-02-19 Access to healthcare is a straightforward concept either we can receive high quality healthcare when needed or we cannot While this concept is simple reality is much more complex Many people cannot afford good healthcare even if they have health insurance Others live in areas where vaccines doctors hospitals and other health services are in short supply and these supply constraints continue to grow Still others find it hard to make appointments for care especially if they must travel long distances or miss work to attend those appointments The inability to accommodate patient needs has been problematic for decades and sometimes for much longer in many parts of the world In this book authors from around the globe describe

innovative approaches for improving access to health care Their entrepreneurial spirit knowledge and sheer grit in the face of complex challenges are admirable and demonstrable Policymakers healthcare providers payers and patients will find valuable insights and actionable strategies in this volume for addressing access barriers and ensuring timely care Readers are encouraged to explore these and other groundbreaking approaches using the lessons learned here to improve healthcare access and enhance lives worldwide Shared Decision Making in Mental Health: International Perspectives on

Implementation Shulamit Ramon,Yaara Zisman-Ilani,Alan David Quirk,2022-01-28 **Promoting Health Equity Among Racially and Ethnically Diverse Adolescents** Lisa Barkley,Maria Veronica Svetaz,Veenod L. Chulani,2018-11-09 Racial and ethnic minority youth have less access to health care and experience health disparities that are linked to social determinants that impact their health and well being This book is a practical reference for clinicians caring for racially and ethnically diverse adolescents seeking to effectively identify and address the social structures and factors that influence their health and well being to promote health equity It provides an overview of key health equity population health and cultural competency principles and highlights clinical teaching and research skills critical to promoting health equity Clinically oriented chapters provide guidance on strength based approaches and strategies that clinicians can integrate in their encounters with diverse youth and feature clinical vignettes clinical pearls and reflection questions to promote the application of concepts to practice Promoting Health Equity Among Racially and Ethnically Diverse Adolescents is a valuable resource for clinicians across all areas of medicine

**Just Don't Get Sick** Karen Seccombe,Kim A. Hoffman,2007-08-20 The ability to obtain health care is fundamental to the security stability and well being of poor families Government sponsored programs provide temporary support but as families leave welfare for work they find themselves without access to coverage or care The low wage jobs that individuals in transition are typically able to secure provide few benefits yet often disqualify employees from receiving federal aid Drawing upon statistical data and in depth interviews with over five hundred families in Oregon Karen Seccombe and Kim Hoffman assess the ways in which welfare reform affects the well being of adults and children who leave the program for work We hear of asthmatic children whose uninsured but working mothers cannot obtain the preventive medicines to keep them well and stories of pregnant women receiving little or no prenatal care who end up in emergency rooms with life threatening conditions Representative of poor communities nationwide the vivid stories recounted here illuminate the critical relationship between health insurance coverage and the ability to transition from welfare to work **The SAGE Handbook of Social Studies in Health and Medicine** Susan C. Scrimshaw,Sandra D.
