#### **Heart Of It:**

The Very Heart of It Thomas Mallon, 2025-06-03 From the renowned novelist and critic an exquisite collection of journal entries from the 1980s and 90s tracking a young gay author's literary coming of age in New York during the AIDS crisis In 1983 Thomas Mallon was still unknown A literature professor at Vassar College he spent his days traveling from Manhattan to campus reviewing books to make ends meet and searching the city for his own purpose and fulfillment The AIDS epidemic was beginning to surge in New York City the ever bustling epicenter of literary culture and gay life alive with parties art and sex Though he didn t know it everything would soon change for Mallon Riding the success of his debut A Book of One s Own he became a fixture within the city's literary scene crossing paths with cultural giants and becoming an editor at GQ He captured it all in his daily journals But in some ways it was the worst possible time for a gay coming of age in the city One of his lovers succumbed to AIDS and the illness of others was both a heartbreaking reality and a constant reminder of his own exposure Tracing his own life day by day Mallon evokes all that those years encompassed the hookups intensifying politics personal tragedies as well as his own blossoming success and eventual romantic happiness. The Very Heart of It is a brilliant and bewitching look into the daily life of one of our most important literary figures and a keepsake from a bygone era the Heart of It Maxine Platt, 2003 In April 2002 I went to New York with four co workers to volunteer at Ground Zero for a week At the time I was the director of an AmeriCorps program in Wisconsin I announced this opportunity to the AmeriCorps members serving in my program and then coordinated the trip for those who were able to come I knew this experience would change my life so I brought a journal with me to record my thoughts and experiences I wanted to remember what it was like when I was there so I brought the journal with me everywhere I went and wrote in it every opportunity I had Reading it can be difficult for me but I do it when I feel the need to reflect I wanted to write out the notes of my journal because I needed to release my feelings from Ground Zero I also felt it was important to share this experience with others Many of my loved ones asked me what it was like volunteering at Ground Zero but I couldn t verbalize it this memoir is a recollection of what I experienced while in New York based on my journal I changed some of the names to respect the privacy of those I met To separate the time I spent exploring New York and time at Ground Zero boldface type highlights time spent at Ground Zero Because it was such an emotional experience for me and because I experienced a lot some details are fuzzy but this is how I remember New York and Ground Zero This is my experience from the bus trip to volunteering at Ground Zero and exploring New York The Heart of It All Christian Kiefer, 2023-09-12 Deeply moving and beautifully written I couldn t put it down Jesmyn Ward author of Sing Unburied Sing For anyone who believes as I do that the best hope for our fractured country is local not national Christian Kiefer's new novel The Heart of it All will provide a welcome balm for the spirit Here are people worth spending time with not because they re perfect but because they re not What's wrong with them isn't nearly as consequential as how hard they fight for a better life and not just for themselves You set the book down and think This is

what we re made of Or should be Richard Russo author of Somebody's Fool A small declining town in Ohio A family bereaved by terrible loss A searing narrative about how American lives touch each other across divides both real and imagined Set in failing small town in central Ohio The Heart of It All asks how one manages in an America of increasing division to find a sense of family and community Focusing on the members of three families the Baileys a white family who have put down deep roots in the community the Marwats an immigrant family that owns the town s largest employer and the Shaws especially young Anthony an outsider whose very presence gently shakes the town s understanding of itself A gorgeous stirring novel in the classic vein of Richard Ford Marilynne Robinson Richard Russo and Kent Haruf The Heart of It All asks the reader to consider an America both divided and bound by its differences The Heart Of It All Samuel Wells, 2019-11-30 As a collection of 66 books spanning thousands of years the Bible can be daunting in size and scope In The Heart of It All the Canterbury Press Lent book for 2020 Samuel Wells simplifies the Bible's complexity and presents the entire sweep of its narrative in eighteen key themes Although its contents range from history to poetry law narrative letters and even apocalyptic literature at the Bible's heart are relationships between God creation Jesus the Church the Spirit and the Kingdom Samuel Wells argues that this provides a lens through which the whole Bible can be understood Rooted in the best of contemporary biblical theology and scholarship The Heart of It All will deepen understanding of the Bible and increase confidence in reading it It includes questions for reflection making this an ideal resource for Lent groups as well as for individual reading At the Heart of it Walt Harrington, 1996 Delving into the everyday lives of real everyday people Walt Harrington skillfully draws the reader into an intimate relationship with the men and women profiled in this powerful collection of stories people like V I Smith a homicide detective Deane Guy a stock car racer Jackie Jordan a social worker in family services and Sheri D Amato a girls soccer coach Originally appearing in the Washington Post Magazine these stories which capture a cross section of Americans stand out in the field of journalism because of the unique way in which Walt Harrington uses unheralded individual lives to elaborate on the great human issues of the day In Mothers and Daughters three generations of women discuss how society affected the choices they made and who they became The Mystery of Goodness follows a Harvard educated lawyer who handles death row cases for very little money because he feels the system is unfair to African Americans In To Have and Have Not a young couple with two small children struggle to make ends meet Harrington describes in detail the creation of a poem by Rita Dove then United States Poet Laureate in The Shape of Her Dreaming Harrington has adeptly combined sociology and journalism into beautiful prose As literary journalism the stories employ scene dialogue and physical description within a narrative framework At the same time they also adhere to all the traditional journalistic standards of accuracy fairness and balance As a result At the Heart of It represents a subgenre that is rarely practiced and seldom understood even within the profession of journalism All of these stories are snapshots pieces of everyday life in America that are intended to be a mirror held to the lives of readers These are not stories about which you

can remain neutral even the most casual readers will be moved by the glimpses Walt Harrington provides us of ourselves The Heart of It's a Wonderful Life Jimmy Hawkins, 2025-09-23 You really had a wonderful life Don t you see what a mistake it would be to throw it away CLARENCE In this special book Jimmy Hawkins helps us focus on the true meaning behind the classic holiday movie It s not just the message or its many famous lines but rather the motivation behind the creation of the film and director Frank Capra's unrelenting vision for what it should be As a boy Jimmy played George Bailey s youngest son Tommy And he has spent the eight decades since living out the heart of the story and becoming arguably the world's foremost expert on the movie Filled with unpublished facts that the author has collected about the cast and crew this book gives a clearer understanding of what they all brought to the scripted pages Through excerpts from the screenplay never before seen photos and a lifetime of friendship with both Frank Capra and the stars of the movie Hawkins guides us to discover why this story still touches the spirit decades after its release Because It s a Wonderful Life is not just George Bailey s or Frank Capra s story it s the story of all of us and of many generations to come At the Heart of It Tawna Fenske, 2017-10-03 Kate Geary has finally made it She's producing a new reality show starring her hero self help icon Dr Vivienne Brandt The Dr Viv whose gentle wisdom helped Kate survive her darkest days This is Kate s big break Her chance to help others in crisis Then Jonah Porter walks into the studio The same bookish dreamboat Kate had one unforgettable date with The guy she was hoping to see again just not across a conference table Definitely not with off limits ties to the show s star The last thing Jonah wants is to get sucked into reality TV Back to his own messy past But a personal stake in the story leaves Jonah no choice At least working with Kate brilliant funny and way too tempting makes it bearable Now they re sneaking around behind the scenes Trying to keep their chemistry guiet and careers intact But cameras have ways of exposing secrets Especially ones with the power to break hearts One click this smart heartfelt rom com about love in the spotlight the power of a good self help book and what happens when reality TV gets a little too real The Heart of a Goof Pelham Grenville Wodehouse, 1926 Nine short stories centred round a golf club and related by the Oldest Member who sits in a corner observing the highs and lows of younger members in matters of golf and love Characters appear in more than one The Heart of Northern Wales W.
