## **Heart Of The Matter How To Find Love How To Make It Work:**

**Heart of the Matter** Linda Austin, 2003-05-06 Why is it that love seems to come easily to some people and not to others In her first book What's Holding You Back Eight Critical Choices for Women's Success Dr Linda Austin explored the psychological glass ceiling the emotional barriers that keep women from achieving career success This book is about a different kind of inner glass ceiling the one that holds you back from the heights of great love Dr Austin is convinced that there's nothing fundamentally wrong with those who have difficulty finding and keeping love BUT there may be specific behaviors that you engage in and specific behaviors that you do not engage in that have a profound impact on whether you find and keep love The good news Those behaviors can be learned practiced and eventually incorporated into your personality Dr Austin wants you to know that small adjustments in your outlook and actions can have enormous impact on your ability to get the love you want And in this perceptive highly original book she identifies the five core behaviors that determine your ability to have successful loving relationships as well as the patterns of behavior that can subtly sabotage those efforts The Core Behaviors 1 Engage with the World around You 2 Evaluate the Choices You Make for Love 3 Expand Your Safety Zone 4 Establish Emotional Independence 5 Evolve Consciously Willfully Healthily Heart of the Matter shows how these five essential practices can deepen and transform your ability to give and receive love and loyalty It explains how to make those small and specific changes that will have huge ripple effects on what happens to you in life and most important of all it demonstrates how to identify and use your strengths so that you can move toward the life and love you want so much Heart of the Matter reflects Dr Linda Austin's twenty five years as a psychiatrist assisting all sorts of people in their efforts to live more fully in the real world of loving human relationships Pragmatic and sensible this book is based on the conviction that each of us has the capacity to improve our ability to find and inspire love through specific behaviors So whether you're currently in a relationship or it's been so long since you've dated that you think seeing someone refers to a psychiatrist Heart of the Matter can help you move toward that healthy loving relationship you want and so richly deserve [The Heart of the Matter](#) Joffre McClung, 2017-03-22 You can do all the programming and techniques you want to get a better life but if you don't love yourself it will not change a damn thing You will still feel the same way about yourself tomorrow and the day after that and the day after that The bottom line is the most important relationship you will ever have is the relationship you have with yourself This relationship can be a rewarding one when rooted in self love or it can be toxic when not So what is self love Why is it so important And most importantly how do you find it The Heart of the Matter answers these questions and more It takes the esoteric concept of self love and makes it accessible by clearly defining the three necessary components of self love Learn how to reconnect to these components by Discovering the transformational tools that are available within Learning how to use these tools to uncover what you really think and feel about yourself and the world around you and more importantly why Transforming the wounded parts of self that have been separated from this love through practical steps and

Johnson,Leslie S. Greenberg,1994 First Published in 1995 Routledge is an imprint of Taylor Francis an informa company **The Heart of the Matter** Arthur Green,2015-04-01 Judaism like all the great religions has a strand within it that sees inward devotion as an opening of the human heart to God's presence This voice is not always easy to hear in a tradition where so much attention is devoted to the how rather than the why of religious living The devotional claim certainly a key part of Judaism's biblical heritage has reasserted itself in the teachings of individual mystics and in the emergence of religious movements over the long course of Jewish history This volume represents Rabbi Arthur Green's own quest for such a Judaism both as a scholar and as a contemporary seeker This collection of essays brings together Green's scholarly writings centered on the history of early Hasidism and his highly personal approach to a rebirth of Jewish spirituality in our own day In choosing to present them in this way he asserts a claim that they are all of a piece They

represent one man's attempt to wade through history and text language and symbol an array of voices both past and present while always focusing on the essential question What does it mean to be a religious human being and what does Judaism teach us about it This the author considers to be the heart of the matter Publisher's description      **The Heart of the Matter** Linda Amara,2021-10-14 Have you ever wanted to be free from the punishing mindset of diet and exercise and simply learn how to eat and exercise to give your body what it needs to function best To be free from stress eating or comfort eating Food has so many emotional connections to the choices we make We respond to stress celebration comfort loneliness fear and so many other feelings with food As we come to a deeper revelation of the unconditional unstoppable love of the Father renew our mind with the word of God and replace those areas in our heart that used to be medicated by food or a workout we can be set free from a cycle of dieting losing weight and then back to eating a bag of cookies when stressful situations arise Instead we will learn to run to the One who is our Comforter our strength our peace and the lover of our soul His name is Jesus It is my sincere desire that as you take this thirty day journey of health and fitness that you would get to know how precious valuable and beautiful you are to the One who knows you completely loves you unconditionally and wants you to have life to the fullest      **Healing from Abuse** Carla van Raay,2016-05-27 Healing from Abuse A Practical Spiritual Guide is a balm for the soul The path of healing is awesome yet the author who has advanced along that very same journey herself maintains that everyone who takes it up is somehow given the power and support to make a success out of it This book is presented as a part of that support and that empowerment In its pages the reader is introduced and gradually made familiar with the Spirit of their inner being the reality so easily ignored and yet so powerful once engaged The Spirit Within is not confined to any religion it is within all of us whether we know it or not and nothing we can do or experience can get rid of it To heal means taking back the power to love and to receive love that great purpose worth living for It is this love that will restore self worth and self esteem from the ground up and from the inside out      The Heart of the Matter Kas Hawes,2023-10-28 This is a unique story It is the story of a doctor and the many patients she sees every day A tale of the diversity of life the uniqueness of individuals and the impact of deprivation on the health of society      The Heart Of The Matter: Perspectives On Emotion In Marital Susan M. Johnson,Leslie S. Greenberg,2013-08-21 First published in 1995 Intimate relationships are at the core of our emotional life There is no other context so infused by and responsive to the ebb and flow of human emotion A large part of human communication is emotional communication involving minute signals concerning closeness and distance and dominance and submission This information is of central importance in organizing interactions with significant others In addition the social interactions most crucial to our senses of well being positive adaptation and physical and emotional health are those that occur with significant others on whom we depend for our sense of security and belonging in the world This book examines the role of affect in intimate relations and in the redefinition of such relationships in therapy      **Heart of the Matter** Emily Giffin,2010-05-11 Giffin excels at creating complex characters

D. Burns, 2004 While recovering from a heart transplant a strange dream kept returning Bob Hunter found himself once again on a small lobster boat bobbing up and down in the ocean in front of a beautiful lighthouse he had never seen before A number of colorful lobster floats and a stack of lobster traps were on the boat in front of him Waves crashing and exploding against a rocky shore in front of the lighthouse sending giant sprays of white foam into the air A girl in a white dress was

standing on a rocky ledge to the left of the lighthouse and waving He knew that somehow she was waving at him As the sequence of dreams returned he would find himself walking up to her as she opened her arms to greet him She was one of the most beautiful girls he had ever seen Her long auburn hair and white dress were gently flowing in the breeze off of the ocean He would always wake up just as he approached Over a period of time he developed an unexplainable and obsessive love for her even though he knew she could not possibly be real Bob Hunter was an artist and a naturalist and painted a picture of both the lighthouse and the girl in his dreams A new acquaintance saw the painting of the lighthouse and told him it was real as she had visited and photographed the same lighthouse She encouraged him to travel to the area to see if he could find a reason for his dreams The dreams had no rhyme or reason Bob had never seen a lobster boat and could not believe that the lighthouse in his dreams actually existed The only way he could rid himself of these dreams was to follow his friend s suggestion and travel to the lighthouse and begin a search for the lady of his dreams
