Heartfelt Affections Gabriel S. de Anda, 2002-02 The novel is three intertwined stories with one central character the narrator Christian Verdugo Christian Verdugo is a twenty three year old male of Mexican American descent Story One deals with Christian and his relationship to two friends Ezer Kadosh and Miel Mishima both aged 23 They have been friends since high school This story deals with each of the characters as they develop and seek to gain independence from each other s influence In the course of the story Ezer will embark on a commercially lucrative career as a painter artist and he will come out of the gay closet declaring his interest in Christian who is not gay This of course causes problems Miel is a musician with his own band and he is also on a path of self discovery that includes his band his art his love of a woman five years his senior and his experimentation with drugs Story Two deals with Christian s broken heart over a girl named Maribeth who has left the country and fallen in love with someone else Christian in an evolving effort to ease his heartache will have an affair with an art school teacher a woman 14 years his senior known both to him and Maribeth This affair will prove to be an instructive enlightening adventure for Christian Story Three deals with Christian s job working for a crazy and irresponsible attorney Gordon Hamilton who is stealing money from his clients and living the life of sybaritic excess Gordon s irresponsibility will cause a lot of authority to be delegated to Christian a precocious young man growing up quickly through circumstance Gordon will end up stealing from the wrong client a Mexican Mafia hitman and criminal defendant which will result in Gordon s disappearance and probable but unconfirmed execution In a bizarre twist this hit man Oscar Godoy will take a paternal and professional interest in Christian and offer him a job A job doing what Christian can only guess These three stories will run simultaneously and meld at the novel s end when Christian escapes to Mexico to reassess the direction of his life

Wisely Stupid Breeze Queen, 2018-08-23 This book is named after the exhausted workers who return home hungry and sleep in hunger to restart the next days routine in whose books the term holiday does not exist This book is not named after kings monarchs nobles intellectuals and the rich and affluent instead it is named after the daughters who are abused womenfolk who are molested and for their children who are kidnapped for ransom which they do not have This book is named after those married women who are married for the names sake whose bodies are presented for decorations but are still living a life of ignored neglected dejected vagabonds whose sobs are unheard are liked fallen cracked leaves being crumpled further by passersby and whose lives are dark cold and moist

The Tennessee Mountain Man George Moon, 2013-04 My writing style is like a wheel I begin with the hub then branch out into other tales however before it all ends I bring it back so that it all makes sense I m able to describe a murder as well as sex without resorting to explicit detail like so much found in today s fiction By the proper use of language I accomplish the same emotional response from my readers The reader often finds interesting essays that digress from or adds to the main plot They might include slices of local history or an explanation why certain things appear as they do My stories are told with the reader in mind The plots are fast moving

and contain enough surprises to hold the reader's attention. The Tennessee Mountain Man is my third book. It takes a popular character from the first bio novel, Reno's Funmakers, and gives his exploits after five years of marriage. The year is 1861, and the trouble down at Fort Sumter in South Carolina not only changes the United States but Jack Leffingwell and his family. Along with the main plot, my books never fail to offer the reader information that was previously unknown, making it a learning experience.

The Art of American Screen Acting, 1960 to Today Dan Callahan, 2019-02-14. Modern screen acting in English is dominated by two key figures: Method acting guru Lee Strasberg, who taught the art of experiencing over the art of representing, and English theater titan Laurence Olivier, who once said of the Method's immersive approach, "try acting it's so much easier." This book explores in detail the work of such method actors as Al Pacino, Ellen Burstyn, Jack Nicholson, and Jane Fonda, and charts the shift away from the more internally focused Strasberg-based acting of the 1970s and towards the more external way of working exemplified by the career of Meryl Streep in the 1980s.
