their potency when they combine to form what many experience as a mysterious unknown force that many mistakenly attribute to their instinct or nature and strongly *Have I Been Over-Wed?* Renooka Gopaul, 2011-09-26 My first husband Goldie was obsessed with kids and he chose to be with another woman just for kids He said he loved me but I don't know whether he was true as when I asked him to hire a surrogate mother he turned me down saying he wanted a child with love Does love mean to have physical relation only and produce children It might be so I am still searching an answer to this He asked me to stay in his life just as a mere doll and I could not accomplish that My second husband Brainie was simply obsessed with money For him money was everything and other things served no importance in his life He wanted me to be his money machine and after spending seven years with him Dave came in my life Dave my third husband was obsessed with sex For him marriage was just the license to physical relation freely Whereas for me marriage is a very sacred relation a relation which I believe can be nurtured only with love faith and happiness Again love is not as simple as it sounds to be It is the mental and emotional attachment between two persons You cannot go before two or three persons at a time and tell them that you love them Before you tell a person that you love him or her at first give a thought whether you have any respect for that person and if you can keep him or her happy Have some love in your heart for the person with whom you are sharing a physical relation I am so confused after so many incidents in my life that I still do not have answers to many questions I am writing this book and I hope earnestly that the readers will help me in finding answers to these questions I don't know if I had been married too many times I don't know even if any one of my husbands loved me I don't know if they had just abused my life and my trust and kicked me out of their lives *A Life Unscripted* Mary Inez Ramirez, 2004-12-03 This is the life story of a remarkable woman who has not only learned life's difficult lessons but understands that life is sweeter because of them Whereas others may harbor despair over life's challenges Mary Inez writes about these difficulties in a way that inspires the reader and leaves powerful feelings about life She honestly shares life's crises and shows how through faith any circumstance in life can be worthwhile **Living Life as a Thank You** Nina Lesowitz, Mary Beth Sammons, 2010-10-15 Whatever is given even a difficult and challenging moment is a gift Living as if each day is a thank you can help transform fear into courage anger into forgiveness isolation into belonging and another's pain into healing Saying thank you every day inspires feelings of love compassion and hope These ideas are the basis for this timely book Authors Nina Lesowitz and Mary Beth Sammons present a simple but comprehensive program for incorporating gratitude into one's life and reaping the many benefits that come from doing so The book is divided into ten chapters from Thank You Power and Ways to Stay Thankful in Difficult Times to Gratitude as a Spiritual Cultural Practice and Putting Gratitude into Action Each chapter includes stories of individuals whose lives have been transformed by embracing this program along with motivating quotes and blessings and a suggested gratitude practice such as keeping a weekly gratitude journal and starting a gratitude circle Expansive Leadership Latha Poonamallee, 2021-05-17 The structured 28 day mindfulness and contemplative journey presented in this
