Emerging Into A New World:

Emerging and Reemerging Plant Viruses in a Context of Global Change Giuseppe Parrella, Paul Leslie Guy, Toufic Elbeaino, 2023-02-02 **Emerging Viruses in Human Populations** Edward Tabor, 2006-12-19 Infectious diseases are an ever present threat to humans In recent years the threat of these emerging viruses has been greater than ever before in human history due in large part to global travel by larger numbers of people and to a lesser extent to disruptions in the interface between developed and undeveloped areas The emergence of new deadly viruses in human populations during recent decades has confirmed this risk They remain the third leading cause of deaths in the US and the second world wide Emerging Viruses in Human Populations provides a comprehensive review of viruses that are emerging or that threaten to emerge among human populations in the twenty first century It discusses the apprehension over emerging viruses that has intensified due to concerns about bioterrorism Presents the history of emerging viruses Includes chapters on SARS Pandemic Threat of Avian Influenza Viruses West Nile Virus Monkeypox Virus Hantavirus Nipah Virus and Hendra Virus Japanese Encephalitis Virus Dengue and Crimean Congo Hemorrhagic Fever Viruses Discusses surveillance for newly emerging diseases **Racializing Jesus** Shawn Kelley, 2005-07-08 Shawn Kelley s groundbreaking study shows how the major intellectual movements of the modern world such as Orientalism and romantic nationalism become infused with the category of race He then traces the processes through which racially grounded thinking has influenced modern biblical scholarship Dynamic and thought provoking the book incorporates a wide range of current debate from critical race theory to the relationship between Martin Heidegger and National Socialism It will give every student and scholar of biblical studies awareness of the subtle ways in which racial thinking has permeated their discipline and encourage them to create new modes of biblical analysis **Islamic Identity and Development after the Ottomans** Özyay Mehmet, 2023-03-31 Exploring themes of identity and development in the post Ottoman Arab world this book updates the author s earlier Islamic Identity and Development Routledge 1990 to analyse the root causes of chaos civil war and conflict in the Islamic Core today Adopting a neo Ottomanist framework and using the latest scholarship on the Middle East the author traces the historical development of the current crisis to the First World War when the West instigated invasions coup d tats civil and proxy wars It is argued that Western powers have facilitated the dispossession of the Arab people in their overarching aim to gain control of the oil fields A range of historical case studies are provided as evidence from the Balfour Declaration and the Sykes Picot Agreement to the creation of Israel and the displacement of Islamic refugees Individual nations are also analysed including Iran Saudi Arabia Iraq Syria Libya and Egypt Ultimately the author suggests that artificial countries and unsustainable frontiers are the root causes of the Islamic crisis However a realistic and long term solution may lie in the evolution of a new Silk Route Economy This book will appeal to graduate level students in political economy area studies international affairs and Middle East studies generally **Sydney University Sport 1852-2007** Geoff Sherington, Steve

Georgakis,2008-06-10 Sydney University Sport 1852 2007 More than a Club offers a fascinating and highly informative overview of the development of sport at the University of Sydney over the past century and a half **Modern Eloquence** Ashley Horace Thorndike,1928 **Challenge of a Liberal Faith** George N. Marshall,1988 **World Literature After Empire** Pieter Vanhove,2021-07-28 This book makes the case that the idea of a world in the cultural and philosophical sense is not an exclusively Western phenomenon During the Cold War and in the wake of decolonization a plethora of historical attempts were made to reinvent the notions of world literature world art and philosophical universality from an anticolonial perspective Contributing to recent debates on world literature the postcolonial and translatability the book presents a series of interdisciplinary and multilingual case studies spanning Europe the United States and China The case studies illustrate how individual anti imperialist writers and artists set out to remake the conception of the world in their own image by offering a different perspective centered on questions of race gender sexuality global inequality and class The book also discusses how international cultural organizations like the Afro Asian Writers Bureau UNESCO and PEN International attempted to shape this debate across Cold War divides *The Slavonic and East European Review* ,1923 Includes section Reviews **The Slavonic Review** ,1923 **Modern Eloquence, Founded by Thomas B. Reed: Hart to Snyder** Ashley Horace Thorndike,Brander Matthews,Sir Robert Laird Borden,1927 *The Handwriting on the Wall* Arthur Dehon Little,1928 *New World, Known World* David Read,2005 *New World Known World* examines the works of four writers closely associated with the early period of English colonization from 1624 to 1649 John Smith s *Generall Historie of Virginia* William Bradford s *Of Plymouth Plantation* Thomas Morton s *New English Canaan* and Roger Williams s *A Key into the Language of America* in conjunction with another of Williams s major works *The Bloudy Tenent of Persecution* David Read addresses these texts as examples of what he refers to as individual knowledge projects the writers attempts to shape raw information and experience into patterns and narratives that can be compared with and assessed against others from a given society s fund of accepted knowledge Read argues that the body of Western knowledge in the period immediately before the development of well defined scientific disciplines is primarily the work of individuals functioning in relative isolation rather than institutions working in concert The European colonization of other regions in the same period exposes in a way few historical situations do both the complexity and the uncertainty involved in the task of producing knowledge Read treats each work as the project of a specific mind reflecting a high degree of intentionality and design and not simply as a collection of documentary evidence to be culled in the service of a large scale argument He shows that each author adds a distinct voice to the experience of North American colonization and that each articulates it in ways that are open to analysis in terms of form style convention rhetorical strategies and applications of metaphor and allegory By applying the tools of literary interpretation to colonial texts Read reaches a fuller understanding of the immediate consequences of English colonization in North America on the culture s base of knowledge Students and scholars of early modern colonialism and transatlantic
