

Emerging Issues In Child Psychiatry And The Law

Richard Rosner, Harold I. Schwartz

Emerging Issues In Child Psychiatry And The Law:

Emerging Issues in Child Psychiatry and the Law Diane H. Schetky, Elissa P. Benedek, 1985
Child Psychiatry and the Law Diane H. Schetky, Elissa P. Benedek, 1985
Juvenile Psychiatry and the Law Richard Rosner, Harold I. Schwartz, 2012-12-06 I am not sure when a series of volumes becomes an institution this is the fourth annual volume of Critical Issues in American Psychiatry and the Law and each has been an extraordinary summary of important forensic topics This book makes the point that the interface of psychiatry and law is not merely a legal one but has a great deal to do with clinical issues such as diagnosis and treatment Children and adolescents are not adults This may come as something of a shock to those who proselytize for equal rights for children and to those adults including some psychiatrists attorneys and judges who advocate giving the child adult choices and or responsibilities Children differ from adults in many ways The specialist in child or adolescent psychiatry knows not only that one must attend to special social and family issues for juveniles but that juveniles are more complex internally as well They attempt to survive in the world while rapidly growing and learning usually with physically and emotionally immature resources They have had few years in which to develop experience and do not have the psyche with which to integrate that experience in ways one would expect of a mature adult Sometimes this frightens the patient as in the case of a physically large teen ager whose impulse control is impaired Sometimes it is frustrating as in the case of a healthy child unable to escape from a dysfunctional family It is always confusing and usually uncomfortable
Child Mental and the Law Barry Nurcombe, 2010-06-15 The legal aspects of child mental health have changed in recent years yet many who deal professionally with disturbed children are ill informed about the rights and responsibilities of minors Child Mental Health and the Law addresses the need for a comprehensive up to date text that describes the evolution of child mental health law and the relevance of the law to the child mental health clinician
The International Handbook on Psychopathic Disorders and the Law Alan Felthous, Henning Sass, 2012-05-14 Reflecting the work of an international panel of experts the International Handbook on Psychopathic Disorders and the Law offers an in depth and multidisciplinary look at key aspects of the development and etiology of psychopathic disorders current methods of intervention treatment and management and how these disorders impact decision making in civil and criminal law
Principles and Practice of Forensic Psychiatry Richard Rosner, Charles Scott, 2017-02-03 The third edition of this award winning textbook has been revised and thoroughly updated Building on the success of the previous editions it continues to address the history and practice of forensic psychiatry legal regulation of the practice of psychiatry forensic evaluation and treatment psychiatry in relation to civil law criminal law and family law as well as correctional forensic psychiatry New chapters address changes in the assessment and treatment of aggression and violence as well as psychological and neuroimaging assessments
Child and Adolescent Mental Health Consultation in Hospitals, Schools, and Courts Gregory K. Fritz, 1993 In this new book leading experts in the field of child and adolescent consultation

liaison psychiatry present a practical guide for mental health professionals consulting in hospitals schools and the juvenile justice system It is designed to aid the psychiatrist or psychologist in becoming an effective case consultant as well as a practical minded educator sought by mental health professionals in other disciplines Child and Adolescent Mental Health Consultation in Hospitals Schools and Courts is comprised of three sections each covering the following subject areas Characteristics of each system and the professionals who work in that setting The logistics of consultation Typical problems encountered Suggested interventions **Handbook of Psychology, Forensic Psychology** Irving B. Weiner, Randy K. Otto, 2012-10-16 Psychology is of interest to academics from many fields as well as to the thousands of academic and clinical psychologists and general public who can't help but be interested in learning more about why humans think and behave as they do This award winning twelve volume reference covers every aspect of the ever fascinating discipline of psychology and represents the most current knowledge in the field This ten year revision now covers discoveries based in neuroscience clinical psychology's new interest in evidence based practice and mindfulness and new findings in social developmental and forensic psychology *California. Supreme Court. Records and Briefs* California (State)., Court of Appeal Case s D004594

The International Handbook of Parental Alienation Syndrome Richard A. Gardner, S. Richard Sauber, Demosthenes Lorandos, 2006 The dramatic increase in the number of child custody disputes since the seventies has created an equally dramatic need for a standard reference work that examines the growing social problem of children who develop an irrational hatred for a parent as the result of divorce The International Handbook of Parental Alienation Syndrome Conceptual Clinical and Legal Considerations features clinical legal and research perspectives from 32 contributors representing eight countries building on the work of the late Dr Richard Gardner a pioneer in the theory practice diagnosis and treatment of Parental Alienation Syndrome PAS This unique book addresses the effects of PAS on parents and children discusses issues surrounding reconciliation between parent and alienated child and includes material published for the first time on incidence gender and false allegations of abuse in PAS Content highlights examines PAS and the roles of family members the criminal justice system and the need for public awareness and policymakers to respond to PAS Descriptive statistics on 84 cases are given and the factors affecting reconciliation between the child and target parent are listed The mild moderate and severe categories of PAS are explored and the psychological consequences of PAS indoctrination for adult children of divorce and the effects of alienation on parents are researched The role of medical reports in the development of PAS sexual abuse allegations and future predictions on the fate of PAS children are many of the clinical considerations in this book The legal issues concern PAS in American law criticisms of PAS in courts of law protecting the fundamental rights of children in families family law reform International PAS abductions and the legal requirements of experts giving evidence to courts The impact and implications of PAS are immense and no other single source provides the depth and breadth of coverage of the topic than the clinical and forensic chapters in this book Child Sexual Abuse Diane H. Schetky, Arthur H.

Green,2014-01-09 First published in 1988 Child sexual abuse involves the exploitation of a child for the sexual gratification of an adult A narrower form of child sexual abuse is incest which refers to the sexual exploitation of the child by another family member This book provides us a comprehensive and comprehensible current account of what is known and what is not known on the subject of child sexual abuse Drs Schetky and Green both highly skilled and talented child psychiatrists have a wealth of information and experience that they share in an admirably straightforward and sensible way They pull no punches providing the available data and where no adequate scientific data are available they draw on their considerable practical knowledge Each problem area is faced directly and forthrightly making this book the single most useful volume for all health care and legal professionals who work with sexually abused children and their families *Handbook of Psychology, Forensic Psychology* Alan M. Goldstein,2003-01-07 Includes established theories and cutting edge developments Presents the work of an international group of experts Presents the nature origin implications an future course of major unresolved issues in the area *Beginning Child Psychiatry* Paul L. Adams,Ivan Fras,1988 California. Court of Appeal (1st Appellate District). Records and Briefs California (State)., *Principles and Practice of Forensic Psychiatry, 2Ed* Yasuhiro Monden,2003-02-28 The second edition of this award winning textbook has been thoroughly revised and updated throughout Building on the success of the first edition the book continues to address the History and Practice of Forensic Psychiatry Legal Regulation of the Practice of Psychiatry Psychiatry in relation to Civil Law Criminal Law and Family Law Importan **Handbook of Clinical Child Psychology** C. Eugene Walker,Michael C. Roberts,2001-01-30 The increasing focus on children s welfare has given rise to tremendous growth in the field of child psychology and the past decade has witnessed significant advances in research in this area *Current Catalog* National Library of Medicine (U.S.),1985 First multi year cumulation covers six years 1965 70 **National Library of Medicine Current Catalog** National Library of Medicine (U.S.),1992-07

Psychiatry in Law / Law in Psychiatry, Second Edition Ralph Slovenko,2009-03-03 Psychiatry in Law Law in Psychiatry 2nd Edition is a sweeping up to date examination of the infiltration of psychiatry into law and the growing intervention of law into psychiatry Unmatched in breadth and coverage and thoroughly updated from the first edition this comprehensive text and reference is an essential resource for psychiatry residents law students and practitioners alike

Principles and Practice of Forensic Psychiatry, Third Edition Richard Rosner,Charles Scott,2017-02-03 The third edition of this award winning textbook has been revised and thoroughly updated Building on the success of the previous editions it continues to address the history and practice of forensic psychiatry legal regulation of the practice of psychiatry forensic evaluation and treatment psychiatry in relation to civil law criminal law and family law as well as correctional forensic psychiatry New chapters address changes in the assessment and treatment of aggression and violence as well as psychological and neuroimaging assessments
