Emerson And The Orphic Poet In America:

Emerson and the Orphic Poet in America R. A. Yoder, 2023-07-28 In *Emerson and the Orphic Poet in America* the author explores Ralph Waldo Emerson's conception of poetry and the poet within the context of a larger Romantic tradition. Emerson's work represents a critical shift in American thought, merging European Romantic ideals with an American voice. At the heart of his vision is the idea of the poet as both a visionary and a liberator of truth, a concept that Emerson inherited from a variety of traditions, including Blake's notion of the universal man and the Logos of Platonism. Emerson's invocation of the Orphic poet in his 1836 work *Nature* marks a departure from traditional American thought, positioning the poet as the one who speaks eternal truths, a voice that transcends the limitations of time and geography. His work incorporates a syncretic method, drawing from both European influences and American independence while advocating for a return to the primal source of truth. This conception places the poet at the center of life's order, a figure capable of transcending ordinary experience to reveal deeper universal truths. The study further delves into the development of Emerson's own poetic practice, noting the evolution from the grand Orphic figure in *Nature* to a more modest poet in his later works. Emerson initially saw poetry as a prophetic and divine gift, but over time, his work became more focused on the human and accessible aspects of poetry. His later writings reflect a poet who, though aware of the grandeur of Orphic ideals, recognizes the limitations of his own work, describing his voice as husky and imperfect. Despite this, Emerson still aligns himself with the greater tradition of poetic bards, finding satisfaction in their immortal melodies. The book concludes with an analysis of how Emerson's modifications of the Orphic tradition have shaped American poetry, preserving its core inquiries while adapting it to a distinctly American context. Through his evolving poetic practice, Emerson's work continues to resonate, influencing generations of American poets. This title is part of UC Press's *Voices Revived* program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, *Voices Revived* makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1978.

Emerson R. W. and the Orphic Poet in America R. A.

Yoder, 1978 **Women Poets and the American Sublime** Joanne Feit Diehl, 1990-11-22 This is the best book on American women poets I have yet seen. American Literature: sophisticated and eloquently argued analysis of a female counter-sublime. Sandra Gilbert: strong readings of Dickinson and Moore and a vital polemic on behalf of feminist criticism. Harold Bloom: This brilliant re-evaluation of major American women poets will be indispensable reading. A stunning and a magisterial achievement. Susan Gubar: a powerful thesis, a book that is as rich as it is dense in meaning. *The Women's Review of Books*: Employing current work in gender studies, psychoanalysis, and literary criticism and focusing on Emily Dickinson, Marianne Moore, Elizabeth Bishop, Sylvia Plath, and Adrienne Rich, the author delineates an alternative tradition of American women poets, what Diehl calls the American Counter Sublime. **Emerson's Prophet-poet Mythos** John Oliver Beaver, 1994

Writers of the American Renaissance

Denise Knight, 2003-12-30 The American literary canon has undergone revision and expansion in recent years and our notions of the 19th century renaissance have been reevaluated Mainstream anthologies have been revised to reflect the expanding literary canon yet resources for readers have remained widely scattered This book expands earlier definitions of the 19th century American Renaissance as represented by canonical writers such as Emerson and Poe covering writers who published popular fiction and dominated the literary marketplace of the day Included is generous coverage of women writers and writers of color The volume provides alphabetically arranged entries for more than 70 writers of the period including Louisa May Alcott Emily Dickinson Frederick Douglass Margaret Fuller Nathaniel Hawthorne Herman Melville Harriet Beecher Stowe Henry David Thoreau Walt Whitman and many more Each entry was written by an expert contributor and includes a brief biography a discussion of major works and themes a survey of the writer's critical reception and primary and secondary bibliographies

At Emerson's Tomb John Carlos Rowe, 1997 Challenges the conventional critical reading of the American poetic project as an engagement with or reaction against Emersonian thought Rowe demonstrates how ideals of individualism intellectualism and otherworldliness inevitably undermine any political effectiveness that a writer may seek to achieve

William Carlos Williams and Transcendentalism Ron Callan, 1992-06-18 This book examines the achievements of William Carlos Williams in the context of the transcendentalism of Ralph Waldo Emerson Henry David Thoreau and Walt Whitman The author develops a narrative of sensibilities to enrich the understanding of transcendentalism

The Apocalypse in English Renaissance Thought and Literature C. A. Patrides, Joseph Anthony Wittreich, 1984 This remarkable collection of original essays by a distinguished group of American and English scholars explores attitudes toward apocalyptic thought and the Book of Revelation as they were reflected over many centuries in theological discourse political activity and artistic and literary endeavors

The Memory of Tiresias Mikhail Iampolski, 1998-10-26 The concept of intertextuality has proven of inestimable value in recent attempts to understand the nature of literature and its relation to other systems of cultural meaning In The Memory of Tiresias Mikhail Iampolski presents the first sustained attempt to develop a theory of cinematic intertextuality Building on the insights of semiotics and contemporary film theory Iampolski defines cinema as a chain of transparent mimetic fragments intermixed with quotations he calls textual anomalies These challenge the normalization of meaning and seek to open reading out onto the unlimited field of cultural history which is understood in texts as a semiotically active extract already inscribed Quotations obstruct mimesis and are consequently transformed in the process of semiosis an operation that Iampolski defines as reading in an aura of enigma In a series of

brilliant analyses of films by D W Griffith Sergei Eisenstein and Luis Buñuel he presents different strategies of intertextual reading in their work His book suggests the continuing centrality of semiotic analysis and is certain to interest film historians and theorists as well as readers in cultural and literary studies **The Columbia History of American Poetry** Jay

Parini,1993-12-23 New York Times Book Review **Early American Nature Writers** Daniel Patterson,2007-11-30 At a time when the environment is of growing concern to students and general readers nature writing is especially meaningful This book profiles the literary careers of 52 early American nature writers such as John James Audubon Ralph Waldo Emerson Caroline Stansbury Kirkland Thomas Jefferson Henry David Thoreau and Mabel Osgood Wright Each entry is written by an expert contributor and discusses the writer's life and works Entries close with primary and secondary bibliographies and the encyclopedia ends with suggestions for further reading Global warming pollution and other issues have made the environment a topic of constant discussion these days Many environmental concerns were treated by early American nature writers who recognized the beauty of the natural world in an age of commercial expansion Some of the most famous writers of the 18th and 19th centuries wrote about nature and their works are stylistic masterpieces At a time when students are being encouraged to read and write about nonfiction these masterworks of early American nature writing are all the more important This book gives students and general readers a welcome introduction to early American nature writers

Transcendental Utopias Richard Francis,2018-10-18 New England Transcendentalism was a vibrant and many sided movement whose members are probably best remembered for their utopian experiments their attempts to reconcile the contingent world of history with what they perceived as the stable and patterned world of nature Richard Francis has written the first book to explore in detail the ideological basis of the three famous experiments during the 1840s Brook Farm Fruitlands and Henry David Thoreau's community of one on the shores of Walden Pond Francis suggests that at the heart of Transcendentalism was a belief that all phenomena are connected in a repetitive sequence The task was to explain how human society could be reordered to benefit from this seriality Some members of the movement believed in evolutionary progress whereas others hoped to be the agents of a sudden millennial transformation They differed as well in their views as to whether the fundamental social unit was the individual the family the phalanstery or the community The story of the three communities was inevitably also the story of particular individuals and Francis highlights the lives and ideas of such leaders as George Ripley W H Channing Bronson Alcott Charles Lane and Theodore Parker The consistent underlying beliefs of the New England Transcendentalists have exerted a powerful influence on American intellectual and cultural history ever since

Guide to American Poetry Explication James Ruppert,John R. Leo,1989 **The American Renaissance** Harold Bloom,2009 Examines the literary period of the nineteenth century known as the American Renaissance that includes the work of Herman Melville Walt Whitman Edgar Allan Poe and others *Walt Whitman and Emily Dickinson* Agnieszka Salska,2016-11-11 Agnieszka Salska's illuminating study of the patterns of consciousness in the poetry of two major

nineteenth century American poets borrows from Northrop Frye's phrase the structure of the poet's imagination Walt Whitman and Emily Dickinson the first extensive book comparing the two poets builds on the shorter works by Karl Keller and Albert Gelpi and is further augmented by Salska's outside viewpoint from her native Poland Her extensive research in the United States in 1984 ensures the timeliness of the work and makes the study truly valuable That Dickinson and Whitman shared a common ground of aspiration for existential wholeness is made clearer to twentieth century readers by Salska's argument which traces the poets heritage from Ralph Waldo Emerson Although both poets begin with the same vision that the artist's mind is solely responsible for the organization of the universe their realizations of that image diverge radically Salska's keen judicious observations add much to our understanding of the poets both as individuals and as contemporaries Her book will be of great interest to students of Whitman and Dickinson poetry and American literature The clarity of style makes the book invaluable to undergraduates graduate students and scholars in general

Emerson's Essays Harold Bloom, 2006 Ralph Waldo Emerson 1803-1882 was the most influential American writer of the nineteenth century Poets such as Walt Whitman Emily Dickinson Robert Frost and Wallace Stevens descend from Emerson as do thinkers such as John Dewey and William James This volume of critical interpretations focuses on Emerson's Essays First Series 1841 and Essays Second Series 1844 which encompass some of his most important works History Self Reliance Circles The Poet and Experience among others These essays exemplify Emerson's distinctively rich prose and his radical affirmation of the strength of the individual The analyses and appreciations collected here place Emerson's essays in the context of literary and intellectual history grapple with the implications of his epigrams and tropes and link his shifts of perspective and tone to the changes in Emerson's life Together they illuminate the complexity and scope of the seminal works of America's most influential writer and thinker Book jacket

The Daemon Knows Harold Bloom, 2015-05-12 NEW YORK TIMES BESTSELLER NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND KIRKUS REVIEWS Hailed as the indispensable critic by The New York Review of Books Harold Bloom New York Times bestselling writer and Sterling Professor of Humanities at Yale University has for decades been sharing with readers and students his genius and passion for understanding literature and explaining why it matters Now he turns at long last to his beloved writers of our national literature in an expansive and mesmerizing book that is one of his most incisive and profoundly personal to date A product of five years of writing and a lifetime of reading and scholarship The Daemon Knows may be Bloom's most masterly book yet Pairing Walt Whitman with Herman Melville Ralph Waldo Emerson with Emily Dickinson Nathaniel Hawthorne with Henry James Mark Twain with Robert Frost Wallace Stevens with T S Eliot and William Faulkner with Hart Crane Bloom places these writers works in conversation with one another exploring their relationship to the daemon the spark of genius or Orphic muse in their creation and helping us understand their writing with new immediacy and relevance It is the intensity of their preoccupation with the sublime Bloom proposes that distinguishes these American writers from their European

predecessors As he reflects on a lifetime lived among the works explored in this book Bloom has himself in this magnificent achievement created a work touched by the daemon Praise for The Daemon Knows Enrapturing radiant intoxicating Harold Bloom who bestrides our literary world like a willfully idiosyncratic colossus belongs to the party of rapture Cynthia Ozick The New York Times Book Review The capstone to a lifetime of thinking writing and teaching The primary strength of The Daemon Knows is the brilliance and penetration of the connections Bloom makes among the great writers of the past the shrewd sketching of intellectual feuds or oppositions that he calls agons Bloom s books are like a splendid map of literature a majestic aerial view that clarifies what we cannot see from the ground The Washington Post Audacious The Yale literary scholar has added another remarkable treatise to his voluminous body of work The Huffington Post The sublime The Daemon Knows is a veritable feast for the general reader me as well as the advanced I assume one John Ashbery Mesmerizing New York Journal of Books Bloom is a formidable critic an extravagant intellect Chicago Tribune As always Bloom conveys the intimate urgent compelling sense of why it matters that we read these canonical authors Kirkus Reviews starred review Few people write criticism as nakedly confident as Bloom s any more The Guardian U K **Encyclopedia of the Romantic Era 1760-1850** Christopher John Murray, 2013-05-13 In 850 analytical articles this two volume set explores the developments that influenced the profound changes in thought and sensibility during the second half of the eighteenth century and the first half of the nineteenth century The Encyclopedia provides readers with a clear detailed and accurate reference source on the literature thought music and art of the period demonstrating the rich interplay of international influences and cross currents at work and to explore the many issues raised by the very concepts of Romantic and Romanticism
