Emile Durkheim on the Family

THE HISTORY OF THE MODERN
FAMILIES

Emile Durkheim On The Family

Annette F. Timm, Joshua A. Sanborn

Emile Durkheim On The Family:

Emile Durkheim on the Family Mary Ann Lamanna, 2001-10-24 This book looks at this classical sociologist's work on the family. Durkheim's writings in this area are little known but the family was nevertheless one of his primary interests. It brings together Durkheim's ideas on the family from diverse sources and presents his family and sociology systematically and comprehensively. Chapter topics include Durkheim's life and times, his evolutionary theory of the family, methodologies for studying the family, the changing relationship of kin, conjugal family and the state, the interior of the family, family policy, gender, sexuality. His work is situated in its historical context and comparisons are drawn to present day sociology of the family and family issues.

Emile Durkheim on the Family Mary Ann Lamanna, 2001 Mary Ann Lamanna has gathered together Durkheim's ideas on the family from diverse sources and in this volume in the Understanding Families series presents ideas on his family sociology systematically and comprehensively.

Emile Durkheim on the Family Mary Ann Lamanna, 2001-10-24 This valuable source for a systematic and comprehensive understanding of Durkheim's ideas on the family constitutes a major addition to the literature on the family, social theory, women's studies and family law. Highly recommended for upper division undergraduates and above. CHOICE. *Emile Durkheim on the Family* is intended to bring attention to this classical sociologist's work on the family. Durkheim's writings in this area are little known but the family was nevertheless one of his primary interests. The subject of an intended book that was never written, Durkheim's ideas on the family appear only in scattered sources and a number of those sources have not been translated into English. Durkheim's Sociology of the family has not heretofore been presented and analyzed holistically. The purpose of Lamanna's book is to bring together Durkheim's ideas on the family from diverse sources and to present his family sociology systematically and comprehensively. Quotations from Durkheim's writing or speaking enrich the analysis. Durkheim's work on the family is situated in its historical context and comparisons are drawn to present day sociology of the family. The family and family issues. Chapter topics include Durkheim's life and times. His evolutionary theory of the family. Methodologies for studying the family. The changing relationship of kin. Conjugal family and the state. The interior of the family. Family policy. Gender. Sexuality. An examination of Durkheim's work on the family reveals its close connections to his well known books and theories. *Emile Durkheim on the Family* should interest audiences in sociology of the family, social theory, family science, European intellectual history, women's studies, legal history and those generally interested in family studies and or nineteenth and early twentieth century Europe.

Emile Durkheim Steven Lukes, 1985 This study of Durkheim seeks to help the reader to achieve a historical understanding of his ideas and to form critical judgments about their value. To some extent these two aims are contradictory. On the one hand one seeks to understand what did Durkheim really mean, how did he see the world, how did his ideas relate to one another and how did they develop, how did they relate to their biographical and historical context, how were they received, what influence

did they have and to what criticism were they subjected what was it like not to make certain distinctions not to see certain errors of fact or of logic not to know what has subsequently become known On the other hand one seeks to assess how valuable and how valid are the ideas to what fruitful insights and explanations do they lead how do they stand up to analysis and to the evidence what is their present value Yet it seems that it is only by inducing oneself not to see and only by seeing them that one can make a critical assessment The only solution is to pursue both aims seeing and not seeing simultaneously More particularly this book has the primary object of achieving that sympathetic understanding without which no adequate critical assessment is possible It is a study in intellectual history which is also intended as a contribution to sociological theory

The Social Thought of Emile Durkheim Alexander Riley, 2014-02-04 This new volume of the SAGE Social Thinkers series provides a concise introduction to the work life and influences of mile Durkheim one of the informal holy trinity of sociology s founding thinkers along with Weber and Marx The author shows that Durkheim s perspective is arguably the most properly sociological of the three He thought through the nature of society culture and the complex relationship of the individual to the collective in a manner more concentrated and thorough than any of his contemporaries during the period when sociology was emerging as a discipline

Disturbing the Nest David Popenoe, 2020-10-14 Disturbing the Nest assesses the future of the family as an institution through an historical and comparative analysis of the nature causes and social implications of family change in advanced western societies such as the United States New Zealand and Switzerland by focusing on the one society in which family decline is found to be the greatest Sweden The founding of the modern Swedish welfare state was based in large part on the belief that it was necessary for the state to intervene in society in order to improve the situation of the family Of great concern was the low birthrate which was seen as a threat to the very survival of Swedes as a national population group The Social Democrats pioneered welfare measures that aimed to strengthen the family to alleviate its worst trials and tribulations and to make possible harmonious living With the Social Democrats remaining in power continuously until 1976 a period of almost forty five years Sweden went on to implement governmental family policies that are among the most comprehensive and expensive in the world In view of this major policy goal of family improvement the actual situation of the Swedish family today presents a genuine irony some have claimed that Swedish welfare state policies have had consequences that are the opposite of those originally intended Comparing contemporary Swedish family patterns with those of other advanced nations one finds a very high family dissolution rate probably the highest in the Western world and a high percentage of single parent female headed families Even marriage seems to have fallen increasingly out of favor with Sweden having the lowest marriage rate and latest age of first marriage and the highest rate of children born out of wedlock The early pronatalist aspirations of the Swedish government have been spectacularly unsuccessful as Sweden continues to have one of the world s lowest birthrates and smallest average family sizes

Handbook of Marriage and the Family Marvin B. Sussman, Suzanne K. Steinmetz, Gary W. Peterson, 2013-06-29 To

know where we are going as scholars educators and practitioners in the field of marriage and family life we first need to know where we have been A perusal of early texts on marriage and family life provides some thought provoking insights into the accuracy of the saying what goes around comes around It is interesting to note who has been considered to be in a position to provide information on marriage and family life Included in the eclectic collection of texts we reviewed were ministers whose focus was on spirituality doctors who emphasized medical aspects of child and adult health and public health professionals and home economists concerned with fighting disease who emphasized cleanliness order fighting germs and eliminating rodents and insects There are also philosophers who drew from ancient texts when discussing family life and a count who assembled a group of German intellectual elites to address various topics An insightful essay of this type is by Marta Karlweis 1926 in which she notes There is no other fetish that society holds to so firmly as the conception woman with all its usual associations of infantilism and dependence The child requires protection is a minor and consequently a serf but above all it possesses no spiritual existence Neither doctorates or other distinctions nor the right to vote have as yet been able to dispel this sweet idea of the childishness of woman which man cherishes p *Sourcebook of Family Theories and Methods* Pauline Boss, William J. Doherty, Ralph LaRossa, Walter R. Schumm, Suzanne K. Steinmetz, 2008-11-19 Origins We call this book on theoretical orientations and methodological strategies in family studies a sourcebook because it details the social and personal roots i e sources from which these orientations and strategies flow Thus an appropriate way to preface this book is to talk first of its roots its beginnings In the mid 1980s there emerged in some quarters the sense that it was time for family studies to take stock of itself A goal was thus set to write a book that like Janus would face both backward and forward a book that would give readers both a perspective on the past and a map for the future There were precedents for such a project The Handbook of Marriage and the Family edited by Harold Christensen and published in 1964 the two Contemporary Theories about the Family volumes edited by Wesley Burr Reuben Hill F Ivan Nye and Ira Reiss published in 1979 and the Handbook of Marriage and the Family edited by Marvin Sussman and Suzanne Steinmetz then in production

The Transformation of Family Law Mary Ann Glendon, 1989 Mary Ann Glendon offers a comparative and historical analysis of rapid and profound changes in the legal system beginning in the 1960s in England France West Germany Sweden and the United States while bringing new and insightful interpretation and critical thought to bear on the explosion of legislation in the last decade Glendon is generally acknowledged to be the premier comparative law scholar in the area of family law This volume which offers an analytical survey of the changes in family law over the past twenty five years will burnish that reputation Essential reading for anyone interested in evaluating the major changes that occurred in the law of the family And of serious interest to those in the social sciences as well James B Boskey Law Books in Review Poses important questions and supplies rich detail Barbara Bennett Woodhouse Texas Law Review An impressive scholarly documentation of the legal changes that comprise the development of a conjugally centered family system Debra Friedman

Contemporary Sociology She has painted a portrait of the family in which we recognize not only ourselves but also unremembered ideological forefathers It sends our thoughts out into unexpected adventures Inga Markovits Michigan Law Review

Émile Durkheim's Contributions to Sociological Theory Charles Elmer Gehlke,1915 **Emile Durkheim's Contributions to Sociological Theory** Charles Elmer Gehlke,1915 Readings in Family Theory Thomas R. Chibucos,Randall W. Leite,David L. Weis,2005 Readings in Family Theory is an anthology of classic and contemporary articles that provides a context for student learning by demonstrating how theory fits into the overall process of scientific research on families The book provokes student interest in theory by providing examples of the scholarly application of family theory to compare how people use similar processes in everyday life Using this contextual orientation the selected readings examine nine prevalent theoretical perspectives from both family and human development sciences **The Palgrave Handbook of Family Sociology in Europe** Anna-Maija Castrén,Vida Česnuitytė,Isabella Crespi,Jacques-Antoine Gauthier,Rita Gouveia,Claude Martin,Almudena Moreno Mínguez,Katarzyna Suwada,2021-06-24 This handbook provides a meaningful overview of topical themes within family sociology as an academic field as well as empirical realities in various societal contexts across Europe More than sixty prominent European scholars original texts present the field s main theoretical and methodological approaches in addition to issues such as families as relationships parental arrangements parenting practices and child well being family policies in welfare state regimes family lives in migration and family trajectories Presenting cutting edge research on findings theoretical interpretations and solutions to methodological challenges it is a timely tool for researchers teachers students and family practitioners who wish to familiarise themselves with the state of family sociology in Europe Social Stress and the Family Hamilton I. McCubbin,Marvin B. Sussman,1983 An informative anthology of recent theory and research developments pertinent to family stress *The Cambridge Companion to Durkheim* Jeffrey C. Alexander,Philip Smith,2005-05-26 Long recognised as a foundational figure in the development of social scientific thought Emile Durkheim s work has been the subject of intense debate over the years This authoritative and comprehensive collection of essays re examines the impact of Durkheim s thought considering the historical contexts of his work as well as evaluating his ideas in relation to current issues and controversies Eminent authorities in the field have contributed to this up to date overview giving the reader both students and academics a chance to engage directly with leading figures in the field about contemporary trends ideas and dilemmas This volume reflects the cross disciplinary application of Durkheim s theories and will interest scholars of anthropology political science cultural studies and philosophy as well as sociology This is a landmark volume that redefines the relevance of Durkheim to the human sciences in the twenty first century *Gender, Sex and the Shaping of Modern Europe* Annette F. Timm,Joshua A. Sanborn,2016-03-10 Through a blend of history and historiography Gender Sex and the Shaping of Modern Europe provides a clear and concise introduction to gender history in the region The detailed examples and engaging language make this a

useful overview for students not only of gender history but also of European history more widely as considerations of gender illuminate our understanding of historical change and individual experience In six thematic chapters that cover democracy and capitalism imperialism and war the authors explain how gender roles were socially constructed and how they influenced political and economic developments during the period This new edition has been thoroughly re edited and expanded to take account of ongoing methodological innovation and recent scholarship in the field The book also includes a brand new chapter on sexuality in the 21st century and extended material on Scandinavia The Mediterranean Alternative Sexualities Women s history and femininity Gender Sex and the Shaping of Modern Europe is a key text for all students of gender history and the history of modern Europe in general The Ages of the X-Men Joseph J. Darowski, 2014-07-08 The X Men comic book franchise is one of the most popular of all time and one of the most intriguing for critical analysis With storylines that often contain overt social messages within its mutant metaphor X Men is often credited with having more depth than the average superhero property In this collection each essay examines a specific era of the X Men franchise in relationship to contemporary social concerns The essays are arranged chronologically from an analysis of popular science at the time of the first X Men comic book in 1963 to an interpretation of a storyline in light of rhetoric of President Obama s first presidential campaign Topics ranging from Communism to celebrity culture to school violence are addressed by scholars who provide new insights into one of America s most significant popular culture products *Emile Durkheim on Institutional Analysis* Emile Durkheim, 1994-10-03 Ranging from Durkheim s original lecture in sociology to an excerpt from the work incomplete at his death these selections illuminate his multiple approaches to the crucial concept of social solidarity and the study of institutions as diverse as the law morality and the family Durkheim s focus on social solidarity convinced him that sociology must investigate the way that individual behavior itself is the product of social forces As these writings make clear Durkheim pursued his powerful model of sociology through many fields eventually synthesizing both materialist and idealist viewpoints into his functionalist model of society **Family Politics** Scott Yenor, 2011 With crisp prose and intellectual fairness Family Politics traces the treatment of the family in the philosophies of leading political thinkers of the modern world What is family What is marriage In an effort to address contemporary society s disputes over the meanings of these human social institutions Scott Yenor carefully examines a roster of major and unexpected modern political philosophers from Locke and Rousseau to Hegel and Marx to Freud and Beauvoir He lucidly presents how these individuals developed an understanding of family in order to advance their goals of political and social reform Through this exploration Yenor unveils the effect of modern liberty on this foundational institution and argues that the quest to pursue individual autonomy has undermined the nature of marriage and jeopardizes its future The Family in India George Kurian, 2019-01-29 No detailed description available for The Family in India

As recognized, adventure as capably as experience not quite lesson, amusement, as competently as promise can be gotten by just checking out a book **Emile Durkheim On The Family** furthermore it is not directly done, you could acknowledge even more re this life, roughly speaking the world.

Emile Durkheim On The Family Introduction

In today's digital age, the availability of Emile Durkheim On The Family books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Emile Durkheim On The Family books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Emile Durkheim On The Family books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Emile Durkheim On The Family versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Emile Durkheim On The Family books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Emile Durkheim On The Family books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Emile Durkheim On The Family books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities

and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Emile Durkheim On The Family books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Emile Durkheim On The Family books and manuals for download and embark on your journey of knowledge?
