Forever and For Always (The Inn at Sunset Harbor—Book 2) Sophie Love,2016-11-17

Emily Brontë Agnes Mary Frances Robinson,2020-09-28 There are perhaps few tests of excellence so sure as the popular verdict on a work of art a hundred years after its accomplishment So much time must be allowed for the swing and rebound of taste for the despoiling of tawdry splendours and to permit the work of art itself to form a public capable of appreciating it Such marvellous fragments reach us of Elizabethan praises and we cannot help recalling the number of copies of *Prometheus Unbound* sold in the lifetime of the poet We know too well what porridge had John Keats and remember with misgiving the turtle to which we treated Hobbs and Nobbs at dinner and how

complacently we watched them put on their laurels afterwards Let us then by all means distrust our own and the public estimation of all heroes dead within a hundred years Let us in laying claim to an infallible verdict remember how oddly our decisions sound at the other side of Time s whispering gallery Shall we therefore pronounce only on Chaucer and Shakespeare on Gower and our learned Ben Alas we are too sure of their relative merits we stake our reputations with no qualms no battle ardours These we reserve to them for whom the future is not yet secure for whom a timely word may still be spoken for whom we yet may feel that lancing out of enthusiasm only possible when the cast of fate is still unknown and as we fight we fancy that the glory of our hero is in our hands But very gradually the victory is gained A taste is unconsciously formed for the qualities necessary to the next development of art qualities which Blake in his garret Millet without the sou set down in immortal work At last when the time is ripe some connoisseur sees the picture blows the dust from the book and straightway blazons his discovery Mr Swinburne so to speak blew the dust from Wuthering Heights and now it keeps its proper rank in the shelf where Coleridge and Webster Hofmann and Leopardi have their place Until then a few brave lines of welcome from Sydney Dobell one fine verse of Mr Arnold s one notice from Mr Reid was all the praise that had been given to the book by those in authority Here and there a mill girl in the West Riding factories read and re read the tattered copy from the lending library here and there some eager unsatisfied passionate child came upon the book and loved it in spite of chiding finding in it an imagination that satisfied and a storm that cleared the air or some strong fibred heart felt without a shudder the justice of that stern vision of inevitable inherited ruin following the chance found child of foreign sailor and seaport mother But these readers were not many even yet the book is not popular
