Emily Dickinson A Collection Of Critical Essays

Richard W. Oram

Emily Dickinson A Collection Of Critical Essays:

Emily Dickinson Richard B. Sewall, 1963 This collection of 16 essays many by well known poets like Archibald MacLeish assesses the poetry of Emily Dickinson Emily Dickinson Richard Benson Sewall, 1965 Emily Dickinson Richard Benson Sewall (ed), 1963 *Emily Dickinson* Richard Benson Sewall, 1964 *Emily Dickinson* Judith Farr, 1996 A collection of critical essays reflecting both older and newer perspectives Will also contain an introduction by the editor a respected scholar in the field a chronology of the author s life and an annotated bibliography *Critical Essays on Emily Dickinson* Paul J. Ferlazzo, 1984 A collection of critical essays about poetess Emily Dickinson **Emily Dickinson. A Collection of Critical Essays. [By Various Authors.] Edited by R.B. Sewall** Richard Benson SEWALL, 1963 **Critical Companion to Emily Dickinson** Sharon Leiter, 2007 Critical Companion to Emily Dickinson is an encyclopedic guide to the life and works of Emily Dickinson one of the most famous and widely studied American poets of the 19th century **The Cambridge Companion to Emily Dickinson** Wendy Martin, 2002-09-05 Emily Dickinson one of the most important American poets of the nineteenth century remains an intriguing and fascinating writer The Cambridge Companion to Emily Dickinson includes eleven new essays by accomplished Dickinson scholars They cover Dickinson s biography publication history poetic themes and strategies and her historical and cultural contexts As a woman poet Dickinson s literary persona has become incredibly resonant in the popular imagination She has been portrayed as singular enigmatic and even eccentric At the same time Dickinson is widely acknowledged as one of the founders of American poetry an innovative pre modernist poet as well as a rebellious and courageous woman This volume introduces new and practised readers to a variety of critical responses to Dickinson s poetry and life and provides several valuable tools for students including a chronology and suggestions for further reading **Emily Dickinson** J. Brooks Bouson, 2010 A collection of critical essays investigates the poet s work within the context of 19th century culture and American literature and explores her legacy within feminist psychological and postmodern contexts Transcendental Wordplay Michael West, 2000 Throughout the first half of the nineteenth century America was captivated by a muddled notion of etymology New England Transcendentalism was only one outcropping of a nationwide movement in which schoolmasters across small town America taught students the roots of words in ways that dramatized religious issues and sparked wordplay Shaped by this ferment our major romantic authors shared the sensibility that Friedrich Schlegel linked to punning and christened romantic irony Notable punsters or etymologists all they gleefully set up as sages creating jocular masterpieces from their zest for oracular wordplay Their search for a primal language lurking beneath all natural languages provided them with something like a secret language that encodes their meanings To fathom their essentially comic masterpieces we must decipher it Interpreting Thoreau as an ironic moralist satirist and social critic rather than a nature loving mystic Transcendental Wordplay suggests that the major American Romantics shared a surprising conservatism In this award winning study Professor West rescues the pun from critical contempt and allows

readers to enjoy it as a serious form of American humor *The Poetry of American Women from 1632 to 1945* Emily Stipes Watts, 2014-09-10 American women have created an especially vigorous and innovative poetry beginning in 1632 when Anne Bradstreet set aside her needle and picked up her poet's pen The topics of American women poets have been various their images their own and their modes of expression original Emily Stipes Watts does not imply that the work of American men and that of American women are two different kinds of poetry although they have been treated as such in the past It is her aim rather to delineate and define the poetic tradition of women as crucial to the understanding of American poetry as a whole By 1850 American women of all colors religions and social classes were writing and publishing poetry Within the critical category of female poetry developed from 1800 to 1850 these women experimented boldly and prepared the way for the achievement of such women as Emily Dickinson in the second half of the nineteenth century Indeed at times for example from 1860 through 1910 it was women who were at the outer edge of prosodic experimentation and innovation in American poetry Moving chronologically Professor Watts broadly characterizes the state of American poetry for each period citing the dominant male poets she then focuses on women contemporaries singling out and analyzing their best work This volume not only brings to light several important women poets but also represents the discovery of a tradition of women writers This is a unique and invaluable contribution to the history of American literature *Collecting, Curating, and Researching Writers' Libraries* Richard W. Oram, 2014-05-21 Academic collection practices in recent years have extended to the private libraries of notable individual authors As a consequence book historians have become more interested in the study of provenance of the contents of these libraries while literary scholars have devoted more attention to authorial annotations At the same time the Internet has encouraged both scholarly and hobbyist reconstructions of private libraries see for example the Legacy Libraries on Librarything com Although there are many bibliographies and reconstructions of the libraries of authors this is the first general consideration of these libraries and serves as an introduction to best practices for academic libraries in their acquisition cataloging and issues of access This collection begins with principal editor Richard Oram's historical overview of writers libraries and institutional collecting focusing primarily on English language authors The co editor Joseph Nicholson has provided a definitive review of best cataloging and arrangement practices that facilitate scholarly access The bookseller Kevin Mac Donnell discusses the marketing of these collections and obstacles to placing intact author libraries in institutions Also included are case studies by Amanda Golden and David Faulds relating to the personal libraries of the poets Anne Sexton and Ted Hughes indicating how these collections have the potential to enhance archival research Fiction writers Iain Sinclair Russell Banks Jim Crace poet Ted Kooser and biographer Ron Powers describe their sometimes passionate relationship with books and their own personal libraries The concluding chapter a location guide to over 500 individual libraries will be invaluable to scholars and librarians who want to know where writers libraries are currently located what happened to them if they are known to have been sold or dispersed and what has been written about them **Resources in**

Education ,1974 **Writers of the American Renaissance** Denise Knight,2003-12-30 The American literary canon has undergone revision and expansion in recent years and our notions of the 19th century renaissance have been reevaluated Mainstream anthologies have been revised to reflect the expanding literary canon yet resources for readers have remained widely scattered This book expands earlier definitions of the 19th century American Renaissance as represented by canonical writers such as Emerson and Poe covering writers who published popular fiction and dominated the literary marketplace of the day Included is generous coverage of women writers and writers of color The volume provides alphabetically arranged entries for more than 70 writers of the period including Louisa May Alcott Emily Dickinson Frederick Douglass Margaret Fuller Nathaniel Hawthorne Herman Melville Harriet Beecher Stowe Henry David Thoreau Walt Whitman and many more Each entry was written by an expert contributor and includes a brief biography a discussion of major works and themes a survey of the writer's critical reception and primary and secondary bibliographies *Reverberations of Silence* Márta Pellérdi,Gabriella Reuss,2014-08-11 Whether a conscious choice or constraint silence has always been the result of oppression censorship trauma and mental or physical handicap Its provocative and mysterious nature has always motivated readers and critics towards interpretation The present volume offers to read and interpret silence unexpressed emotions thoughts hesitations and gestures on mainly a textual and verbal level How is the pervasive presence of silence explained in literature and linguistics The collected scholarly essays in this volume offer a wide range of answers The majority of the writings are literary critical in nature focusing on major and less well known literary texts from the Renaissance until the twentieth century The authors approach the works of Spenser Shakespeare Shelley Dickinson Wright Auster Tan and Ishiguro among others as well as less well known silent or silenced authors and their texts with equal dedication Other essays included in the volume either deal with the problem of translating gaps and hiatuses or focus on capturing the phenomenon of silence in speech through analyzing ellipsis emptiness and hesitations in spoken language The controversial and manifold aspects of silence are captured and interpreted in this volume Research in Education ,1974 **The Encyclopedia of Christian Literature** George Thomas Kurian,James D. Smith III,2010-04-16 The written word is one of the defining elements of Christian experience As vigorous in the 1st century as it is in the 21st Christian literature has had a significant function in history and teachers and students need to be reminded of this powerful literary legacy Covering 2 000 years The Encyclopedia of Christian Literature is the first encyclopedia devoted to Christian writers and books In addition to an overview of the Christian literature this two volume set also includes 40 essays on the principal genres of Christian literature and more than 400 bio bibliographical essays describing the principal writers and their works These essays examine the evolution of Christian thought as reflected in the literature of every age The companion volume also features bibliographies an index a timeline of Christian Literature and a list of the greatest Christian authors The encyclopedia will appeal not only to scholars and Christian evangelicals but students and teachers in seminaries and theological schools as well

as to the growing body of Christian readers and bibliophiles American Literature in Context Various Authors, 2021-05-13
First published between 1982 and 1983 this series examines the peculiarly American cultural context out of which the nation's literature has developed. Covering the years from 1620 to 1930 these four volumes present a coherent consecutive and comprehensive sequence of interpretations of major American texts including fiction non-fiction poetry and drama. Every chapter includes an extract from the chosen text which serves as a springboard for wider discussion and analysis. Each analysis demonstrates how students can move into and then from the pages of literature to a consideration of the whole text and thence to an understanding of the author's oeuvre and of the cultural moment in which he or she lived and wrote. This set will be a valuable resource for students of American literature and American studies American Literature in Context
Andrew Hook, 2016-05-20 First published between 1982 and 1983 this series examines the peculiarly American cultural context out of which the nation's literature has developed. Covering the years from 1865 to 1900 this third volume of American Literature in Context focuses on the struggles of American writers to make sense of their rapidly changing world. In addition to such major figures as Walt Whitman Henry James Emily Dickinson and Mark Twain it analyses the writings of an unorthodox economist Henry George a Utopian reformer Edward Bellamy and a critical sociologist Thorstein Veblen. Particular attention is paid to the challenge to conventional literary and cultural values represented by writers such as William Dean Howell who pursued a new form of scientific democratic realism in American writing. This book will be of interest to those studying American literature and American studies.

FAQs About Emily Dickinson A Collection Of Critical Essays Books

What is a Emily Dickinson A Collection Of Critical Essays PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Emily Dickinson A Collection Of Critical Essays PDF?**

There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Emily Dickinson A Collection Of Critical Essays PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Emily**

Dickinson A Collection Of Critical Essays PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Emily Dickinson A Collection Of Critical Essays PDF?**

Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
