

Emily Dickinson In Europe Her Literary Reputation In Selected Countries

Poul Houe, Sven Hakon Rossel

Emily Dickinson In Europe Her Literary Reputation In Selected Countries:

Emily Dickinson in Europe Ann Lilliedahl,1981 *Emily Dickinson in Europe* Anna Marta Lilliedahl,1979 The International Reception of Emily Dickinson Domhnall Mitchell,Maria Stuart,2011-10-27 Emily Dickinson s poetry is known and read worldwide but to date there have been no studies of her reception and influence outside America This collection of essays brings together international research on her reception abroad including translations circulation and the responses of private and professional readers to her poetry in different countries The contributors address key translations of individual poems and lyric sequences Dickinson s influence on other writers poets and culture more broadly biographical constructions of Dickinson as a poet the political cultural and linguistic contexts of translations and adaptations into other media It will appeal to all those interested in the international reception of Dickinson and nineteenth century American literature more widely *The Cambridge Companion to Emily Dickinson* Wendy Martin,2002-09-05 Emily Dickinson one of the most important American poets of the nineteenth century remains an intriguing and fascinating writer The Cambridge Companion to Emily Dickinson includes eleven new essays by accomplished Dickinson scholars They cover Dickinson s biography publication history poetic themes and strategies and her historical and cultural contexts As a woman poet Dickinson s literary persona has become incredibly resonant in the popular imagination She has been portrayed as singular enigmatic and even eccentric At the same time Dickinson is widely acknowledged as one of the founders of American poetry an innovative pre modernist poet as well as a rebellious and courageous woman This volume introduces new and practised readers to a variety of critical responses to Dickinson s poetry and life and provides several valuable tools for students including a chronology and suggestions for further reading **Emily Dickinson in Context** Eliza Richards,2013-09-16 Long untouched by contemporary events ideas and environments Emily Dickinson s writings have been the subject of intense historical research in recent years This volume of thirty three essays by leading scholars offers a comprehensive introduction to the contexts most important for the study of Dickinson s writings While providing an overview of their topic the essays also present groundbreaking research and original arguments treating the poet s local environments literary influences social cultural political and intellectual contexts and reception A resource for scholars and students of American literature and poetry in English the collection is an indispensable contribution to the study not only of Dickinson s writings but also of the contexts for poetic production and circulation more generally in the nineteenth century United States *Images of America in Scandinavia* Poul Houe,Sven Hakon Rossel,1998 The subject of Images of America in Scandinavia the first comprehensive study of its kind is as multifaceted complex and overwhelming as America or the United States itself It concerns the nature and function reality and fiction of such images in Denmark Norway and Sweden past and present The book is intended to be a source of solid information as well as a starting point for further inquiries into its cultural territory Part of its focus is on images of America rooted in printed sources but in addition general surveys of other cultural signs of America in the

Scandinavian countries present a broader picture and provide some of the background for the predominantly literary images. Issues such as government and politics, popular and vanguard music and art, and socio-cultural institutions intermittently come to the fore. Framing the volume's three pairs of national surveys is an introductory chapter which addresses the entire subject from a bird's-eye view and a concluding chapter which by contrast delves into the cross-fire of sentiments defining people whose images of America are both American and Scandinavian. The discussion of America as perceived in Scandinavia sheds new light on intriguing inter-Scandinavian cultural distinctions and borderlines. Countless books and articles, methods and theories have been devoted to the study of national and cultural identity. Still, the exchanges between such identities and the images they engender so indispensable for the participants in a global culture remain clouded by many misconceptions. Images of America in Scandinavia, whose editors and authors all have Scandinavian backgrounds, will contribute an improved understanding of the cultural interplay between Scandinavia and the United States of America. **Approaching Emily**

Dickinson Fred D. White, 2008. The book gives detailed attention to the principal trends in Dickinson scholarship during the past half-century: rhetorical and stylistic analysis of the poems and letters; biographical studies informed by theories of gender, sexuality, and by medical history; feminist studies of the poet's life and work; textual studies of the bound and unbound fascicles and the so-called worksheet drafts or scraps; new assessments of the poet's social and cultural milieu, including influences on her spiritual sensibility and of her theories of poetry, including lyricism. **BOOK JACKET** *Dickinson*

Scholarship Karen Dandurand, 2017-10-23. This bibliography, first published in 1988, is intended to make more readily accessible the wealth of Dickinson criticism and scholarship that appeared from 1969 through 1985. During the 17 years that are covered in this bibliography, nearly 800 books, articles, and dissertations have appeared. The present work is intended to aid both students and scholars in finding the materials they need in their study of and research on Emily Dickinson's poetry and her life. **Paperbound Books in Print**, 1984. *Studies in the American Renaissance*, 1983. **Dickinson en**

nuestra lengua: Juan Carlos Calvillo, 2023-08-22. Al tiempo que Emily Dickinson se hacía a sitio entre los mejores poetas de la lengua, su obra empezaba a trascender los linderos de la anglofonía. Desde entonces, apenas un libro y un puñado de publicaciones aisladas se habían dado a la tarea de investigar el desarrollo, las condiciones y las vicisitudes de la recepción internacional de la famosa reclusa de Amherst, así como el camino transitado en pos de su adopción y reconocimiento en culturas lejanas a la suya y por medio de un proceso la traducción que altera y reconstituye la materia misma de su obra creativa. Con todo, el primer libro dedicado a tratar con amplitud, sensibilidad y perspicacia su importación y traducción en el mundo de habla hispana no es sino este que tiene el lector entre las manos. La historia de la recepción de Emily Dickinson en lengua española es un relato fascinante por derecho propio. Sin embargo, visto como un estudio de caso en materia de traducción, Dickinson en nuestra lengua es testimonio de un proceso histórico no solo mediante el que una tradición incorpora una literatura extranjera a la propia, sino también en virtud del cual una cultura accede a contemplar su rostro en el espejo.

National Union Catalog ,1982 American-German Literary Interrelations in the Nineteenth Century Christoph Wecker,1983 **Subject Catalog** Library of Congress, *Books in Print Supplement* ,1985 **Dissertation Abstracts International** ,1980 **The Emily Dickinson Handbook** Gudrun Grabher (ed),Roland Hagenbüchle (ed),Cristanne Miller (ed),1998 HERE FOR THE first time students of Emily Dickinson can find a single source of accurate up to date information on the poet s life and works her letters and manuscripts the cultural climate of her times her reception and influence and the current state of Dickinson scholarship Written by a distinguished group of contributors from the United States and abroad the twenty two essays in this volume reflect the many facets of the poet s oeuvre as well as the principal trends in Dickinson studies Topics include Richard Sewall on Dickinson s life Agnieszka Salska on her letters David Porter on themes or the lack of them in the poetry Judith Farr on Dickinson and the visual arts and Roland Hagenbuchle on the poet and literary theory Contributions from newer scholars range from Kerstin Behnke on translation and Martha Ackmann on biography to Marietta Messmer on the poet s critical reception and Paul Crumbley on her dialogic voice Each essay presents a historical overview of the subject under scrutiny and offers detailed discussion of the most relevant issues The scholarship is original and exemplary in some cases providing access to little studied areas for example Jonnie Guerra s essay on adaptations of the poems in the arts and in others providing an overview of hotly debated areas of study Suzanne Juhasz on new directions in Dickinson study or Martha Nell Smith on editing the poems Unlike encyclopedic entries each essay also reflects the contributor s distinct and at times controversial point of view As a result the essays will prove useful not just to beginning students but also to established scholars looking for a review of areas of Dickinson studieswith which they are less familiar

American Literary Scholarship John Albert Robbins,1965 **Emily Dickinson** Jeanetta Boswell,1989 Some 2500 entries cover articles books critical and biographical newspaper notices and pieces dissertations and masters theses Selected works are annotated generously with passages quoted in most cases The material is arranged alphabetically by author and indexed by subject and title Annotation copyrighted by Book News Inc Portland OR **Nineteenth Century Literature Criticism** Kathy D. Darrow,Russel Whitaker,2007-08 A convenient source of critical commentary on the careers and works of acclaimed authors who died between 1800 and 1899 A cumulative title index is published separately included in subscription
