Eminent Victorian Women:

Eminent Victorian Women Elizabeth Longford,1981 *Eminent Victorians* Giles Lytton Strachey,2025-04-14 Lytton Stracheys Eminent Victorians redefined biographical writing with its incisive irreverent portraits of four iconic 19th century figures Published in 1918 this groundbreaking work dismantles Victorian hagiography through sharp psychological insight and modernist irony Strachey a central figure in the Bloomsbury Group dissects Cardinal Mannings ecclesiastical ambition Florence Nightingales complex legacy Dr Thomas Arnolds educational reforms and General Gordons imperial contradictions The book opens with Mannings rise to power within the Catholic Church contrasting his spiritual zeal with political maneuvering Strachey juxtaposes Nightingales public image as the Lady with the Lamp against her obsessive domineering private persona In his critique of Dr Arnold he questions the moral rigidity behind Rugby Schools educational ideals The final portrait of Gordon captures the tragic absurdity of British imperialism during the Khartoum siege Stracheys prose blends wit with meticulous research situating the work within categories like Modernist Literature Historical Biography and Cultural Criticism By focusing on flaws rather than virtues he exposes the tensions between public myth and private reality challenging the idolization of Victorian heroes The narratives fragmented structure and subjective perspective reflect Bloomsburys rejection of traditional storytelling This edition includes critical annotations contextualizing Stracheys anti establishment stance in post World War I Britain *Eminent Victorians* remains essential reading for understanding how biography evolved into a tool for cultural critique *Eminent Victorians* Lytton Strachey,2020-04-09 *Eminent Victorians* is a book by Lytton Strachey consisting of biographies of four leading figures from the Victorian era Its fame rests on the irreverence and wit Strachey brought to bear on three men and a woman who had until then been regarded as heroes Cardinal Manning Florence Nightingale Thomas Arnold and General Gordon although Nightingale is actually praised and her reputation was enhanced The book shows its other subjects in a less than flattering light for instance the intrigues of Cardinal Manning against Cardinal Newman Eminent Victorians Lytton Strachey,1918 **The Victorians** Martin Hewitt,2023 The Victorian period may have come to an end over 120 years ago but the Victorians continue to be a vital presence in the modern world In this book Martin Hewitt offers a guide through the thickets of judgement and debate which have grown around the period and its people to offer a historical overview of the Victorians and their legacies **Eminent Victorians** A. N. Wilson,1989 *Victorian Women Poets* Tess Cosslett,2017-07-05 Tess Cosslett charts the rediscovery of Victorian women poets including Emily Brontes Elizabeth Barrett Browning and Christina Rossetti by female critics *Eminent Victorians* Lytton Strachey,2013-05-08 THE history of the Victorian Age will never be written we know too much about it For ignorance is the first requisite of the historian ignorance which simplifies and clarifies which selects and omits with a placid perfection unattainable by the highest art Concerning the Age which has just passed our fathers and our grandfathers have poured forth and accumulated so vast a quantity of information that the industry of a Ranke would be

submerged by it and the perspicacity of a Gibbon would quail before it It is not by the direct method of a scrupulous narration that the explorer of the past can hope to depict that singular epoch If he is wise he will adopt a subtler strategy He will attack his subject in unexpected places he will fall upon the flank or the rear he will shoot a sudden revealing searchlight into obscure recesses hitherto undivined He will row out over that great ocean of material and lower down into it here and there a little bucket which will bring up to the light of day some characteristic specimen from those far depths to be examined with a careful curiosity Guided by these considerations I have written the ensuing studies I have attempted through the medium of biography to present some Victorian visions to the modern eye They are in one sense haphazard visions that is to say my choice of subjects has been determined by no desire to construct a system or to prove a theory but by simple motives of convenience and of art It has been my purpose to illustrate rather than to explain It would have been futile to hope to tell even a precis of the truth about the Victorian age for the shortest precis must fill innumerable volumes But in the lives of an ecclesiastic an educational authority a woman of action and a man of adventure I have sought to examine and elucidate certain fragments of the truth which took my fancy and lay to my hand *Germaine de Staël, George Sand, and the Victorian Woman Artist* Linda M. Lewis, 2003 By examining literary portraits of the woman as artist Linda M Lewis traces the matrilineal inheritance of four Victorian novelists and poets George Eliot Elizabeth Barrett Browning Geraldine Jewsbury and Mrs Humphry Ward She argues that while the male Romantic artist saw himself as god and hero the woman of genius lacked a guiding myth until Germaine de Stael and George Sand created one The protagonists of Stael s Corinne and Sand s Consuelo combine attributes of the goddess Athena the Virgin Mary Virgil s Sibyl and Dante s Beatrice Lewis illustrates how the resulting Corinne Consuelo effect is exhibited in scores of English artist as heroine narratives particularly in the works of these four prominent writers who most consciously and elaborately allude to the French literary matriarchs Exploring a connection between French and English literature and providing fresh insight Germaine de Stael George Sand and the Victorian Woman Artist makes a major contribution to our understanding of nineteenth century feminism Jacket *Reimag(in)ing the Victorians in Contemporary Art* Isobel Elstob, 2023-11-20 From contemporary deployments of taxidermy magic lanterns and microscopy to the visualization of forgotten lives marginalized narratives and colonial histories this book explores how the work of artists including Mat Collishaw Yinka Shonibare Tessa Farmer Mark Dion Dorothy Cross and Ingrid Pollard reimag in es the Victorians in the present Examining how recent paintings sculptures photographs installations and films revisit and re present nineteenth century technologies practices and events the book s rich interdisciplinary approach applies literary media and linguistic theories to its analysis of visual art alongside in depth discussions of the Victorian inventions concepts and narratives that they invoke The book s emphasis on how and why we represent the historical past makes its contribution particularly timely And by drawing attention to the importance of historiography to the work of these artists it also unravels the complicated history of History itself This book will speak to

diverse audiences including those interested in art history visual culture Victorian and neo Victorian studies as well as literature histories of science and media postcolonialism museology gender studies postmodernism and the history of ideas

Some Victorian Women, Good, Bad, and Indifferent Harry Furniss, 1923 Biografie n van o a Wilde Florence Marryat Ouida Kate Greenaway Mrs Humphry Ward Mrs Oliphant *Mrs. Humphry Ward* John Sutherland, 1991 Victorian novelist Mary Ward best known to her contemporaries as Mrs Humphry Ward was one of the most successful and complex women of the 19th and early 20th centuries Born into the powerful but patriarchal dynasty of Thomas Arnold of Rugby she lived at the center of an intellectual and cultural circle peopled by such eminent figures as Mark Pattison Thomas Huxley and Charles Darwin Her novel Robert Elsmere 1888 the first in a series of bestsellers earned her both unprecedented sums of money and the critical respect of such writers as Henry James She helped found Somerville College Oxford the University's first institution of higher education of women and helped create a number of play centers for the children of London's working poor And as the first woman reporter to enter the trenches in 1916 she wrote articles that were instrumental in bringing America into the war In *Mrs Humphry Ward* John Sutherland explores a goldmine of materials never before available to recapture a fascinating life one in which extraordinary achievements were often overshadowed by private misfortune Sutherland describes how Ward's parents marriage was shattered by her father's religious peregrinations an Anglican he converted to Roman Catholicism then returned to the Church of England then became a Catholic again how her own remarkable success placed considerable stress on her marriage and how all her resources both financial and emotional went to support a renegade spendthrift and disappointing son And he also sheds light on one of the great paradoxes of this accomplished woman's life that she led the fight to block woman's suffrage Throughout Sutherland writes movingly of the private life of a remarkable public figure A fascinating study of how much a woman could and could not do in the Victorian and Edwardian eras this engaging biography illuminates the intellectual climate of the late 19th century

Women and Literary Celebrity in the Nineteenth Century Brenda R. Weber, 2016-02-11 Focusing on representations of women's literary celebrity in nineteenth century biographies autobiographical accounts periodicals and fiction Brenda R Weber examines the transatlantic cultural politics of visibility in relation to gender sex and the body Looking both at discursive patterns and specific Anglo American texts that foreground the figure of the successful woman writer Weber argues that authors such as Elizabeth Gaskell Fanny Fern Mary Cholmondeley Margaret Oliphant Elizabeth Robins Eliza Potter and Elizabeth Keckley helped create an intelligible category of the famous writer that used celebrity as a leveraging tool for altering perceptions about femininity and female identity Doing so Weber demonstrates involved an intricate gender sex negotiation that had ramifications for what it meant to be public professional intelligent and extraordinary Weber's persuasive account elucidates how Gaskell's biography of Charlotte Bront served simultaneously to support claims for Bront's genius and to diminish Bront's body in compensation for the magnitude of those claims thus serving as a touchstone for

later representations of women's literary genius and celebrity Fanny Fern for example adapts Gaskell's maneuvers on behalf of Charlotte Brontë to portray the weak woman's body becoming strong as it is made visible through and celebrated within the literary marketplace Throughout her study Weber analyzes the complex codes connected to transatlantic formations of gender sex the body and literary celebrity as women authors proactively resisted an intense backlash against their own success

Failure to Progress Rosemary Mander, Valerie Fleming, 2013-10-11 The book provides an up to date picture of contemporary midwifery in the UK It analyses the profession's strengths and weaknesses and discusses current opportunities and threats to the midwife's role The statutory organisations that control midwifery are currently being overhauled and the issues raised in the book are relevant to that process All the contributors are actively involved in the provision of care to the childbearing woman and most are practising midwives The book considers the development of midwifery in the UK and in the context of different forms of development in other countries notably Germany and New Zealand

Gang of Five Nina J. Easton, 2001-02-28 In Gang of Five bestselling author Nina J Easton adds an important element to the history of American politics in the last thirty years This is the story of the other less well known segment of the baby boom generation These are young conservative activists who arrived on campus in the 1970s in rebellion against everything sixties and went on to overturn the political dynamics of the country in the 1980s and 1990s They've been waging what Newt Gingrich called a war without blood for three decades Gang of Five portrays the intertwining careers of five major figures BILL KRISTOL the Harvard educated elitist and publisher of the Weekly Standard is the liberal establishment's worst nightmare a witty erudite Rightist who was a leading force behind the demise of the Clinton health care plan the historic reform of welfare and the decision of House Republicans to impeach the president RALPH REED the hardball politico who helped turn an organization called the College Republicans into a kind of communist cell of the Right in the 1990s tried to give the Religious Right a softer face as leader of the Christian Coalition but was thwarted by his thirst for power and the narrow fundamentalism of his activist followers CLINT BOLICK a leading force in the spread of school choice programs and the anti affirmative action strategist who sank Lani Guinier's appointment is the idealist who seeks to convince civil rights leaders that his legal work on behalf of disadvantaged minorities is sincere and that liberal programs hurt the people they are meant to help GROVER NORQUIST the market Leninist who divides the world into good and evil is at the hub of Hillary Clinton's vast right wing conspiracy and is the architect of a no new taxes pledge signed by all major Republican candidates in the 1990s DAVID MCINTOSH the policy wonk who took the movement's war on Washington to Congress as leader of the House Republican freshmen during the Gingrich Revolution pushed his party toward confrontation with the White House and is now running for governor in Indiana In contrast to earlier generations of conservatives these leaders and their allies tasted success first with Ronald Reagan's twin victories in the 1980s and then in the 1990s with the Republican capture of Congress They play to win and have had a hand in every major insurrection from the Right over the past two decades from abortion politics to

government shutdowns to political muckracking No politician can ignore their agenda or escape the new hardball rules they ve written for national politics

Women and the Railway, 1850-1915 Anna Despotopoulou, 2015-03-01 Examines cultural representations of women s experience of the railway in a period of heightened mobility Women s experiences of locomotion during a period of increased physical mobility and urbanisation are explored in this monograph The 5 chapters analyse Victorian and early Modernist texts which concentrate on women in transit by train including Wilkie Collins s No Name George Meredith s Diana of the Crossways Elizabeth Gaskell s North and South Henry James s The Spoils of Poynton and The Wings of the Dove and stories by Rhoda Broughton Margaret Oliphant Charles Dickens and Katherine Mansfield They highlight the tension between women s boundless physical emotional and sexual aspiration often depicted as closely related to the freedom and speed of train travel and Victorian gender ideology which constructed the spaces of the railway as geographies of fear or manipulation Key features The first full length examination of texts by and about women which explore the railway as a gendered space within a British and European context Explores a variety of cultural discourses which deal with women and the railway fiction poetry news stories and commentaries essays paintings and philosophical writings Proposes a reconceptualization of the public private binary

Modernism and the Women's Popular Romance in Britain, 1885-1925 Martin Hipsky, 2011-10-15 Today s mass market romances have their precursors in late Victorian popular novels written by and for women In Modernism and the Women s Popular Romance Martin Hipsky scrutinizes some of the best selling British fiction from the period 1885 to 1925 the era when romances especially those by British women were sold and read more widely than ever before or since Recent scholarship has explored the desires and anxieties addressed by both low modern and high modernist British culture in the decades straddling the turn of the twentieth century In keeping with these new studies Hipsky offers a nuanced portrait of an important phenomenon in the history of modern fiction He puts popular romances by Mrs Humphry Ward Marie Corelli the Baroness Orczy Florence Barclay Rebecca West Elinor Glyn Victoria Cross Ethel Dell and E M Hull into direct relationship with the fiction of Virginia Woolf Katherine Mansfield James Joyce and D H Lawrence among other modernist greats

New Woman Hybridities MARGARET BEETHAM, Ann Heilmann, 2004-07-31 This book explores the diversity of meanings ascribed to the turn of the century New Woman in the context of cultural debates conducted within and across a wide range of national frameworks Individual chapters by international scholars scrutinize the flow of ideas images and textual parameters of New Woman discourses in the UK North America Europe and Japan elucidating the national and ethnic hybridity of the modern woman by locating this figure within both international consumer culture and feminist writing The volume will be essential reading for advanced students and researchers of American Studies Women s Studies and Women s History

The Mid-Victorian Generation K. Theodore Hoppen, 2000-06-30 This the third volume to appear in the New Oxford History of England covers the period from the repeal of the Corn Laws to the dramatic failure of Gladstone s first Home Rule Bill In his magisterial study of the mid Victorian

generation Theo Hoppen identifies three defining themes The first he calls established industrialism the growing acceptance that factory life and manufacturing had come to stay It was during these four decades that the balance of employment shifted irrevocably For the first time in history more people were employed in industry than worked on the land The second concerns the multiple national identities of the constituent parts of the United Kingdom Dr Hoppen s study of the histories of Ireland Scotland Wales and the Empire reveals the existence of a variety of particular and overlapping national traditions flourishing alongside the increasingly influential structure of the unitary state The third defining theme is that of interlocking spheres which the author uses to illuminate the formation of public culture in the period This he argues was generated not by a series of influences operating independently from each other but by a variety of intermeshed political economic scientific literary and artistic developments This original and authoritative book will define these pivotal forty years in British history for the next generation

Women Musicians in Victorian Fiction, 1860-1900 Phyllis Weliver, 2016-07-28 Over the first half of the nineteenth century writers like Austen and Bront confined their critiques to satirical portrayals of women musicians Later however a marked shift occurred with the introduction of musical female characters where were positively to be feared First published in 2000 this book examines the reasons for this shift in representations of female musicians in Victorian fiction from 1860 1900 Focusing on changing gender roles musical practices and the framing of both of these scientific discourses the book explores how fictional notions of female musicians diverged from actual trends in music making This book will be of interest to those studying nineteenth century literature and music
