McCraw, 2017-12-28 Peter's Burn By K C McCraw The story takes place in an imaginary city Malfaxe located near the east coast of Maryland Although it concerns several dynamic personalities it revolves mainly around Emmitt Braedeikk an

egotistical bank manager and bachelor who is persuaded to run for mayor Comparatively speaking the idea of Emmitt being a banker is of trivial importance Both bizarre and sometimes humorous personal problems often linger in the background and the story attempts to deal with issues that many times seem to be at the heart of some of America's most eroding trials Crime dishonest politicians and penal overcrowding are but just a few When uncanny terrorism enters the scene the stage becomes set for complete chaos Add a certain amount of sibling rivalry and science fiction to the mix and nothing short of divine intervention appears helpful Through all of this Emmitt does however develop a love life Unfortunately his mistress is a minister's daughter one third his own age and is involved heavily in prostitution The author works to combine all of this into a happy although realistic ending and trust that the reader finds the story fun to embrace
