**The Truth about Cheating** M. Gary Neuman,2008-07-28 The New York Times bestselling look at the real reasons for male marital infidelity and what might prevent it Few events cause as much turmoil in a marriage as infidelity It can shatter trust and breed insecurity and resentment from which some relationships never recover People who think it won t happen to them are hit that much harder when it does Why are men unfaithful Can infidelity be prevented What do men say they re getting from their mistresses that they re missing at home Do a man s friends have anything to do with his willingness to cheat In this New York Times bestselling book experienced family counselor M Gary Neuman shares the revealing and surprising findings of a cutting edge research study in which he interviewed men across the country who have physically cheated on their wives Neuman shares many shocking discoveries including the prominent role of emotional dissatisfaction in motivating husbands who stray and how small a role sexual dissatisfaction plays Based on a groundbreaking study of both cheating men and men

who have remained faithful Reveals surprising findings on the contribution of sexual and emotional dissatisfaction to male infidelity Written by experienced family counselor M Gary Neuman coauthor of In Good Times and Bad and author of Emotional Infidelity Neuman and The Truth about Cheating were featured twice on The Oprah Winfrey Show Drawing on dramatic case stories of the author's own work with clients The Truth about Cheating includes proactive strategies and action steps for married women to help them prevent infidelity and create a faithful and rewarding marriage **Connect to Love** M. Gary Neuman,2010-12-03 In their own voices women show how to strengthen your relationship with surprising revelations from New York Times bestselling author Gary Neuman This breakthrough book based on the voices of real women from all walks of life and groundbreaking new research shows couples how to grow stronger by understanding what women need from a romantic relationship In Connect to Love family counselor and relationships expert M Gary Neuman explores the problems that women face in their marriages or relationships that might make them dissatisfied with their partners or willing to stray Neuman reveals the startling discoveries he made through his in depth new research of more than five hundred women When it comes to sexual intimacy for instance wives who are satisfied with their marriages have sex more than twice as frequently than those who are dissatisfied Includes a step by step two week plan to improve your relationship Filled with dramatic personal stories and surprising findings on sex emotional issues intimacy communication and more From the author of the New York Times bestseller The Truth about Cheating Neuman has been a frequent guest on Oprah Today and other major TV shows Written for couples while addressing both female and male issues Written with a compassionate and down to earth tone Connect to Love will open your eyes to see relationships in a new way while empowering yourself and your partner for change Understanding Non-Monogamies Meg Barker,Darren Langdridge,2010-02-02 This volume gathers contributions from academics activists and practitioners to explore the intricacies of non monogamous relationships Featuring both empirical and theoretical pieces contributors examine the history and cultural basis of non monogamy psychological understandings of relationship patterns language and emotion mono normativity and issues of race class disability sexuality and gender **The Publishers Weekly**,2006 **Riding the Wave of the Sting of Infidelity in a Marriage** Dr Anniekie Ravhudzulo,2012-01-23 Marriage is under tremendous assault as never before Will marriage survive Can it survive Infi delity is exploding but why In most cultures infi delity has become a major part of entertainment We all see it in popular television programs and movies Infi delity to some is enjoyment and pleasure Some men think if they are not slipping and cheating they are not being real men Some individuals grew up in environments where cheating is a way of life Some women think life is boring without the excitement of an outside affair In spite of the reasons God to His creation says No to infi delity Become the good husband or wife you would like your spouse to be Life has taught me that men and women get involved in an extramarital affair for many different reasons Sometimes when you are unsatisfi ed with your relationship you start to think What is available out there In a way it is an escape people feel

like they want to be out from the burden in their marriages Grass is greener on the other side and so it seems I have seen many starting to flirt with others innocently at first They start to THINK of what if situations such as what if I'm married to this friend of mine Many people forget that slowly they bring themselves into an extramarital affair and become trapped to another crisis Let me remind you that trust is like a balloon One pricks it is gone The fear of broken promises cheating or betrayal can reduce the quality of your marriage Marriage is a challenging an enterprise that requires hard work determination and discipline Creating a strong and satisfying marriage is possible and it is definitely worth the effort Recovery after infidelity is not an easy path but if others could pull through so can you

### **The Secret Life of Secrets**

Michael Slepian, 2022-06-07 If you've ever wondered why we keep secrets and what motivates us to spill them look no further Michael Slepian has spent the past decade studying the psychology of secrets and is ready to reveal his findings to the world Adam Grant 1 New York Times bestselling author of Think Again The Secret Life of Secrets gracefully blends engaging stories with compelling science Sonja Lyubomirsky University of California professor and author of The How of Happiness Think of a secret that you're keeping from others It shouldn't take long behavioral scientist Michael Slepian finds that on average we are keeping as many as thirteen secrets at any given time His research involving more than 50 000 participants from around the world shows that the most common secrets include lies we've told ambitions addictions mental health challenges hidden relationships and financial struggles Our secrets can weigh heavily upon us Yet the burden of secrecy Slepian argues rarely stems from the work it takes to keep a secret hidden Rather the weight of our secrets comes from carrying them alone without the support of others Whether we are motivated to protect our reputation a relationship a loved one's feelings or some personal or professional goal one thing is clear Holding back some part of our inner world is often lonely and isolating But The Secret Life of Secrets shows you that it doesn't have to be Filled with fresh insight into one of the most universal yet least understood aspects of human behavior The Secret Life of Secrets sheds a fascinating new light on questions like At what age do children develop the cognitive capacity for secrecy Do all secrets come with the same mental load How can we reconcile our secrets with our human desires to relate connect and be known When should we confess our secrets Who makes for the ideal confidant And can keeping certain types of secrets actually enhance our well being Drawing on over a decade of original research The Secret Life of Secrets reveals the surprising ways that secrets pervade our lives and offers science based strategies that make them easier to live with The result is a rare window into the inner workings of our minds our relationships and our sense of who we are
