Identifying, Assessing, and Treating Self-Injury at School David N. Miller, Stephen E. Brock, 2010-07-05 Nonsuicidal self injury NSSI among young people most notably in the form of forearm or wrist cutting occurs across cultural groups social strata and developmental stages puzzling and repelling adults Youth engaging in NSSI behaviors are at a higher risk for suicidality as well as other mental health and academic problems And because NSSI is often first noticed in the school setting as is the case with many children's disorders school professionals are being encouraged to take a more proactive role in intervention The first book specifically geared toward education personnel *Identifying Assessing and Treating Self Injury at School* clearly defines NSSI differentiating it from suicidal borderline and other behaviors and analyzing the psychological contexts in which it occurs This school based perspective gives readers a practical framework for earlier more accurate diagnosis relevant consulting with parents teachers and colleagues and effective science based treatment Included in the coverage an overview of causes of self injury current findings on prevalence and associated conditions early screening guidelines including risk factors and warning signs the latest information on assessment issues and diagnostic methods a separate chapter on psychoeducational assessment and up to date research on interventions for NSSI *Identifying Assessing and Treating Self Injury at School* offers a solid foundation for school psychologists and allied educational professionals to understand students with NSSI and address their complex needs

Walter Dean Myers Mary Ellen Snodgrass, 2015-01-24 Walter Dean Myers preeminent author of teen fiction biography and verse refines the image of black characters that are frequently trivialized or vilified in juvenile literature advertising television and film From his saga *The Glory Field* to his novel *The Young Landlords* Myers's canon surveys the complex realm of the teen years as colliding settings in home school and the street This volume

introduces readers to both the writer and his work with an emphasis on the characters dates events motifs and themes from the books Myers s 101 A to Z entries offer concise analytical discussion on all topics and include generous citations from primary and secondary sources Each entry concludes with a selected bibliography on such subjects as segregation Malcolm X urbanism writing metafiction drugs and alcohol slavery and the Vietnam War Appendices offer a timeline of historical events in Myers s writings and forty topics for group or individual projects oral analysis background material and theme development A map of Harlem where many of the stories are set genealogical diagrams for characters and an author chronology contribute to a comprehensive presentation

The Scandalous Neglect of Children's Mental Health James M. Kauffman, Jeanmarie Badar, 2018-05-16 The Scandalous Neglect of Children's Mental Health What Schools Can Do makes the case that children with mental health needs are under identified and under served by schools and other agencies After reading this brief but powerful book you will better understand the nature of children's mental health needs and the need for expanded services for children in schools and communities The risks and benefits of treatment especially early intervention are discussed and guidelines for action by teachers parents and others are provided The sad fact is that many people do not understand that most young people with mental health needs never receive any treatment of any kind and most of those who receive any treatment at all receive those services only in schools

Emotional and Behavioral Problems Paul Zions, Laura Zions, Richard L. Simpson, 2002-03-19 The authors take a complex under discussed topic and give teachers and administrators useful basic guidelines they can put to use quickly in understanding identifying and helping this special group of students

An Angel's View Reginald E. Hicks, 2012-10 Throughout the ages and stages of American history grandmothers have been the guardians of the generations the dispensers of wisdom the instillers of pride and dignity the conveyors of important religious values the financial and emotional supporters of the family during times of need and the promoters of cultural standards and traditions From Maya Angelou to Martin Luther King Jr to Oprah Winfrey the success of many African Americans can be traced back to the love and support of a grandmother Author Reginald E Hicks is no exception For Hicks An Angel's View began as a labor of love to chronicle the life of his own beloved grandmother from her birth on the family farm in rural New Kent County Virginia in 1923 through her personal social and political trials and tribulations to her quickly approaching eighty ninth birthday However his humble commemoration eventually blossomed into an emotional story of love betrayal triumph and tragedy embedded in a riveting and dynamic Southern history Through this exceptional work Hicks makes a unique and valuable contribution to his family and to the world of black literature
