Children, Adolescents, and Death Robert G. Stevenson,Gerry R. Cox,2017-02-02 The topic of death and related issues such as grief often begin with questions When the questions come from or are about children or adolescents they bring an additional component the fear some adults have of giving a wrong answer In this context a wrong answer is one that can cause more harm than good for the child or adolescent who asked the question This book provides information that can be used to address the death related questions from children and adolescents It also looks at questions from caring adults about the way children or adolescents view death and the grief that follows a death or any major loss Children Adolescents and Death covers topics that start with early studies of childhood grief and progress to expression of grief in cyberspace There is no one answer to most of the questions in this book There are contributors from a

number of continents countries cultures and academic disciplines each of whom brings a unique view of the topic issues they discuss There are presentations of practical interventions that others may copy upon which they can build There are a number of chapters that look at death education in both family and school settings This work contains ideas and techniques that can be of value to parents educators counselors therapists spiritual advisors caring adults and of course will be of the most benefit to those who ask the most questions the children and adolescents themselves Library of Congress Subject Headings Library of Congress.
