

The empathic imagination allows us to extend our understanding to all types of people and situations, and to recognize states of distress in others that manifest in ways we may not have experienced ourselves, but still indicate real suffering.

Empathic Imagination

Thomas Petraschka, Christiana Werner

Empathic Imagination:

The Empathic Imagination Alfred Margulies, 1989 Discusses the importance of empathy for psychotherapists looks at the nature of the self and describes a sample case of treatment

Empathic Space ,2014-11-19 In recent years questions of space have gained renewed momentum in architecture and urban design as adaptation densification and sustainable regeneration have become an increasing priority While most computing based design tends to emphasise the formal aspects of architecture overlooking space and its users the original computational design approaches first spearheaded in the UK in the 1960s and 1970s tended to be focused on behavioural and occupational patterns Over the last decade a new generation of design research has emerged that has started to implement and validate previous investigations into spatial computation aiming to understand how to design spatial configurations based on user experiences This revives an interest in the experiential that was first explored in the early 20th century by German and Nordic organic architects who invented design methods that correlated cognitive responses of buildings occupants to spatial structure The current revival of human centric design however represents the first design approach that synthesises spatial design and algorithmic techniques with organic design thinking which could also be regarded as a return to the first principles of architectural design Contributors include Paul Coates Christian Derix Olafur Eliasson Lucy Helme Bill Hillier smund Izaki Prarthana Jagannath Dan Montello Juhani Pallasmaa Philip Steadman and Guy Theraulaz Featured Architects Designers Jussi ngeslev Art Com Stan Allen Aedas R D Markus Braach Kaisersrot Hermann Hertzberger Kazuhiro Kojima Cat Pablo Miranda and Rafi Segal

Rereading Empathy Emily Johansen, Alissa G. Karl, 2022-05-05 Over the last few decades and from across a spectrum of centrist political thought a variety of academic disciplines and numerous public intellectuals the claim has been that we need to empathize more with marginalized people as a way to alleviate social inequalities If we all had more skill with empathy so the claim goes we would all be better citizens But what does it mean to empathize with others How do we develop this skill And what does it offer that older models of

solidarity don't Why empathy and why now Rereading Empathy takes up these questions examining the uses to which calls for empathy are put in the face of ever expanding economic and social precarity The contributors draw on a variety of historical and contemporary literary and cultural archives to illustrate the work that empathy is supposed to enable and to query alternative models of building collective futures

Empathy and the Historical Understanding of the Human Past Thomas A. Kohut, 2020-04-08 Empathy and the Historical Understanding of the Human Past is a comprehensive consideration of the role of empathy in historical knowledge informed by the literature on empathy in fields including history psychoanalysis psychology neuroscience philosophy and sociology The book seeks to raise the consciousness of historians about empathy by introducing them to the history of the concept and to its status in fields outside of history It also seeks to raise the self consciousness of historians about their use of empathy to know and understand past people Defining empathy as thinking and feeling as imagining one's way inside the experience of others in order to know and understand them Thomas A Kohut distinguishes between the external and the empathic observational position the position of the historical subject He argues that historians need to be aware of their observational position of when they are empathizing and when they are not Indeed Kohut advocates for the deliberate self reflective use of empathy as a legitimate and important mode of historical inquiry Insightful cogent and interdisciplinary the book will be essential for historians students of history and psychoanalysts as well as those in other fields who seek to seek to know and understand human beings

How Shakespeare Inspires Empathy in Clinical Care David Ian Jeffrey, 2024-05-17 This book investigates how a study of Shakespeare's plays may enhance empathy in doctors nurses and other healthcare professionals Addressing the widely perceived empathy gap in teaching and medical practice that emerged after the Covid 19 pandemic the book presents a new study into the psychosocial elements of human interactions It offers invaluable insights into how students and practitioners may be supported in dealing appropriately with their emotions as well as with those of their patients thereby facilitating more humane medical care Fostering an empathic patient doctor relationship the author explores the emotional cognitive and moral dimensions of care and describes how Shakespeare studies can be realistically incorporated into the medical curriculum through group reflections workshops and special study modules

Empathy Pathways Andeline dos Santos, 2022-09-07 Many descriptions of empathy revolve around sharing in and understanding another person's emotions One separate person gains access to the emotional world of another An entire worldview holds up this idea It is individualistic and affirms the possibility of access to other people's inner world Can we really see inside another though And are we discrete separate selves How can we best grapple with these questions in the field of music therapy In response this book offers four empathy pathways Two are situated in a constituent approach that prioritises discrete individuals who then enter into relationships with one another and two are located in relational approaches that acknowledge the foundational reality of relationships themselves By understanding empathy more fully music therapists teachers and researchers can engage in ways that are congruent with

diverse worldviews and ways of being Examples used in the book are from active and receptive music therapy approaches as well as from community and clinical contexts so as to provide clear links to practice This book will be a valuable resource for academics and postgraduate students within music therapy and allied fields including art therapy drama therapy dance movement therapy psychology counselling occupational therapy and social development studies Theology and the Avett Brothers Alex Sosler,2023-05-22 The Avett Brothers sing of a spiritual yearning present in modern culture Without being overtly religious theological underpinnings are prevalent in their music The contributors in this book delve into the Avett Brother s explicit and implicit theology with an eye on how they help make sense of our secular age Theology and the Avett Brothers offers a rich contemplation on how these brothers from North Carolina help listeners navigate the religious consciousness of today s world exploring themes like the good life virtue formation empathy ministry models and dying

Beyond Empathy and Inclusion Mary F. Scudder,2020-09-15 Beyond Empathy and Inclusion examines how to achieve democratic rule in large pluralistic societies where citizens are deeply divided Scudder argues that listening is key in a democracy citizens do not have to agree with their political opponents but they do have to listen to them Being heard is what ensures we have a say in the laws to which we are held While listening is admittedly difficult this book investigates how to motivate citizens to listen seriously attentively and humbly even to those with whom they disagree *Beyond Empathy and Inclusion* Molly Scudder,2020 Beyond Empathy and Inclusion examines how to achieve democratic rule in large pluralistic societies where citizens are deeply divided Scudder argues that listening is key in a democracy citizens do not have to agree with their political opponents but they do have to listen to them Being heard is what ensures we have a say in the laws to which we are held While listening is admittedly difficult this book investigates how to motivate citizens to listen seriously attentively and humbly even to those with whom they disagree *Care of Souls, Care of Polis* Ryan LaMothe,2017-07-25 In the fields of pastoral care and pastoral theology there are times when a book signals a paradigm shift This is one such book LaMothe develops a political pastoral theology that is used to examine critically political economic and societal structures and practices In the first part of the book LaMothe argues that care and pastoral care are political concepts which along with the notion of justice can be used as a hermeneutical framework to assess macropolitical and macroeconomic realities Included in this section is the notion of civil and redemptive discourse necessary for the survival and flourishing of persons and polis The last section of the book examines U S Empire capitalism class classism and other pressing political issues using the hermeneutical lens of care **Constructing Objectivity: Emotions in Legal Decision-making** Stina Bergman

Blix,Sharyn Lee-Anne Roach Anleu,Mojca M. Plesnicar,Louise Victoria Johansen,2025-08-28 The field of Law and Emotion originated in discussions that disputed the bifurcation of emotion and law In the past decade these discussions have inspired socio legal research on the dynamic and social dimensions of court work The field has grown exponentially in diverse disciplines such as sociology law philosophy anthropology and criminology At the core of legal decision making lies the

fundamental principles of objectivity impartiality and independence The Research Topic Constructing Objectivity Emotions in Legal Decision making addresses the dialectical processes of translating these principles into everyday judicial practice across a wide range of legal systems Building on empirical research including observations interviews shadowing vignettes and workshops with legal professionals this collection engages with objectivity in the making It addresses such questions as What role does court architecture and material objects play in the emotional dynamic of the legal procedure How do judges manage victims emotional statements or evaluate their credibility How do judges make independent decisions in a collective setting What role does extra legal lay specialist expertise play in co constructing legal knowledge of relevance to decision making How do judges embrace the idea of objectivity How is all this influenced by the growing digitalization of courts and hearings In so doing it investigates the complexity of objectivity as an ideal a judicial value requiring performance promoting courtroom atmosphere and as sometimes feigned

Radical Empathy in the Context of Literature Lou

Agosta,2025-03-25 In this book Lou Agosta explains using literary examples that readers require radical empathy to relate to process and overcome bad things happening to good people for example moral and physical trauma double binds soul murder and behavior in extreme situations A definition of radical empathy in the context of literature emerges Empathic distress occurs but one s commitment to the Other is such that one empathizes in the face of empathic distress One s empathic commitment to the survivor enables the survivor to recover her his humanness integrity and relatedness This work engages how the impact and cost of empathic distress affect the different aspects of empathic receptivity empathic understanding empathic interpretation and empathic responsiveness delivering a breakthrough and transformation in relating to the Other The intersection of literature and empathy is the place in which the literary artwork transfigures the face of trauma overcoming empathic distress and allowing radical empathy to enable the fragmented Other to recover her his integrity Additionally the book does not merely tell the reader about radical empathy in the context of the literary art work it delivers an experience of radical empathy in context in empathy s receptivity understanding interpretation and responsiveness
