Bethe,Eike Grossmann,Tom Hare,Diego Pellicchia,Michael Watson,2024-12-30 N and ky gen theatre are among the longest continuously staged dramatic forms in the world and are deeply connected to Japanese arts culture society and history This richly illustrated two volume set brings together the important elements of these traditions to offer new insights with contributions by Japanese and non Japanese experts from a broad range of disciplines It represents the most ambitious and exhaustive exploration of n and ky gen to date and is an invaluable resource for both scholars and enthusiasts This is volume 2 out of 2      Head, Eyes, Flesh, and Blood Reiko Ohnuma,2007 Head Eyes Flesh and Blood is the first comprehensive study of a central narrative theme in premodern South Asian Buddhist literature the Buddha s bodily self sacrifice during his previous lives as a bodhisattva Conducting close readings of stories from Sanskrit Pali Chinese and Tibetan literature written between the third century BCE and the late medieval period Reiko Ohnuma argues that this theme has had a major impact on the development of Buddhist philosophy and culture Whether he takes the form of king prince ascetic elephant hare serpent or god the bodhisattva repeatedly gives his body or parts of his flesh to others He leaps into fires drowns himself in the ocean rips out his tusks gouges out his eyes and lets mosquitoes drink from his blood always out of selflessness and compassion and to achieve the highest state of Buddhahood Ohnuma places these stories into a discrete subgenre of South Asian Buddhist literature and approaches them like case studies analyzing their plots characterizations and rhetoric She then relates the theme of the Buddha s bodily self sacrifice to major conceptual discourses in the history of Buddhism and South Asian religions such as the categories of the gift the body both ordinary and extraordinary kingship sacrifice ritual offering and death Head Eyes Flesh and Blood reveals a very sophisticated and influential perception of the body in South Asian Buddhist literature and highlights the way in which these stories have provided an important cultural resource for Buddhists Combined with her rich and careful translations of classic texts Ohnuma introduces a whole new understanding of a vital concept in Buddhists studies      **The Concubine's Tattoo** Laura Joh Rowland,2025-08-22 A richly crafted novel set in seventeenth century Japan Laura Joh Rowland s The Concubine s Tattoo unfolds with all the excitement of a superb murder mystery and a sweeping sensuous portrait of an exotic land Sano Ichiro the Shogun s most honorable investigator is summoned to the imperial palace to find the murderer of Harume a young concubine poisoned while applying a lover s tattoo Sano s new bride Reiko insists on helping him with the case Reiko s samurai blood and warrior s skill alarm her new husband who expected a docile wife But Reiko is only the first of many surprises As subtle as the finest lacquered screen as powerful as the slash of a sword The Concubine s Tattoo vividly brings to life a story of murder jealousy sexual intrigue and political storms that keeps us under its spell until the final shattering scene      **A Christian Response to Horror Cinema** Peter

Fraser,2015-03-27 Christianity has had a powerful influence on every sphere of Western art even art which on the surface might seem antithetical to the faith This book argues that point with an analysis of the horror film genre examining nine classics which illustrate the evolution of horror and reveal a culture haunted by fear of the unspeakable The history and literary roots of the horror genre are also discussed The author concludes that our innate dread of evil and the imperative of warding it off are the key mechanics of the horror experience Films covered include Vampyr 1932 The Mummy 1932 The Thing 1951 Night of the Demon 1957 The Wicker Man 1973 The Exorcist 1973 Halloween 1978 Ringu 1998 and Pan s Labyrinth 2006

**Shadow Child** Rahna Reiko Rizzuto,2018-05-08 For fans of Tayari Jones and Ruth Ozeki from National Book Critics Circle Award finalist Rizzuto comes a haunting and suspenseful literary tale set in 1970s New York City and World War II era Japan about three strong women the dangerous ties of family and identity and the long shadow our histories can cast Twin sisters Hana and Kei grew up in a tiny Hawaiian town in the 1950s and 1960s so close they shared the same nickname Raised in dreamlike isolation by their loving but unstable mother they were fatherless mixed race and utterly inseparable devoted to one another But when their cherished threesome with Mama is broken and then further shattered by a violent nearly fatal betrayal that neither young woman can forgive it seems their bond may be severed forever until six years later Kei arrives on Hana s lonely Manhattan doorstep with a secret that will change everything Told in interwoven narratives that glide seamlessly between the gritty streets of New York the lush and dangerous landscape of Hawaii and the horrors of the Japanese internment camps and the bombing of Hiroshima Shadow Child is set against an epic sweep of history Volcanos tsunamis abandonment racism and war form the urgent unforgettable backdrop of this intimate evocative and deeply moving story of motherhood sisterhood and second chances

*The Grand Mystics Saga* Lee Wright,2023-09-05 Deep in his secret underground chambers the dark wizard Cyrus Mandalin studies his most beloved and prized treasure the ancient tome known as The Simvac Centuries old this book of dark magic has been the cause of violent bloodshed and world wars ever since its creation by the ancient druid order from the dawn of time It had taken Cyrus years to learn how to translate the forgotten language in which The Simvac had been written but now that he has finally found a way the magic he would soon possess would make him the most powerful man alive In Minion City the young sorcerer Mordain has been

summoned to a secret meeting by none other than King Henrey the Third himself This meeting would bring together a team consisting of the most powerful mages and experienced fighters that the world has ever seen Once united they learn they have been called together by these ancient sentient beings known as the Grand Mystics of Ire The strange thing is that no one seems to know anything about these Grand Mystics only that they are asking Mordain and the others to come to their aid Whispers of war high treason against the monarchs of the land give birth to violent conflicts and deadly confrontations Entire races of creatures have been transformed into undead vicious monsters bent on killing and destroying everything in their path It seems that no matter where one turns dark magic is taking control and no one seems to know exactly who can be trusted Mordain and his companions find themselves forced on a path that will change their lives forever If they do not act quickly it may be too late Too late not only to save themselves but to save the entire world from the dark magic that threatens to destroy them all     *The Horn Book Guide to Children's and Young Adult Books* ,2002     Tomo Holly

CHOICE 1999 Outstanding Academic Books The wartime and postwar cultural histories of Germany and Japan show similar experiences of defeat occupation and then the reconstruction of powerful societies Little previous research has examined the literary works that reflect these contacts and parallelisms For the first time this book offers an extensive comparative study of German and Japanese narratives that serve as a form of counter memory in Foucault s phrase for the two cultures Rather than attempting to present objective or comprehensive views of history these narratives draw upon personal memories to offer subjective selective and individualistic reports They provide an alternative or counter memory to more official versions of World War II and its aftermath Major writers such as Mishima Yukio Ibuse Masuji Oba Minako Gunter Grass Uwe Johnson Christa Wolf and the Nobel Prize winners Oe Kenzaburo and Heinrich Boll are set in the context of lesser known writers

including a nine year old child a medical doctor a woman who served as a journalist and a former prisoner to provide a broad cultural basis for understanding responses to the war from within the two societies This book combines a broad historical scope with detailed examinations of important individual texts with both aspects securely set on a firm foundation of historical and literary scholarship The rhythm of alternation between synthetic generalizations and close textual explication yielding interpretive insights while providing lucid and economical exposition and summary allows for carefully balanced and integrated comparisons     **Frozen Secrets** William Warnock,1989     **The Video Source Book** David J. WEINER,1990

*Feature Films, 1960-1969* Harris M. Lentz,2001 This is a filmography of not only all of the English language movies made during the 1960s that had a theatrical release but major foreign films exhibited in the United States as well The films are listed alphabetically and the following information is provided for each year of release nation of origin if other than the United States production distribution company black and white notation if not in color running time genre production credits cast and characters and a brief synopsis This turbulent decade is unusually interesting in the history of cinema Those films released in the early part of the decade were similar to those of the 1950s but as the years passed the offerings changed in many ways     **Inner Development** Cris Popenoe,1979     **Library Media Connection** ,1990     **The World of Fantastic Films** Peter Nicholls,1984 Filmography p 180 221 Discusses the rise of the fantasy movie from 1950 to 1984
