Finkbeiner, 2012-01-31 We are at war When our Lord and King prepares for battle he first releases a loyal band of servants prophets who boldly declare his intentions Objective observers agree that this world is headed in a very bad direction The signs for an impending disaster are everywhere Profiteers are capitalizing on this growing sense of danger by manufacturing dire end of the world predictions These false prophecies swirl about as people struggle to make sense of the increasing insanity and violence Presently God is selecting and preparing his anointed prophets for a global assault They will overturn the money changers tables in the compromising and lukewarm church as they announce the coming destruction of the wicked Even now Satan is sending a great multitude of his minions to every institution where he has a foothold in order to undermine the truth and fill the minds of the Biblically uninformed with lies fear and hatred It will take a hero s courage to read *The Prophets of God* with an open mind and an open Bible Taking a Pre Wrath Rapture position the arguments contained inside have the power to rock the Christian establishment to its core If the message in this book becomes widely known it will thoroughly upset those profiting from the status quo But that is what the Spirit must do What comes out of the prophet s mouth is a two edged sword that judges each one hearing the message Inside *The Prophets of God* readers will have a valuable resource as they go forward to the end of this age and the return of Christ Each page promotes wisdom that comes from God while exposing the deceit that originates in the hell of his defeated foe Chapters such as *The King s Enemy* *Counterfeits* *The Sword* *Captivity* *The Surprise* *Judgment and Restoration* will excite and challenge every Bible student regardless of their knowledge level Nothing is more powerful than an idea whose time has come Absolutely nothing can stop it What is contained in *The Prophets of God* will demonstrate again how the pen is mightier than the sword Why now Why this book It is because it is the season for war The time for the great battle prophesied at Jesus return will soon arrive Before

 different and are unique friendships can be as well different for everyone Some would disagree with the fact that friends can
 t build your life or become the most loyal persons who would pull you up when there is no one to support mentally and
 emotionally but I am lucky in this matter Life has given me jars of lemons and I had made lemonade with those but only with
 the help of friends It is cool to show off with friends but getting the best Souls for lifetime is earned and I did eventually from
 school till date A true story of my life which would make people visualize my journey with my friends and what true
 friendship means Thanking my friends would be a small word if I say but I dedicate this book to my friends who helped me
 get back to my normal life beating depression I got my soulmate in the form of my bestie who does understand my feelings
 even without uttering and explaining a single word Friendship is not just a special bond between two or more individuals but
 the reason to be happy live with the confidence and believe that there are the ones who won t judge you but listen to you
 understand you and support you in the times of need In fact they can act as mentors and be bitter with words but won t let
 you commit mistake that might be detrimental for you *Fiction* Romit Deb,2016-04-06 Fiction is an incredibly beautiful
