Friends With God:

Friendship with God Don Cousins, Judson Poling, 1992-08 Most people approach God with a host of misunderstandings. Often they need clarification about His attitude toward having a relationship with them. This guide leads to a fresh discovery of God.

Friendship with God (eBook) Trevor Hudson, 2015-05-01 Are you open to reimagining your relationship with God as a friendship? Do you want to be transformed into the person God wants you to be? Friendship with God transforms us. As we learn to trust God as our Divine Friend, it has a transforming effect on our whole lives. It affects how we pray, our relationships with each other, and the way we understand our everyday lives. It changes the way we think and feel, what we desire and long for, the way we see each other, and how we seek to live our lives in the world. We could say our friendship with God creates the climate in which you and I become the people God wants us to be. In his latest book, *Friendship with God*, Trevor Hudson digs into these two interwoven themes of friendship and personal transformation. He explains that friendship is a helpful analogy for the intimate kind of relationship God wants with us. Put very simply, the gospel invites you and me into friendship with God. When we become friends with Jesus, we are drawn into God's greater dream for the world. This indeed is the purpose of our lives on earth. We are created to become friends of God and to partner with God in making his dream a greater reality in the world around us. Topics that are addressed include: Living Beyond Loneliness, God's Passionate Longing for Friendship, Getting to Know Our Friend, Understanding Prayer as Deepening Friendship, Looking Outward Together, Exploring Our Friend's Address Book, Discerning What Our Friend Wants Us to Do, Blessing Others as Our Friend Has Blessed Us, Facing Our Fears with Our Friend, Asking Our Friend the Hardest Question. The creator God, who loves us and set the whole universe into existence and who sustains our lives in the immediacy of each moment, wants our intimate friendship. As you explore this good news, you will be encouraged to see your faith and your life in a totally new way.

The Pursuit of God in the Company of Friends Richard C. Lamb, Jr., 2010-03-05 You were not meant to walk alone. Many of us struggle to forge deep relationships with God and other people. Modern society has isolated us as rugged individuals, deceiving us into thinking we can make it through life on our own. Individualism has likewise shaped the pattern of Christian discipleship, privatizing faith and separating us from fellow believers. But we come to know God best when others help us on the way. And our friendships develop best when we seek after God together. What would it look like to pursue God not by ourselves but in the company of friends? According to the model of the New Testament, spiritual transformation takes place in the context of Christian community. By unpacking the Gospel narratives of Jesus' ministry with his disciples, Richard Lamb demonstrates how discipleship develops within the shared community life of groups of Christians. He explores a range of topics such as spiritual friendship, hospitality, leadership, service, conflict, forgiveness, and mission in light of Christian community. Engaging stories from real life experience show how people can form one another spiritually when their lives are tumbled against one another. If you long for more of God, deeper friendships, or both, this book will help you on the journey. Discover the transforming
