*Current Biography* ,1948 **Notable Americans of Czechoslovak Ancestry in Arts and Letters and in Education** Miloslav Rechcigl Jr.,2021-11-02 As pointed out in my last two publications no comprehensive study has been undertaken about the American Learned Men and Women with Czechoslovak roots The aim of this work is to correct this glaring deficiency with the focus on immigration from the period of mass migration and beyond irrespective whether they were born in their European ancestral homes or whether they have descended from them Whereas in the two mentioned monographs the emphasis has been on scholars and social and natural scientists and men and women in medicine applied sciences and engineering respectively the present compendium deals with notable Americans of Czechoslovak ancestry in arts and letters and in education With respect to women although most professional fields were closed to them through much of the nineteenth century the area of arts and letters was opened to them as noted earlier and as this compendium authenticates

*Current Biography* ,1953-06 **Great Wagner Conductors** Jonathan Brown,2014-01-30 This is the Ebook version of the award winning Great Wagner Conductors published in 2012 now scarce in print It contains corrections to the hardback edition and remedies some omissions to the discographies It also contains all 723 illustrations in the book brilliantly illuminated many showing the conductors at work Some of these are rare some are in colour These are not displayed in the free sample Great Wagner Conductors is the first in depth study to bring the great historical Wagner conductors to life through anecdote their own views on Wagner s music reports of their performances throughout the world and their recordings There is a substantial introductory chapter on Wagner what he was like as a conductor of his own works and what he wanted of his conductors then follow chapters on Hans von B low Hans Richter Anton Seidl Hermann Levi Felix Mottl Karl Muck Artur Nikisch Albert Coates Gustav Mahler Felix Weingartner Bruno Walter Arturo Toscanini Artur Bodanzky Wilhelm Furtw ngler Fritz Busch Erich Kleiber Hans Knappertsbusch Clemens Krauss Karl B hm Richard Strauss Otto Klemperer and Fritz Reiner Thousands of reviews of performances from many countries have been distilled to bring us as close as we can to knowing what the conductors were really like There are comprehensive discographies setting out what the conductors recorded Rare recordings are documented There is comment on or excerpts from reviews of all the major recordings and on many of the more obscure A section on timings of actual and recorded performances from Wagner onwards reveals how widely practice has varied There is a Select Bibliography and an Index The level of detail achieved is quite breathtaking

wrote David Patmore in *Classical Recordings Quarterly* reviewing the hardback It extends to a vast arsenal of footnotes as a resource they will be amazingly useful in a vast range of different contexts For anyone interested in conducting from the mid nineteenth century onwards and in particular the performance of Wagner this book will be an essential acquisition Its strength lies in the collection of so many different and varied contemporary reports of Wagner in performance from approximately 1850 to 1960 If this is where your interest lies it will provide much fascinating reading Winter 2012 *Great Wagner Conductors* is a major contribution to the literature on this subject wrote Gary Galo in the *ARSC Journal* and belongs in the library of every serious Wagner enthusiast May 2013 The book was awarded an Association for Recorded Sound Collections ARSC Award for Excellence in Historical Recorded Sound Research in 2013 *Double Exile* Tibor Frank,2009 This is a social history of refugees escaping Hungary after the Bolshevik type revolution of 1919 the ensuing counterrevolution and the rise of anti Semitism Largely Jewish and German before World War I the Hungarian middle class was torn by the disastrous war the partitioning of Hungary in the Treaty of Trianon and the numerus clausus act XXV in 1920 that seriously curtailed the number of Jews admitted to higher education Hungary s outstanding future professionals whether Jewish Liberal or Socialist felt compelled to leave the country and head to German speaking universities in Austria Czechoslovakia and Germany When Hitler came to power these exiles were to flee again many on the fringes of the huge German emigration Emotionally prepared by their earlier threatening experiences in Hungary they were quick to recognize the need to uproot themselves again Many fled to the United States where their double exile catalyzed the USA into an active enemy of Nazi Germany and stimulated the transplantation of European modernism into American art and music To their surprise the refugees also encountered anti Semitism in the USA The book is based on extensive archival work in the USA and Germany **Classical Music In America** Joseph Horowitz,2005-03-15 *Classical Music in America* is a pioneering history by an award winning scholar and leading authority on American symphonic culture Joseph Horowitz argues that classical music in the United States is peculiarly performance driven and he traces a musical trajectory rising to its peak at the close of the nineteenth century and receding after World War I He defines the decades of ascendancy as the quest for an American compositional voice painting vivid vignettes of America s most celebrated performers and such pathbreaking institutions as the New York Philharmonic and the Metropolitan Opera He explores a century of decline characterized by illustrious orchestras conductors and virtuosos mostly foreign born and in a final chapter he exposes a crisis of leadership and suggests new musical directions in our postmodern age As with his acclaimed cultural histories Horowitz here fashions a sweeping narrative backed with personality and incident textured by literature sociology and intellectual history that freshly illuminates the American experience 32 pages of illustrations **Serving Genius** Thomas D Saler,2024-03-18 *Serving Genius* tells the life story of Carlo Maria Giulini one of the most renowned and beloved conductors of the twentieth century Detailing Giulini s extraordinary professional career Thomas D Saler also chronicles Giulini s personal life including his

musical awakening while growing up amid the spectacular beauty of the Dolomite mountains his years as a student in Rome s Academy of St Cecilia his conscription into the Italian army during World War II his nine months in hiding for his anti fascist and pacifist beliefs and his selfless devotion to his wife Marcella A humble master who shunned the limelight Giulini took a deeply emotional and subjective approach to making music Saler provides uniquely detailed analysis of Giulini s nuanced musicianship and the way he conveyed that musicianship to the orchestra through physical gestures Meditating on the very art of conducting at which Giulini excelled Saler discusses each of the conductor s major musical appointments including stints with the Chicago Symphony Orchestra Philharmonia Orchestra Vienna Symphony and Los Angeles Philharmonic The book also addresses his repertoire of choice leadership style and moral framework Drawing on extensive interviews with Giulini s family music critics arts administrators orchestra members and collaborating soloists *Serving Genius* draws out the personal amid the professional life of this giant among twentieth century conductors *American National Biography* John A. Garraty, Mark C. Carnes, 2005-05-12 *American National Biography* is the first new comprehensive biographical dictionary focused on American history to be published in seventy years Produced under the auspices of the American Council of Learned Societies the ANB contains over 17 500 profiles on historical figures written by an expert in the field and completed with a bibliography The scope of the work is enormous from the earliest recorded European explorations to the very recent past

**A Portrait in 4 Movements** Andrew Patner, 2019-04-19 Playing in an orchestra in an intelligent way is the best school for democracy Daniel Barenboim The Chicago Symphony Orchestra has been led by a storied group of conductors And from 1994 to 2015 through the best work of Daniel Barenboim Pierre Boulez Bernard Haitink and Riccardo Muti Andrew Patner was right there As a classical music critic for the Chicago Sun Times and WFMT radio Patner was able to trace the arc of the CSO s changing repertoires all while cultivating a deep rapport with its four principal conductors This book assembles Patner s reviews of the concerts given by the CSO during this time as well as transcripts of his remarkable radio interviews with these colossal figures These pages hold tidbits for the curious such as Patner s driving survey that playfully ranks the Maestri he knew on a scale of total comfort to fright level five and the observation that Muti appears to be a southpaw on the baseball field Moving easily between registers they also open revealing windows onto the sometimes difficult pasts that brought these conductors to music in the first place including Boulez s and Haitink s heartbreaking experiences of Nazi occupation in their native countries as children Throughout these reviews and interviews are threaded together with insights about the power of music and the techniques behind it from the conductors varied approaches to research preparing scores and interacting with other musicians to how the sound and personality of the orchestra evolved over time to the ways that we can all learn to listen better and hear more in the music we love Featuring a foreword by fellow critic Alex Ross on the ethos and humor that informed Patner s writing as well as an introduction and extensive historical commentary by musicologist Douglas W Shadle this book offers a rich portrait of the musical life of Chicago through the eyes and ears of one of its most

#### **Fritz Reiner A Biography Introduction**

In today's digital age, the availability of Fritz Reiner A Biography books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Fritz Reiner A Biography books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Fritz Reiner A Biography books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Fritz Reiner A Biography versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Fritz Reiner A Biography books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Fritz Reiner A Biography books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Fritz Reiner A Biography books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and

technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Fritz Reiner A Biography books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Fritz Reiner A Biography books and manuals for download and embark on your journey of knowledge?
